Dr. Jayne's Family Medicines

EXTRACT of a letter from the Rev. G. L. Abbas, a well known and highly esteemed Missionary in the kingdom of Burmah, dated

SANDWAY ARRACAN, February 1, 1849.

Dr. D. Jayne, Philadelphia. My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable medicine in this country in bowel complaints, and has been used in all our Missions with the most gratifying success. I have known it in many cases to act like a charm. Your SANATIVE PILLS are my sheet anchor—The best medicine for my liver complaint and pains in the side that I have ever used. They are to great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a tonic in intermittent fevers, with the most complete success. I think it one was the means of saving my own son. During my travels among the churches the past season, I found a whole village suffering under a fever resembling intermittent fever, with the most violent character. Often regretted I had not a dozen or two of your EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions.

Affectionately yours, &c., G. L. ABBOTT.
