THE GREAT KENTUCKY REMEDY!

DR. JOHN BULL'S SARSAPARILLA!

This put up in quart bottles, and contains the strength of SIX TIMES as much pure Sarsaparilla as any similar preparation in America. Price $1 per bottle, or six bottles for five dollars.

It has been a well established fact for years past, that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound, and producing *the greatest curative agent in the known world.*

This Medicine, when used according to directions, WILL CURE WITHOUT FAIL!

Scrofula or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetters, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Loss of Appetite, Diseases arising from the use of Mercury, Pain in the Side and Shoulders, General Debility, Dropsy, Lumbago, Jaundice; Costiveness, Throat, Bronchitis, Coughs, Colds, Weakness of the Chest, Pulmonary Affections, and all other Diseases tending to produce Consumption!

Liver Complaint, Female irregularities and complaints, Sick and Nervous Headache, Low Spirits, Night Sweats, Exposure or Imprudence in Life, Chronic Constitutional Diseases, and in a spring and summer drink, and general tonic for the system, and a gentle and pleasant purgative, far superior to Blue Lick or Congress Water Salts, or Seidlitz.

Testimonials.

The following is a verbatim copy of a certificate now in the possession of the proprietor of Bull's Sarsaparilla: Rev. E. W. Sehon is widely and generally known as an eloquent and accomplished Pastor of the M. E. Church, and the Rev. E. Stevenson has been known as one of the most talented and zealous members that the Kentucky Conference could boast of for many years, and at a time is filling the high and responsible station of agent for the M. E. Book Concern.

Can the world produce better or more satisfactory testimony in favor of any Medicine?

BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE

Rev. E. W. Sehon—Rev. E. Stevenson.

Louisville, May 20, 1850.

We have used John Bull's Sarsaparilla, and have known it to be used with entire satisfaction; and have no hesitation in stating that we believe it to be a safe and valuable medical compound, and calculated to produce much good, and relieve much suffering; and would therefore most cheerfully recommend it to the afflicted.

(Signed,) E. W. SEHON,
E. STEVENSON.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful, white skin, and a rosy colored cheek. How often do we see persons, not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, lotions, washes, paints, and coloring materials, to restore to them a semblance of what disease has deprived them of, and that too, with great injury to the skin. *Bull's Sarsaparilla* is the best cosmetic known. It beautifies the skin, by removing every particle of morbid and diseased matter from the blood, making it pure healthy and vigorous, giving activity to every minute vessel, and changing the yellow and dark countenance to the brown and freshness of youth. Ladies, abandon the use of paints and mixtures, and use *Bull's Sarsaparilla*, the only effectual remedy.

"A word to the wise is sufficient;" and a hint is enough for the ladies.

TESTIMONY LIKE THE FOLLOWING RENDERS SUPERFLUOUS ALL COMMENT ON THE EFFICIENCY OF BULL'S SARSAPARILLA:

[From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.]

"I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well to divine disease, to which it is applicable." L. P. YANDELL, M. D.

WHAT DR. PYLES, *Physician by appointment to the Louisville Marine Hospital, says of* BULL'S SARSAPARILLA:

Louisville, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

R. PYLES, M. D.,
Resident Physician at the Louisville Marine Hospital.

☞ CAUTION.—Beware and ask for the original Dr. JOHN BULL'S SARSAPARILLA, and take no other.

MORSE'S
Compound Syrup of Yellow Dock Root,

OCCUPIES the front rank among the proprietary medicines of this country for completely curing Tetter, Salt Rheum, Erysipelas, and all other diseases arising from an impure state of the blood. Also, Liver Complaint, Catarrh, Dyspepsia, Headaches, Dizziness, Costiveness, Sweats and Tightness about the Chest; Bronchitis, or Hoarseness, Coughs, and a tickling sensation about the Throat; and is used with unprecedented success in all cases of

FEMALE WEAKNESS AND GENERAL DEBILITY.

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system.

If the testimony of thousands of living witnesses, from all parts of the country, can be relied upon, it is singularly efficacious in curing *all Humors*, and restoring debilitated and broken down constitutions. It is purely vegetable in its composition, and so accurately compounded in its proportions that the chemical, botanical and medical properties of each ingredient harmoniously unite to PURIFY THE BLOOD.

It has removed many chronic diseases which has baffled the skill of the best physicians, and has also cured Cancer, Salt Rheum, Erysipelas and Scrofula, which Sarsaparilla Syrups entirely failed to make the slightest impression upon.

It has been tested in many cases of CANCEROUS HUMORS. The most obstinate Cancers have been cured by its instrumentality. We say that it is a valuable medicine in all BLOOD COMPLAINTS. It removes all obstruction in the circulation, rendering the Liver active, the Skin healthy, the Kidneys free, palpitation of the Heart, and relieves in all cases of Asthma; and may be used in all climates, and at all seasons of the year.

ST. LOUIS MARKET.

ST. LOUIS TIMES OFFICE,
Thursday Morning, June 19th, 1851.

In nearly every department of business, trade is becoming more stagnant. The continuance of high water and a submerged levee prevents transactions in the leading staples to any considerable extent. Receipts too, are very light, but this circumstance, while present embarassments continue, is scarcely a source of regret.

The river opposite this point was yesterday at a stand, having receded in all about 14 inches.

TOBACCO—The market for the lower grades is quite depressed, but fine manufacturing commands good prices. The offerings at the two warehouses, inclusive, comprise 69 hhds. On Monday, sales of 18 hhds at the Planters' warehouse, as follows: 9 hhds lugs at $3 10@$3 50; 5 do seconds at $3 70@$4 20, and 5 do leaf at $4 40@7 15 ⅌ 100 lbs. On Tuesday, at the Planters' warehouse, 17 hhds were bid off, of which the terms of 5 hhds of leaf ranging from $4 25 to $5 70, were rejected. The confirmed sales were 2 hhds damaged lugs at $1 40@$1 90; 2 do good do at $3@3 25; 3 do damaged leaf at $2 50@$4 45; 1 do good seconds at $3 45, and 4 do do leaf at $6@7 15 ⅌ 100 lbs. Yesterday, at the Planters' warehouse, sales of 2 hhds lugs at $2 15@2 65; 1 do seconds at $3 65; 20 do leaf at $3 50@14 25. At the State warehouse, 2 hhds passed at $ 39@5 95; and 9 do refused at $ 55@5 95 per 100 lbs.

HEMP—There was an increased activity in this article on Tuesday, which resulted in the sale of 650 bales as follows: 39 bales at $72; 19 do at 74; 113 do at 75; 163 do at 76, and 234 do at 80 per ton. Yesterday there was less inquiry, with sales of 196 bales as follows: 37 bales at $68, 50 do at 76, 50 do at 77, and 59 do at 80 per ton

Watches and Jewelry.

CHEAPEST IN THE CITY—A GOOD SELECT NEW JEWELRY STORE, on Market street. We would say to the citizens and the public generally, that we are prepared to offer FINE WATCHES and rich and fashionable GOLD JEWELRY at the wholesale prices, and at from 10 to 50 per cent. below any other establishment west of the mountains. We have such arrangements with the manufacturers of the east, that we are able to sell of our goods first-handed, and by so doing we save about 10 per cent on our prime cost; and then, our expenses are low. As we wish to secure a large amount of trade we will sell goods at a very small profit, and warrant them as represented when sold.

Please call and examine the Goods and prices, at No 51 Market street, HODGE'S JEWELRY STORE. [je19.
