The Human Body must Perspire,

(SO SAYS NATURE,)

TO HAVE A HEALTHY APPEARANCE,

And persons who do not perspire are liable to the most DISGUSTING SKIN DISEASES.

NOW, JONES' Italian Chemical Soap causes a free perspiration, and at the same time modifies, softens the skin, giving it the texture and beauty of an infant's.

SCURVY, SALT RHEUM AND SORES, are soon cured, healed, but cured by its use, as at least seven physicians in New York know, who use it in such cases, and find it unfailing—as also

PIMPLES, BLOTCHES, FRECKLES, or any other skin disease. The reader is assured that this is no useless puff, but a medicinal soap, and one that will prove a large bill.

SORE HEADS, SORE LEGS AND SORE BEARD. But, and the reader is again assured, it would not cruelly sell it for the above, unless I knew it to be all I state. Those who are liable to

CHAFED, CRACKED, OR CHAPPED FLESH, will find this not only a cure, but a preventive; and I can now only add, that any one afflicted with any of the above or similar diseases, will find this all and even more (admirable in its properties) than I state.

☞ But, reader, the market is now flooded with imitations, and he sure you ask for JONES' Italian Chemical Soap—and buy it only of WM. JACKSON, only Agent in Pittsburgh, 240 Liberty street, Pittsburgh, head of Wood

Jones' Lily White.

LADIES are cautioned against using common prepared Chalk.

They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow and unhealthy the skin appears after using prepared Chalk!

Besides, it is injurious, containing a large quantity of Lead!

We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE.

It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, subdued, clear, living white; at the same time acting as cosmetic on the skin, making it soft and smooth. Sold by the Agent, WM. JACKSON, 89 Liberty street, head of Wood, Pittsburgh. Price 25 cents.

Removal.

THE subscriber wishes to inform the citizens of Pittsburgh and the public generally, that he has removed his CARPET STORE from Nos. 61 and 63 Wood street, to the Apollo Buildings, on Fourth street, recently occupied by the Museum, and has connected therewith the adjoining rooms, formerly used as the Chronicle Printing office—which, in connection with his old room, makes the most spacious Carpet establishment in the country; and his advantages so far surpass any house in this city for space, arrangement and good light, that he is certain of suiting every person who may favor him with a call. His stock is complete in every article in his line, and great pains will be taken at all times to show goods to persons wishing to look or buy.

Drugs and Medicines.

Coughs and Colds Cured in 48 Hours.

SINCE the introduction of this new compound, Coughs and colds are cured in a very short time. We will warrant Dr. Keyser's Pectoral Syrup to cure cases of Coughs, Colds, Bronchitis, Liaguitis, in less time and at a cheaper rate than any other medicine ever discovered.

IT HAS AN ENTIRELY NEW ACTION—The old Cough Medicines always sicken the stomach and produce nausea, which is more disagreeable than the Cough itself. This is obviated in this mixture, for it is a pleasant soothing article and it will cure, or *the money will be refunded!* The evidence in favor of this medicine in our city, from our own citizens, should convince any one of its efficacy. It is the prescription of a regular physician, and has been used by him in his own practice for a number of years, with the most heroic success.

CONSUMPTION—A lady from Steubenville writes, that her daughter had been afflicted with a Cough and expectoration, night sweats, hectic fever, and all the distressing symptoms of consumption; and that after taken two bottles she was entirely cured. A gentleman in Washington county, who had suffered with Asthma and Chronic Cough for eight years, has been entirely relieved and the cough removed by the use of half a dozen of bottles of the Pectoral Syrup. A gentleman from Peoria, Illinois, writes that "he knows the Pectoral Syrup to be a good article, for he has used it in his own family and in the cases of members of his family with the most perfect success.

IT IS ONE OF THE CHEAPEST MEDICINES NOW KNOWN.—It is put up in half pint bottles at 50 cents each, or six bottles for $2.50.

COUNTRY STOREKEEPERS would do well to keep a supply of this medicine on hand all the time, as it is one of the most perfect and efficacious remedies ever discovered for all coughs and diseases of the lungs and incipient *Consumption*.

CAUTION EXTRA—Many persons will try to get you to buy some one of the various nostrums, but do not heed them. If you want to get well, buy Dr. Keyser's Pectoral Syrup, and take no other; this will cure you. It has in it some of the most valuable plants and herbs of the materia medica, and is compounded by a person skilled in the healing art. There can be no deception in this medicine. It is prepared in your own city, and the proprietor has numerous certificates, attesting its valuable properties, which will be shown to any person desirous of seeing them.

AGENTS WANTED throughout the United States to sell this medicine. Large discounts will be made to those who will take an interest in the medicine. It will pay a large profit to all agents; besides, they will be doing suffering humanity a service by placing in their hands the greatest medicine for Lung diseases the world has ever produced.

For sale, wholesale and retail, by KEYSER & M'DOWELL, Druggists, 140 Wood street, Pittsburgh, Pa.

Orders may be addressed to the proprietor.

Also, for sale by D. M. Curry, Allegheny city; P. Brocker, jr., Brownsville; George Cannon, Washington; John H. Buchanan, Mt Pleasant; George Keyser, M'Keesport; J. D. Vowell, Canonsburgh; and by merchants and druggists generally.

Public Attention

Is respectfully invited to the following trials, set forth in relation to one of the most important Remedies of modern times:

PETROLEUM OR ROCK OIL!

IT is not more than one year ago since the great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we allege that the inquiry now is, is it tried the more certain will its great fame spread. It is not the remedy of a day, got up for the sole purpose of making money; but one, if properly conceive, will continue to be used when all nostrums have been forgotten. The PETROLEUM is a Natural Remedy, elaborated in the depths of the earth by a power, which laughs to scorn all human competition. It is our duty, when we write about medicine, also to caution the sick against being misled to deceive those who may trust our word or put confidence in our statements. The sick are weighed in and have divided among them, relief from disease. A story can hardly be too highly wrought to answer the objectof guiling or humbugging some of them. We do not desire to do this; we are anxious only that the truth in relation to our Remedy should be told, in order to secure for it a reputation not exceeding its merits, when compared with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known, "in all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

AS A DYSPEPSIA CURER,

Dr. Houghton's preparation of PEPSIN has produced the most marvelous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York, and Boston alone. They were scarcely all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for the Dissipated, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once.—No matter how bad they may be, it GIVES INSTANT RELIEF! *A single dose removes all the unpleasant symptoms*, and it only needs to be repeated, for a short time, to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

Every bottle bears the written signature of J. S. HOUGHTON, M.D., Sole Proprietor.

Sold by agents in every town in the United States, and by respectable dealers in Medicines generally.

ANOTHER SCIENTIFIC WONDER!

THE TRUE DIGESTIVE FLUID,

Or Gastric Juice!

A GREAT DYSPEPSIA CURER,

PREPARED from Rennet, or the fourth stomach of the Ox, after directions by Baron LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M.D., 11, North Eighth street, Philadelphia, Pa.

This is a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, LIVER COMPLAINT, CONSTIPATION, LIVER COMPLAINT, and DEBILITY*, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Hold a teaspoonful of this Fluid, infused in water, and digest or dissolve FIVE POUNDS OF ROAST BEEF IN ABOUT TWO HOURS, out of the stomach.

SCIENTIFIC EVIDENCE!

Baron Liebig, in his celebrated work on Animal Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be easily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be so softened, changed and digested, as to the same extent and in the same manner as they would be in the human stomach."

Dr. PERETRA, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, speaks of the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Peretra.

Dr. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the quantity of Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

Dr. GRAHAM, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion quite as much more different from the natural digestive process."

Dr. SIMON'S great work, the "Chemistry of Man," (Leas & Blanchard, Phila., 1846, pp. 326-9) says: "The discovery of PEPSIN forms a new era in the chemical history of Digestion. From recent experiments we know that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself."

Professor HOLMSON, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes nine fifty pages to an examination of this subject. More than fifty pages to an examination of the history of the Gastric Juice, with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known, "in all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

AS A DYSPEPSIA CURER,

Dr. HOUGHTON'S preparation of PEPSIN has produced the most marvelous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York, and Boston alone. They were scarcely all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for the Dissipated, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once.—No matter how bad they may be, it GIVES INSTANT RELIEF! *A single dose removes all the unpleasant symptoms*, and it only needs to be repeated, for a short time, to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.
