Dr. Poyntz's Family Medicines.

EXTRACT of a letter from the Rev. J. Abbott, a well known and highly esteemed Missionary in the Kingdom of Burmah, dated

SAMOUNG AND ARRACAN, February, 1846.

Dr. D. Jayne, Philadelphia: My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable medicine in this country in bowel complaints, and has been used in all our Missions with the most gratifying success. We have known it in many cases to act like a charm. Your SANATIVE PILLS are my chief and only family medicine for my liver complaint and pain in the side that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have said your TONIC VERMIFUGE as a tonic is in excellent fever, with the most complete success. I think it once was the means of saving my own son. In my journeyings among the churches the past season, I found a whole village suffering under a prevailing influenza, attended with coughs of a most violent character. I often regretted I had not had a dozen or two of your EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions.

Affectionately yours, E. L. ABBOTT.

If the testimony of thousands of living witnesses, from all parts of the country, can be relied upon, it is singularly efficacious in curing *all Humors*, and restoring debilitated and broken down constitutions. It is purely vegetable in its composition, and so accurately combined in its proportions that the chemical, botanical and medical properties of each ingredient harmoniously unite to PURIFY THE BLOOD.
