JOSEPH LIPPENCOTT. WM. C. BARR
LIPPENCOTT & BARR,
(LATE LIPPENCOTT & CO.)
Manufacturers of Phenix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 26, 1848, the undersigned were called upon by Messrs. Jones, Scott & Barr, to witness an honest and fair test of one of their Phenix Safes. The furnace being prepared, a fire was kindled inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 6 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the contents within the safe was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money in their situation, and not a grain of ashes, which had crumbling. We therefore take pleasure in recommending this Safe to the public, as being, in our judgment, entirely fire proof.
In calling upon the above gentlemen for their testimonies, they replied in the highest terms of the fairness of the test, and that they considered the safe being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes.
