JOSEPH LIPPENCOTT. WM. C. BARR.

LIPPENCOTT & BARR,

(Late J. S. Scrantom & Co.)

Manufacturers of Phœnix Fire Proof Safes,

Second street, between Wood and Smithfield.

ON Tuesday afternoon, July 23, 1848, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, ice Safe was placed inside thereof, with books, papers and some money when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the furnace was red hot, and continued red hot until past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the Safe occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.
