Scrofula, Kings Evil, &c.

SCROFULA in all its multiplied forms, whether in the form of King's Evil, Enlargement of the Glands, or Bones, Goiter, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanates from one and the same cause, which is a poisonous principle, or virus inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected; but if the principle upon which the disease depends is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. Jayne's Alterative is the most always successful in removing these diseases, besides which it destroys the virus or poisonous principle from which those diseases have their origin, or generated in the circulation, and with the blood is conveyed to the minutest fibres; removing every particle of disease from the system.

Jayne's Alterative Expectorant, Carminative Balsam, Vermifuge and Sanative Pills.

LIFE RESCUED FROM THE GRAVE.

BARR,

(LATE J. S. SPENCER,)

Manufacturer of Phœnix Fire Proof Safes,

Second street, between Wood and Smithfield.

ON Thursday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lapercent & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 5 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, the Safe cooled, and door opened—the books, papers and money safe. Their heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof. WM. KAYE.

In calling upon the above gentlemen for their signatures, they spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes.
