LIPPINCOTT & BAIR,
(LATE DAVIS & SHEPHERD, & CO.)
Manufacturers of Plastic Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippincott & Bair, to witness an honest and fair test of one of their Plastic Safes. The furnace being prepared, the Safe was placed therein with the usual papers and accompanying articles; the door of the Safe was closed and the fire kindled at a quarter past 9 o'clock, and in a short time the Safe was red hot, and continued so for full 2 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The books were in good order, with the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fireproof. JAMES DARRAH,

In calling upon the above gentlemen for their signatures, they displayed in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire proof. We have constantly on hand and for sale a full assortment of the above Safes.
