JOSEPH LEFENGOTT'S NEW ST. CARL LEFENGOTT & BARR, (LATE J. S. STRICKER & CO.) Manufacturers of Phœnix Fire Proof Safes, *Corner of Liberty and Wood streets, Pittsburgh.*

ON Tuesday afternoon, July 25, 1849, the undersigned were called upon by Messrs. Lippencott & Baird, to witness a test of their Fire Proof Safe, made by this Safe. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when it was exposed to the action of the fire for about a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued full half part of o'clock, fire burning four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then drawn, and the Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mounting. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof. JARVIS & HARDING, NYE & STEWSON, CORNWALL & BROTHER, BRANNON & THATCHER, BENEDICT & CARTER, ISAAC CROMIE.

I am engaged in the foundry business, and know something about furnaces and heat. I witnessed the burning of the above Safe, and can read easy for a book no bumbug about it, and with pleasure recommend them to the public as being, in my judgment, entirely fire-proof. BELL & TERRY.

In calling upon the above gentlemen for their signatures, they spoke in the highest terms of the firmness of the Safe and full confidence of the Safe's being entirely fire-proof. We have constantly on hand sufficient sale a full assortment of the above Safes. BELL & TERRY.

Drugs and Medicines.

Coughs and Colds Cured in 48 Hours.

SINCE the introduction of this new compound, Coughs and colds are cured in a very short time. We will warrant Dr. Keyser's Pectoral Syrup to cure cases of Coughs, Colds, Bronchitis, Laigoths, in less time and at a cheaper rate than any other medicine ever discovered.

IT HAS AN ENTIRELY NEW ACTION—The old Cough Medicines always sicken the stomach and produce nausea which is more disagreeable than the Cough itself. This is obviated in this mixture, for it is a pleasant soothing article and it will cure, or *the money will be refunded.* The evidence in favor of this medicine is overwhelming, from our own citizens, should convince any one of its efficacy. It is the prescription of a regular physician, and has been used by him in his own practice for a number of years, with the most heroic success.

CONSUMPTION—A lady from Steubenville writes, that her daughter had been afflicted with a Cough and expectoration, night sweats, hectic fever, and all the distressing symptoms of consumption, and that after taking two bottles she was entirely cured. A gentleman in Washington County, who had suffered with Asthma and Chronic Cough for eight years, has been entirely relieved and the cough removed by the use of half a dozen of bottles of the Pectoral Syrup. A gentleman from Peoria, Illinois, writes that "he knows the Pectoral Syrup to be a good article, for he has used it in his own case and in the cases of members of his family with the most perfect success."

CONSUMPTIVE OR THE GREATEST MEDICINE NOW KNOWN. It is put up in half pint bottles at 50 cents each, or six bottles for $2.50.

CAUTION—Some worthless rascals would do well to keep a supply of this medicine on hand all the time, as it is one of the most perfect and efficacious remedies ever discovered for all coughs and diseases of the lungs and incipient *Consumption.*

CAUTION EXTRA—Many persons will try to get you to buy some one of the various nostrums, but do not heed them. If you want to get well, buy Dr. KEYSER'S PECTORAL SYRUP, and take no other; this will cure you. It has in it some of the most valuable plants and herbs of the materia medica, and is compounded by a person skilled in the healing art. There can be no deception in this medicine. It is prepared in your own city, and the proprietor has numerous certificates, attesting its valuable properties, which will be shown to any person desirous of seeing them.

AGENTS WANTED throughout the United States to sell this medicine. Large discounts will be made to those who will take an interest in the medicine. It will pay a large profit even to all agents, besides, they will be doing suffering humanity a service by placing in their hands the greatest medicine for Lung diseases the world has ever produced.

For sale, wholesale and retail, by KEYSER & MCDOWELL, Druggists, 140 Wood street, Pittsburgh, Pa., who will attend to all orders and letters for agents promptly addressed. Also, for sale by D. M. Curry, Allegheny city; P. Brockett, Jr., Brownsville; George Baird, Washington; John Duncan, Hickory; George Keyser, McKeesport; J. D. Vowell, Canonsburgh; and by merchants and druggists generally. Attention! Public Attention

Is respectfully invited to the following truths, set forth in relation to one of the most important Remedies of modern times, namely,

PETROLEUM OR ROCK-OIL;

IT is now more than one year ago since this great remedy was brought into the notice of the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we are glad to state that the more it is tried, the more certain will its great fame spread. It is not the remedy of a day, or of a time, to serve a purpose of making money; but one which we conceive, will continue to be used when all nostrums have been forgotten. The PETROLEUM is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a medicine, that we write truth—that we say nothing calculated to deceive those who may trust our word or put confidence in our statement. The sick are very apt to catch at any thing that promises relief from disease. A story can hardly be too highly wrought to answer the purpose of gulling or humbugging some of this class. Now, we do not desire to do this; we are anxious only that the truth in relation to our Remedy, should be told, that it may be secure for it a reputation for exceeding any single article of the *materia medica.* Plain, unvarnished facts—facts that may be ascertained in our own city and neighborhood, bear ample testimony in favor of the Petroleum.

Within the past two months, two of our own citizens, who were *nearly blind*, have been restored to sight. Several cases of blindness, in the State of Ohio, have been cured. "And, also, there are 4 quadruplets in the river county. There is others; but these cases are near home, and may be referred to by any persons who may desire information on the subject. These cases were cured or they had been abandoned by physicians as hopeless. The Petroleum will cure, when used according to direction—Piertons, Dysentery, Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin, Pimples on the face Chronic Sore Eyes, Ringworm, Tetter, Scald Head, pains in the bones and joints, old sores, Ulcers, Wens, Tumors, Scrofula, Cancer, Spinal irritation, Fever and Ague, Chronic Coughs, Asthma, Bronchitis, and all Pulmonary affections of a chronic nature, tending to produce CONSUMPTION.

Also—In the cure of Gravel, Diseases of the Bladder and Kidneys, Clapped Hands, Excoriated Nipples, Corns and Bunions. In fact, it is a GREAT UNIVERSAL REMEDY, and we do not hesitate to say, that the sales of it for the past year with the most perfect success. Certificates that will astonish are in the hands of the proprietor, who will take pleasure in showing them to the afflicted or their friends.

Whatever others may say about their medicines, the Petroleum is now recommended by all the physicians of high standing in the profession are beginning to use it in their practice. Those who at first looked with doubt and carelessness, are willing to award it due praise and consideration. Before another year rolls round, it will be needless to acknowledge that the Petroleum is the greatest medicine ever discovered.

ANOTHER SCIENTIFIC WONDER! **PEPSIN!** THE TRUE DIGESTIVE FLUID. **Or Gastric Juice!** *A GREAT DYSPEPSIA CURER,*

PREPARED from Rennet, or the fourth stomach of the Ox, or Bullock, according to the Recipe of the great Physiological Chemist, by J. S. HOUGHTON, M.D., No. 11, North Eighth street, Philadelphia, Pa.

This is a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, JAUNDICE, CONSTIPATION, LIVER COMPLAINT, and DEBILITY,* acting after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest in a gentle heat, in a phial, or in the stomach, IN ABOUT TWO HOURS, out of the stomach.

SCIENTIFIC EVIDENCE!

Baron Liebig, in his celebrated work on Animal Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various substances, of food, as meat and eggs, will be digested, changed and digested, just in the same manner as they would be in the corresponding organ."

Dr. PERERA, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, says: "Pepsin is a very great fact, and describes the manner of its preparation. There are few higher authorities than Dr. Pereira."

Dr. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-pervading feature of Dyspepsia," and he states that "the distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, procured a Digestive Fluid, which he found from the stomach of living animals, which proved completely successful."

Dr. COLMAN, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology that the stomach of ruminants possesses, in fact, in part to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion, which is no wise different from the natural digestive process."

Dr. SIMON's great work, the "Chemistry of Man," (Lea & Lindenmann's Edition, 1845, p. 382,) says: "The discovery of PEPSIN forms a new era in the chemical history of Digestion. From recent experiments we know that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself."

Professor DUNGLISON, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with the artificial Gastric Juice, obtained from the living human stomach and from animals, are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

AS A DYSPEPSIA CURER,

Dr. HOUGHTON's preparation of PEPSIN has produced the most marvelous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It also tranquilizes Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once.—No matter how bad they may be, it GIVES INSTANT RELIEF! A *single dose removes all the unpleasant symptoms*, and it only needs to be repeated, for a short time, to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

Every bottle bears the written signature of J. S. HOUGHTON, M.D., Sole Proprietor.

Sold by agents in every town in the United States, and by respectable dealers in Medicine generally.

Bull's Sarsaparilla and the Cholera.

NOT a single man, woman or child has died of the CHOLERA out of the many thousands who used this invaluable preparation. Look at the city of Louisville, where this Sarsaparilla is made, and where from 150 to 200 bottles are retailed daily, but few isolated cases of Cholera have occurred, and they were either persons from home or those who disregarded our advice.
