JOHN CUMMINGS. WM. C. SAM LIPPINCOTT & BARR, (LATE J. S. SPEAKMAN & CO.) Manufacturers of Phœnix Fire Proof Safes, *Second street, between Wood and Smithfield.* ON Tuesday afternoon, July 29, 1848, the undersigned were called upon by Messrs. Lapencott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and soft money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

I am engaged in the foundry business, and know something about furnaces and heat. I witnessed the burning of the above Safe, and can freely say there was no humbug about it, and with pleasure recommend them to the public, as being, in my judgment, entirely fire proof. WM. CAYLE. ☞ Calling upon the above gentlemen for their signatures, they, at liberty in the highest terms of the fairness of the test; and their full confidence of the Safes being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes. BELL & TERRY.
