ADDITIONAL SALE OF

Forty Town Lots in East Liverpool, O.

THE recent unprecedented sale of Lots in the above thriving Town having nearly exhausted those previously laid out, and the demand still continuing, the undersigned has been induced to lay out a portion of his property in town into lots as above, and offers them for sale at prices and terms that cannot fail to meet the views of those wishing to purchase. It is needless to say anything of the location of the town and prospects, it having been sufficiently described in recent advertisements; other than that over one hundred lots have already been purchased by those wishing to procure a desirable home.
The above lots are one of the most eligible and desirable in the place, and are principally located in the centre of those recently sold.
For information, apply to the proprietor in Liverpool, or to James Blakely, Esq., Fourth street, Pittsburgh.

Drugs and Medicines.

Coughs and Colds Cured in 48 Hours.

SINCE the introduction of this new compound, Coughs and colds are cured in a very short time. We will warrant Dr. Keyser's Pectoral Syrup to cure leases of Coughs, Colds, Bronchitis, Laryngitis, in less time and at a cheaper rate than any other medicine ever discovered.
IT HAS AN ENTIRELY NEW ACTION—The old Cough Medicines always sicken the stomach and produce nausea which is more disagreeable than the Cough itself. This is obviated in this mixture, for it is a pleasant soothing article and it will cure, *or the money will be refunded!* The evidence in favor of this medicine in our city, from our own citizens, should convince any one of its efficacy. It is the prescription of a regular physician; and has been used by him in his own practice for a number of years, with the most heroic success.
CONSUMPTION—A lady from Steubenville writes that her daughter had been afflicted with a Cough and expectoration, night sweats, hectic fever, and all the distressing symptoms of consumption, and that after taking two bottles she was entirely cured. A gentleman in Washington county, who has suffered with Asthma and Chronic Cough for eight years, has been entirely relieved and the cough removed by the use of half a dozen of bottles of the Pectoral Syrup. A gentleman from Peoria, Illinois, writes that "he knows no Pectoral Syrup to be a good article, for he has used it in his own case and in the cases of members of his family with the most perfect success."
IT IS ONE OF THE CHEAPEST MEDICINES NOW KNOWN.—It is put up in half pint bottles at 50 cents each, or six bottles for $2.50.
COUNTRY STORKEEPERS would do well to keep a supply of this Medicine on hand all the time, as it is one of the most perfect and efficacious remedies ever discovered for all coughs and diseases of the lungs and incipient *Consumption.*
CAUTION EXTRA—Many persons will try to get you to buy some one of the various nostrums, but do not heed them. If you want to get well, buy Dr. Keyser's PECTORAL SYRUP, and take no other; this will cure you. It has in it some of the most valuable plants and herbs of the materia medica, and is compounded by a person skilled in the healing art. There can be no deception in this medicine. It is prepared in your own city, and the proprietor has numerous certificates, attesting its valuable properties, which will be shown to any person desirous of seeing them.
AGENTS WANTED throughout the United States to sell this medicine. Large discounts will be made to those who purchase to sell again in the country. It will pay a large profit to all agents; besides, they will be doing suffering humanity a service by placing in their hands the greatest medicine for Lung Diseases ever before produced.
For sale, wholesale and retail, by KEYSER & M'DOWELL, Druggists, 140 Wood street, Pittsburgh, Pa., to whom all letters for agencies must be addressed.—Also, for sale by R. M. Carey, Alleghany city; R. Bokerr, jr., Brownsville; George Baird, Washington; John H. Buchanan, Hickory; George Keyser, M'Keesport; J. D. Yowell, Limonsburgh; and by merchants and druggists generally. [ja25

Public Attention

is respectfully invited to the following truths, set forth in relation to one of the most important Remedies of modern times!

PETROLEUM OR ROCK OIL;

IT is not more than one year ago since this great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become widely spread by the community, and we allege that the longer it is tried the more certain will its great powers be proved to be the remedy of a day, got up for the sole purpose of making money by the sale of which we conceive, will continue to be used when all nostrums have been forgotten. The PETROLEUM is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a medicine, that we write TRUTH—that we say nothing calculated to deceive those who may trust our word or put confidence in our statements. The sick are very apt to catch at any thing that promises relief from disease. A story can hardly be too highly wrought to answer the object of guiling or humbugging some of them. Now, we do not desire to do this; we are anxious only that the truth in relation to our Remedy should be told, in order to secure for it a reputation to prove equal to single article of the *materia medica*. Plain, unvarnished facts—facts which we can substantiate to our own city and Allegheny, (late the Reserve tract, Ross township, opposite the Northern Liberties of Pittsburgh,) being lot No. two hundred and forty-five (245) in the plan of said out by G. E. Warner, Jacob Painter and F. Lorenz, containing in front on Main street twenty-three feet six inches more or less, and extending back of that width on the front thereof a two story brick building, about twenty feet front by forty feet back, with a back building, and a little two story frame building, fronting on Carpenter alley.

Clothing! Clothing

THREE BIG DOORS!
JOHN M'CLOSKEY,
Wholesale and Retail Dealer in Clothing, 151 Liberty st. Pittsburgh, Pa.

MY stock of Fall and Winter Clothing is now ready, amounting to upwards of $100,000, which I think will be found to by one of the choicest selections of garments ever got up in this or any other city in the Western country.
My purchases having been all made early, I have therefore avoided the late advances made in almost all descriptions of Woollen Goods, and am therefore enabled to offer my stock at unusually low prices.
I would respectfully request a share of the attention to the manufacturing and style of my garments, so that the very lowest prices as well as the finest are got up in a style and elegance not to be surpassed. Hundreds of new customers, both wholesale and retail, have been attracted as much by the superior make of the clothing as by the lowness of my prices.
The proprietor would particularly call the attention of all dealers in Clothing to his present stock, believing that upon examination of the quality and prices of his Goods they will be induced to purchase at his establishment. The wholesale room now contains upwards of 2,000 garments, from the finest in quality to the lowest in price.
The proprietor is now determined to make this department a point of great attraction, and with this view he is constantly on hand a large quantity of goods suited to every section of the United States.
In the cutting department will always be found a very large selection of all the choicest makes of Cloths, Cassimeres and Satins, to be found in the eastern markets.
He is prepared to make clothes to order in the shortest notice in the latest and most fashionable styles.
He respectfully invites all his friends and customers, as well as the public in general, to call and examine for themselves. [feo13
