The Human Body must Perspire,

(or be in a Fever)

TO HAVE A HEALTHY APPEARANCE,

And persons who do not perspire are liable to the most

DISGUSTING SKIN DISEASES,

NOW, JONES' Italian Chemical Soap causes a free perspiration, and at the same time softens the skin, giving it the texture and beauty of an infant's.

SCURVY, SALT RHEUM AND SORES,

are soon not only healed, but cured by its use, as at least several physicians in New York know, who use it in such cases, and find it unfailing—as also, in

PIMPLES, BLOTCHES, FRECKLES,

or any other skin disease. The reader is assured that this is no useless puffed nostrum, as one trial will prove. I could enumerate least 20 persons cured of

SORE HEAD, SORE LEGS AND SORE BEARD,

Buy it, and the reader is again assured, I would not cruelly palm off a worthless article, unless I knew it to be all I state. Those who are liable to

CHAPED, CRACKED, OR CHAPPED FLESH,

will find this not only a delicious shaving soap, and I can now only add, that any one afflicted with any of the above or similar diseases, will find this all and even more (admirable in its properties) than I state.

☞ But, reader, the stores are flooded with imitations, and be sure you ask for JONES' Italian Chemical Soap, and buy it only of WM. JACKSON, Liberty st. and in Pittsburgh, 240 Liberty street, Pittsburgh, head of Wood

Lily White.

LADIES are cautioned against using common prepared Chalk.

They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow and unhealthy the skin appears after having prepared Chalk!

Besides, it is injurious, consuming a large quantity of Lead!

We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE.

It is *perfectly* innocent; being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft, and smooth. Sold by the Agent, WM. JACKSON, 59 Liberty street, head of Wood, Pittsburgh. Price 25 cents.

Removal.

THE subscriber wishes to inform the citizens of Pittsburgh and the public generally, that he has removed to the Apollo Buildings, on Fourth street, recently occupied by the Museum, and has connected therewith the adjoining rooms, formerly used as the Chronicle Printing office—which, in connection with his old room, makes the most spacious Carpet establishment in the country. It is the intention of the proprietor to fill this house for space, arrangement and good light, that he is certain of selling every person who may favor him with a call. His stock is complete in every article in his line, and great pains will be taken at all times to show goods to persons wishing to look or buy.

Drugs and Medicines.

Coughs and Colds Cured in 48 Hours.

NATURE the introduction of this new compound. Coughs and colds are cured in a very short time. We will warrant Dr. Keyser's Pectoral Syrup to cure cases of Coughs, Colds, Bronchitis, Laryngitis, in less time and at a cheaper rate than any other medicine ever discovered.

IT HAS AN ENTIRELY NEW ACTION—The old Cough Medicines always sicken the stomach and produce nausea which is more disagreeable than the Cough itself. The ingredients in this mixture, for it is a pleasant soothing article and it will cure, *or the money will be refunded!* The evidence in favor of this medicine is our city, from our own citizens, who could convince any one of its efficacy. It is the prescription of a regular physician, and has been used by him in his own practice for a number of years, with the most heroic success.

CONSUMPTION—A lady from Steubenville writes, that her daughter had been afflicted with a Cough and expectoration, night sweats, hectic fever, and all the distressing symptoms of consumption, and that after taking two bottles she was entirely cured. A gentleman in Washington county, who had suffered with Asthma and Chronic Cough for eight years, has been entirely relieved and the cough removed by the use of half a dozen bottles of the Pectoral Syrup. A gentleman from Peoria, Illinois, writes that "he knows the Pectoral Syrup to be a good article, for he has used it in his own case and in the cases of members of his family with the most perfect success."

IT IS ONE OF THE CHEAPEST MEDICINES now known, as it is put up in half pint bottles at 50 cents each, or six bottles for $2.50.

COUNTRY STOREKEEPERS would do well to keep a supply of this medicine on hand all the time, as it is one of the most perfect and efficacious remedies ever discovered for all coughs and diseases of the lungs and incipient *Consumption.*

CAUTION EXTRA—Many persons will try to get you to buy some one of the various nostrums, but do not heed them. If you want to get well, buy Dr. Keyser's Pectoral Syrup, and take no other; this will cure you. It has in it some of the most valuable plants and herbs of the materia medica, and is compounded by a person skilled in the healing art. There can be no deception in this medicine. It is prepared in your own city, and the proprietor has numerous certificates, from highly respectable properties, which will be shown to any person desirous of seeing them.

AGENTS WANTED throughout the United States to sell this medicine. Large discounts will be made to those who can unite an interest in the medicine. It will pay a large profit to all agents; besides, they will be doing suffering humanity a service by placing in their hands the Great Medicine for Lung diseases ever yet discovered or produced.

For sale, wholesale and retail, by KEYSER & MCDOWELL, Druggists, (4th Wood, street, Pittsburgh,) to whom all letters for agencies must be addressed.—Also, for sale by P. H. Curry, Allegheny city; P. Brooks, jr., Brownsville; George Baird, Washington; John H. Buchanan, Hickory; George Keyser, McKeesport; Dr. Wolcott, Greensburgh; and by merchants and druggists generally. [ap5

Public Attention

To respectfully invite to the following truths, set forth in relation to one of the most important Remedies of modern times!

PETROLEUM OR ROCK OIL;

IT is not more than one year ago since this great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we always hear the highest encomiums bestowed upon its great fame spread. It is not the remedy of a day, got up for the sole purpose of making money; but, from what we conceive, will continue to be used when all nostrums have been forgotten. The PETROLEUM is the production of a few days, wrought from the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a remedy, that we do so in a candid and straightforward manner; calculated to deceive those who may trust our word or put confidence in our statements. The sick are very easily deceived, and are ever willing to grasp at any relief, or ease. A story can hardly be too highly wrought to answer the object of gulling or humbugging some of them. We, we do not, we cannot, we will not, we dare not, say that the truth in relation to our Remedy should be told, in order to induce the first reputation for exceeding any single article of the *materia medica*. Plain, unvarnished facts—facts that may be ascertained in our own city and several wonderful cures, has already published between our selves and the public, we simply state, that the PETROLEUM, or ROCK OIL, is a powerful remedy in the treatment of several diseases, such as Rheumatism, Pain in the side or in any part of the body, Contracted Limbs, Sore Throat, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Dyspepsia, Costiveness, Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin, Pimples on the face, Chronic Sore Eyes, Ringworm, Tetter, Scald Head, Pain in the bones and joints, old sores, Ulcers, Wens, Tumors, Scrofula, Cancer, Spinal Irritation, Fever and Ague, Chronic Coughs, Asthma, Bronchitis, and all Pulmonary affections, (we will leave that Fairness to be made by machinery superior and much lower than by the old process, and the public trade is respectfully invited.

A party inspired for the whole term of life may at any time borrow *one-half* the amount of annual premium, without note or security, or deposit of policy, and is entitled to division of profits.

He may at any time surrender his policy, and receive back as value thereof one-half the gross sum paid by the party on annual common premium.

A party already insured for whole *life* may, on payment of a small sum, convert his insurance into a new policy upon the long term of life system.

Parties already insured and entitled to a *two-third* loan, are not shut out from good two-third loan, if they prefer it, upon the terms stated in the Society's pamphlet.

A party may, at a moderate annual premium, insure for life, and he survive to reach the age of 60 years, *the full sum insured up to $15,000, will be paid to him*: or if he dies before reaching that age, the full sum insured will be paid to his family or legal representatives.

It has become customary in the Atlantic cities for congregations to insure the lives of their Pastors, and on Christmas or New Year's day to make the family a present of the policy. This is a delicate and yet excellent way of showing their regard for their Minister, and is followed in very many cases is scarcely equal to his immediate wants. To the man of family, it is a gift of no ordinary consideration beyond expression to know that his helpless little ones are thus provided for.

Churches have involved, would do well to insure the lives of one or more of the trustees, at whose demise the church would be applied to liquidate the debt.
