The Allegheny Bridge Case.—Messrs. Alden & Woods yesterday served the following notice on Messrs. Loomis, Shaler & Stanton:

Commonwealth ex relations James Todd.
vs.
The President, Managers & Company for erecting a bridge over the Allegheny river, opposite Pittsburgh.

In the Supreme Court of Pennsylvania, for the Western District, of September and October Terms 1850. No. 65.

Gentlemen: Take notice that we shall, as attorneys for the relator, in the above case, move the Supreme Court at Sunbury, on Monday the 21st day of July instant, to rescind the order directing the Court of Common Pleas, of Allegheny county, to try the issues in the above cause and at the same time to grant an order directed to the Court of Common Pleas of Washington county, to try the said issues, on the ground that the Court of Common Pleas, of Allegheny county, after repeated motions in that behalf, has hitherto and still neglects to issue a *venire facias juratores*, for the purpose of preventing a trial of said issues, in time for return to the Supreme Court, at its next session, in September and October, in this city.

T. J. FOX ALDEN,
ROBERT WOODS,
Attorneys for Complainant.

July 10th, 1851.

To Messrs. Loomis, Shaler and Stanton, Attorneys for Respondent.

Attempted Robbery.—The Enterprise of yesterday says that a bold attempt was made last night, about one o'clock, to break into the store of Mr. G. R. Adams, on Federal street. While endeavoring to force the door on Water alley open with a bar of iron, the noise aroused Mr. A. Ⓐ On going to the window, he discovered the burglar standing at the door, and presently he walked off as deliberately as though he was on his own dominions. We are requested to invite the "stranger" back, and on his return he will doubtless meet with a warm reception, and a *striking* illustration of the manner in which the *ball* might be put in motion.

Singular Trial.—A woman who lives in Hardscrabble, in the Eighth ward, yesterday went to complain of persons, who had, as she alleged, committed an assault and battery upon her. They were arrested and brought down, together with a number of witnesses. When the case was examined, it was found that almost the whole party were to blame. The informant, three of the defendants and four of the witnesses were fined one dollar each and the costs, which they paid and were discharged, vowing never to go to law again.

Nearly Drowned.—A number of the United States recruits went to the Allegheny river, on Wednesday night, to bathe, and while in deep water, one of their number, a man named Baxter, was seized with the cramp, and sank. He would undoubtedly have been drowned, had not two young men named Jeremiah Lutz and David Morrison, who were standing on the bank, plunged in and rescued him from a watery grave.

Passing Counterfeit Money.—Michael Donoghue was yesterday committed to prison by Mayor Guthrie, charged, on oath of George Stoops, with passing a two dollar counterfeit bill, on the Farmers' Bank of Lancaster, upon him.

Beating His Wife.—William Daily was yesterday committed to prison by Mayor Guthrie, charged, on oath of Adeline Dailey, with assault and battery.

Bathing.—The police should certainly prevent persons from bathing in the river, near the St. Clair street bridge, during daylight.

Marine Hospital.—There are now ten patients in the United States Marine Hospital, under the able medical superintendence of Doctor J. J. Myers.

Letting.—The grading and paving of Magee and Chesnut streets was let out yesterday by the Street Committee.

Mayor's Levee.—The Mayor's levee yesterday was attended by five common cases, three of whom paid their fines, and two were committed.

ST. LOUIS MARKET.

ST. LOUIS TIMES OFFICE,
Wednesday Evening, July 9, 1851.

There is no material change to note, unless it be a slight improvement in corn. The river opposite this point has been stationary for the last 48 hours.

By the monthly receipts for the last half year, it will be perceived that those, the growth and produce of the west, have immeasurably declined during the month of June—usually one of the busy seasons of the year. This is owing entirely to the visitation of high water, and affords a clue to the limited business recently effected in this market. July and August, however, may be better business months, and better than those of corresponding seasons. The produce is still in the country, and must come forward if there should be even a moderate stage of water.

TOBACCO—At the Planters' warehouse, on Monday, sales of 1 hhd lugs at $2 35; 1 do leaf at $4 25; 1 do on $5, and 1 do do at $5 20 per 100 lbs. Yesterday, sales of 1 hhd lugs at $2 40; 7 do seconds at $12@33 25, and 12 do leaf at $4@$10 65 per 100 lbs. To-day, 10 bxs assorted grades, at $2 70@$3 90; 1 hhd seconds at $1 65, and 4 do leaf at $4 00@$7 40 per 100 lbs.

HEMP—Sales on Monday of 422 bales, as follows: 26 bales, at $72; 66 do, at $75; 79 do, at $76; 27 do, at $77; 91 do, at $78; 21 do, at $80; 27 do, at $81 50, 22 do at $83; and 54 do, at $83 per ton. Yesterday, sales of 462 bales, as follows: 16 bales, at $73; 9 do, at $75; 56 do, at $77; 22 do at $80; 168 do, at $82; and 292 do, at $83 per ton. To-day, 132 bales, as follows: 30 bales, at $70; 16 do, at $72; 30 do, at $75; and 56 do, at $80 per ton.

LEAD—Sales of 1,067 pigs upper mines, in two lots at $4 35 per 110 lbs.

LIVE STOCK—There is little demand for shipment, and buyers are offering only from $4 to $4 50 for good beef cattle. Small lots of choice, for the block, command a shade higher. Hogs may be quoted at $4 12½@$4 25 per 100 lbs. Sheep are quite dull, and scarcely saleable at any price.

FREIGHTS TO NEW ORLEANS—Flour 25c; pork 40c; whiskey 45c; corn 7c; bacon 50c; lard 50c; cheese and lard 17c; hay 23c; lead 8c; hemp 85; tobacco $4 50; cattle 85, &c. &c.

Mann's Double-Lever Letter Copying Press, and Metallic Dampener.
MANUFACTURED BY THE SUBSCRIBER.

Sizes of Presses and Dampeners—Letter, 10 by 13; Foolscap, 10 by 15; Folio Post, 11½ by 17½; Manifest, 18 by 21.

A Time saving, Labor-saving and Money-saving Machine.

THIS PRESS and DAMPENING CABINET presents many and decided advantages over previous inventions for the same object.

1st. The Press does not require fastening down.

2d. Through two levers and eccentric joints the pressure is obtained with more ease, and much quicker than by other methods.

3d. The power is applied so equally, that the Press is not liable to break or get out of order.

4th.—The Dampening Tablet is made a substitute for the brush, blotting paper and wet-cloth, saving all the trouble incident to their use, and is worth its weight in gold.

The Tablet may be used as a paper weight when the Press already in use, and for that purpose will be sold separately.

Letters can be copied with this Press and Dampener in three seconds, without blurring the original or the copy.

MANN'S PATENT IMPROVED MOVABLE DAMPENER.

For keeping in a Book-like form. Music. Original Invoices. Letters. Periodicals, Newspapers, Drawings Bank Checks, or any other paper that may be desirable. This invention, it is confidently believed, is the best ever presented to the public for the purpose for which it is designed, and will furnish to the neat
