Daily Morning Post.

FRIDAY MORNING.....APRIL 9.

River Intelligence, &c.

The River.—The river is once more in a regular stage for boating purposes. It is represented that the loss will be very large, as great quantities of lumber have been swept away.—The rise has had the effect of bringing to our wharf, large lots of lumber and pig metal by the Allegheny river.

The Pittsburgh is the regular Cincinnati packet this morning. It is needless for us to say anything in favor of this peerless steamer. It is well known that she cannot be excelled in speed, by any boat in the west.

Business did not appear to be very brisk on the wharf, yesterday. Several boats left for below, well freighted.

Horticultural Society.—The Horticultural Society met on Wednesday, in the room of the Board of Brokers, John Chislet, Esq., in the Chair, and Henry Woods, acting as Secretary.

The seventh article of the Constitution of the Society was amended to read as follows:—"All elections of new members shall take place at any stated or special meeting of the Executive Committee, or of the Society."

A committee of five, consisting of Messrs. John Murdoch, jr., Lowen, James Murdoch, Herspberger, and Wardrop, were appointed to prepare a list of premiums to be competed for at the next Fair.

It was decided not to give a spring, as well as a fall exhibition.

The Auditing Committee reported, that after meeting all demands, a balance of $124,83 remained in the treasury.

Other unimportant business was transacted.

Steamboat Robbery.—The steamer Pittsburgh, while lying at the Cincinnati wharf, on Sunday morning last, was boarded by thieves, who entered near twenty of the state rooms, and robbed the passengers of money, amounting to $2,000, and two valuable gold watches were also taken. Mrs. Headley, Captain Smithers, Mr. Griswold, and a Philadelphia officer, were the principal losers. Several rooms were entered by the thieves, who were interrogated by the passengers awake as to their business. The thieves would reply, "Beg your pardon sir, we have mistaken the room," thus they passed on without even the least suspicion being aroused. The *Commercial* says the Police were informed that several noted thieves were seen going on board of the boat, and that they would be arrested.

Another.—A German made information on Wednesday, that he had been robbed of a sum of money, on the steamer Paris. Officer Hague, with his usual promptitude was on the spot, and having seen a noted steamboat thief on the steamer Brilliant, he gave chase, but the thief succeeded in getting off.

Common Council.—This body met on Monday evening, for the purpose of electing tax collectors: the Select Council met them in joint meeting, and the following persons were elected:

Caleb Russell first ward; John M'Kee second; Joseph M'Cullough third; Richard Hope fourth; John Lowry sixth; Henry Lytle seventh; John A. Sargeant eighth, and James M'Cune, ninth ward.

A resolution was adopted authorizing the Chairman of the Finance Committee to sign all warrants now due, and falling due, on the Treasurer in the absence or illness of the Mayor.

Messrs. M'Auley and Young were appointed on the part of the Common Council, as a building committee, in connexion with the Diamond Market House Association.

Acquitted.—Louis H. Piaget, indicted for larceny, alleged to have been committed in stealing a number of boots, models, plates, &c., from the jewelry store of Samuel Eakens, on Union street, was acquitted yesterday. This case occupied the Court nearly two days, and excited a great deal of interest. Messrs. Darrah and Irwin, appeared for Piaget, and Col. Black for the Commonwealth, and argued the case with their accustomed ability.

An Assault.—A warrant was issued yesterday, by Alderman Parkinson, of the Fifth Ward, for the arrest of Amanda Marshall Broke. It appears that Amanda made an assault on the person of John F. Hutchinson, with a mallet, broke the windows of his dwelling, and made threats calculated to operate against the peace and quiet of his life. As we have stated, a warrant was issued, but Amanda had not been arrested when we left the Alderman's office.

The Weather yesterday was a *little* different from the day before. We note this fact, not because there is any thing remarkable in the weather changing, but merely to record the fact that we had a drizzly, rainy, muddy, disagreeable day yesterday; and the sun looked so pale and yellow behind the clouds, that we almost wished the light of Sol's countenance was totally obscured—for the day only.

Fine Lithograph.—We have in our counting room, a finely executed lithograph of Gen. Larimer, executed by Wegner, Buechner & Mueller, lithographists, of this city. It is one of the finest we have seen, and we think exceeds any thing of the kind ever before executed in this city. It shows the General's good looking countenance, in a manner that his many friends will be pleased to see.

June's Circus.—This circus opens out for this season, on Monday evening next, in front of the American Hotel, Penn street. Mile. Tournaire, the celebrated lady equestrian, belongs to this company, and will give specimens of her splendid horsemanship. Many other are in the company, who," with their several powers of amusement will tend to make an evening pass pleasantly.

Assault and Battery.—Robert Sterling laid a complaint yesterday, before Alderman Parkinson of the Fifth Ward, charging William Henderson with assault and battery. The difficulty it appears, occurred in a glass-house. A warrant was issued for the arrest of Henderson.

Killed.—Louis Berry, of Brownsville, first engineer of the Redstone, was killed by the explosion of the boilers of that boat, on Saturday, the 3d, at Scott's Landing, three mills above Carrolton. His brother, Joseph W. Berry, second engineer, was also killed.

The Ladies Bible Society of Allegheny, have elected the following officers for the ensuing year—President, Mrs. Swirr; Vice President, Mrs. Irwin; Secretary, Miss M. Herron; Corresponding Secretary, Mrs. Hays; Treasurer, Mrs. George; Librarian, Mrs. Patterson.

Fined.—Thomas Rowan was brought before Alderman Lewis, on Wednesday, charged with peddling good, on the street, without a license. He was fined $50, and in default of payment, committed to prison.

Burt Mackay.—This genius who formerly flourished in Pittsburgh, is now in Cincinnati.—The *Commercial* gives a short account of Mackay, very much to the point.

Patrick Goghegan, a workman in Lyon & Shorb's Rolling Mill, in South Pittsburgh, was severely burned on Wednesday, by a mass of boiling metal bursting.

Stuck.—One of the boats that was drifted off the stocks, at Brownsville on Monday, is now lying across Lock No. 2.

Committed.—Mayor Fleming committed a man to prison yesterday, for indulging too strongly.

COURT OF QUARTER SESSIONS.

THURSDAY, April 8.

On the Bench—Hon. Wm. B. M'Clure, President Judge; and Wm. Bogge, Esq., Associate Judge.

Commonwealth vs. Benjamin N. Argust. Indictment—Assault and battery, with intent to commit a rape. The jury returned a verdict of not guilty, and the prisoner was discharged.

Commonwealth vs. Thomas Longwell, et al. Indictment—Forcible entry and detainer. The jury returned a verdict of not guilty, and the prosecutor, David H. Kennedy, to pay the costs.

Commonwealth vs. Benjamin H. Mahnbury. Surety of the Peace, on oath of Joshua Pearson. The prosecutor was sentenced to pay the cost.

Slide on the Railroad.—No further delay is anticipated from this cause, as a strong force of workmen will be employed in repairing the road and removing obstructions. The freight train, due on Wednesday evening, arrived yesterday morning. The accommodation train performed the regular trips yesterday. The express train had an unusually large number of passengers yesterday morning, on their way West.

Theatre.—To-night Mr. Roberts appears in the character of "honest, honest Iago," in Shakspeare's powerful tragedy of Othello; with Mr. Brelsford as the Moor, and Miss Wheelerns the gentle Desdemoia.

Mr. Roberts takes a benefit on Saturday evening, when he will appear in Shakspeare's play of Richard III.

Saving Bank.—The following gentlemen have been elected officers of the Fifth Ward Savings Bank, for the ensuing year:

President—James Laughlin.

Directors—John Ralston, James Blakely, Thomas Hays, John Lindsey, Augustus Hoevelor, and B. F. Jones.

Throwing Stones.—A man was severely injured yesterday on Washington street, near Wylie, by a boy hitting him with a stone, in the stomach—the stone was intended for another boy, but missed him and hit the gentleman alluded to above. A warrant was issued by Alderman Major for the arrest of the boy.

Stealing Rope.—Two men were arrested yesterday, and taken before Alderman Steel, charged with stealing rope from the steamer Allegheny. The matter was settled by the payment of costs, and by them paying back the rope. A queer article, a rope to steal.

A Ferocious Dog.—A man named David Williamson, was bitten very badly by a ferocious dog, in the Fifth Ward, yesterday. He made complaint before Alderman Parkinson, against the owner of the dog, a man named Harper, for keeping a ferocious and dangerous dog.

Books Open.—Books will be opened to-day in Allegheny City, at the office of Robert H. Davis, to receive subscriptions to the capital stock of the Allegheny Gas Company. The price of shares is $26, and $5 to be paid at the time of subscription.

Arrested.—A negro was arrested yesterday, charged with striking a man with a stone, on Second street. The negro made himself scarce, and the officers followed, until they finally caught him in the upper part of Birmingham.

☞ We would call attention to the large sale of desirable dry goods, &c., this afternoon at 2 o'clock at the store of J. V. Diller, corner of Market and Fourth streets, by P. M. Davis, Auctioneer.

Stolen.—Capt. M'Clintock, of the steamer Irene, had a fine coat stolen from his state room yesterday.

Coats.—Sarah Snyder was committed to jail by the Court yesterday, for costs.

Alderman Lewis committed three persons to prison yesterday morning for drunkenness.

TELEGRAPHIC NEWS.

BY THE O'REILLY LINE.

XXXII CONGRESS—FIRST SESSION.

WASHINGTON, April 8.

SENATE.—Several petitions were presented by Mr. Douglas, who introduced a bill amendatory of the acts for the establishment of a Territorial Government in Oregon and Minesota.

Mr. Borland's resolution calling for information relative to the expedition to Japan, was taken up and debated.

Mr. Mason said he could not vote for the resolution, as he thought the President would do right in the matter.

Mr. Borland replied at length, urging the propriety of its passage.

After some debate, the resolution was postponed.

The chair laid before the Senate a report from the Secretary of War, in reply to a resolution stating that several officers of the army in California had made contracts for supplying the army with provisions, and that one had been tried, and acquitted on the ground that the law did not prevent it.

The Secretary has issued orders for the prevention of such contracts in future, and recommends that laws be passed prohibiting any officers from being concerned in any contract for furnishing supplies. Referred.

The apportionment bill was then taken up.—Mr. Downe's amendment to increase the whole number to two hundred and thirty-five, so as to give one to Louisiana for her fraction, was rejected.

Mr. Bradbury's amendment was then agreed to, that the State of California be entitled to the number of representatives prescribed by the act admitting said State into the Union, and that for this purpose the act of May, 1850, providing for an apportionment among the several States be so amended that the whole number shall be 234 instead of 233, until there shall be an apportionment under the new census. Subsequently the vote on agreeing to this amendment was reconsidered and the Senate adjourned.

HOUSE.—The House proceeded to the consideration of the Senate bill, to enforce discipline and good conduct in the Navy.

Mr. Bocock addressed the House on the bill. Before he had concluded, the House went into a Committee of the Whole on the Homestead bill.

Mr. Everett concluded his remarks commenced yesterday, in opposition to the measure.

Mr. Polk followed in favor of the bill, and then proceeded to say that he was one of those, called young Americans, who lived up to the progress of the times. Hesaid he was in favor of the nominee of the Baltimore Convention. He had his preferences, but could not aim a blow at old Lewis Cass. He charged the whigs with favoring the Abolition agitation. Without the Northern Abolitionists, there would be no Whig party. Referring to Gen. Scott, he asked whether his friends would tell him what Scott is for? if he is in favor of a change in the Fugitive Slave law?

Mr. White, of Kentucky, said that he was authorized to say for Gen. Scott that he is opposed to any alterations of any measure contained in the Compromise.

The debate was continued in the same strain by Messrs. Burton, Pope, Campbell of Ohio, Outland, Chandler, and others. The House had not concluded the debate when the hour of adjournment arrived.

RHODE ISLAND ELECTIONS.

PROVIDENCE, April 8.

There is little doubt but that the Whigs have elected a senator and ten representatives. In Providence two representatives are in doubt—The present probability is against Lawrence, the democratic candidate for Lieut. Governor, and in favor of Allen.

PROVIDENCE, R. I., April 7.

Washington county has given Harris, whig, for Governor, 1194; Allen, dem., 1013. The whigs gain three senators and three representatives in Washington county, and lose one representative and one senator in Kent.

LATER.

PROVIDENCE, April 8.

Allen, the Democratic candidate, is elected Governor by 300 maj. Lawrence, the Democratic candidate for Lieut. Governor is badly defeated. The Whigs have two majority in the Senate over all, and eight in the House.

A proposition will be made to divide the State into two Lodges, one for the East and one for the West.

WEEKLY REVIEW OF THE MARKET.

OFFICE OF THE DAILY MORNING POST,
Friday, April 9, 1852.

REMARKS—Since our last general review of our markets the weather has been exceedingly wet and disagreeable for out-door operations. Transactions, in consequence, were more restricted. The frequent heavy rains during the week have raised our rivers higher than they have been for many years. The amount of property destroyed along them is reported as immense. On Tuesday, lumber, barns and stacks of hay were seen floating down the Monongahela, opposite our city. In the market we have no change of importance to note, except in Sugar, Molasses and Bacon, which continue firm, with a tendency of still further advancing. Flour remained stationary up to Tuesday evening, when the news by the steamers Baltic and Africa was received, which buyers were not willing to pay over $2,00. The price has now settled down to $2,90@2,95.

ASHES—We have no change to note in Ashes, but continue to quote Soda at 3¾@4, cash and time. Pearls 4¾@4¾. Solecaus 4½@4¾.

APPLES—The market is barely supplied with Green Apples, with sales at 3,00@4,00 ⅌ bbl.

LARD—There continues a regular brisk demand for this article. We quote Manufacturers' prices—regular discount off for cash.

Bavarian Beer, per bbl $6 00
Common, per bbl 6 00
XX do 7 00
XXX do 9 00
Common, half barrels 3 50
XX do 4 50
XXX do 4 50
Common, qr. barrels 1 75
XX do 2 00
XXX do 2 25

BLOOMS—The demand for Blooms continues limited, and principally confined to small lots to manufacturing, we quote at $54@55 per ton.

BUCKWHEAT FLOUR—The season for this article is about over, and very little demand; we therefore quote nominal at $1,37½@1,50 ⅌ 100 lbs; by the sack 75@87 cents.

BROOMS—The stock is large and prices nominal.—We quote at from 75c; $1,00 to $1,25@1,50 from store.

BEESWAX—There is but little offering; good lots of Yellow we quote at 22@23c.

BEANS—Scarce and much wanted; small white would readily command $1,75; mixed $1,25@1,50.

BUTTER—The market entirely bare, with an active demand for both roll and Ext. We have sales of 2 bbls in lots of roll at 22@25. In keg we have no sales worth noticing, for want of stock to operate on; we quote nominally at 12@14.

BULK MEAT—The sales since our last review have been limited, as the season is nearly over. The transactions which have come under our notice were 6,000 lbs. rough at 7½; 100,000 do. 7½, in an eastern purchaser.

BACON—There continues a brisk demand for all descriptions of Bacon in small lots, considering the continued high prices. Among the sales during the week we notice the following:—914 ps Sides at 8¾; cash; 700 lbs Shoulders 7¾; 650 pieces Shoulders and Hams at 7½@8; 20,000 lbs. Ham, Sides and Shoulders at 9@9¾; 400 lbs. do. same price; 20 hhds Shoulders at 7½@8; 8 hhds. do. Shoulders 7¾; 5,000 pounds at 7¾; 5,000 lbs. Hams and Shoulders at 7½@8; 10,000 lbs. Shoulders at 7¾; 1,000 lbs. Hams at 9½@9¾; 10,000 lbs. Sides on private terms; 1,500 lbs. Shoulders and Hams at 7¾; 6,000 lbs. Hams at 9¾; 500 lbs. Hams at 9¾; 800 do. 9¾; 800 lbs.
