LIPPINCOTT & BARR,
(LATE J. S. SPENCER & CO.)
Manufacturers of Phœnix Fire Proof Safes,
*Second street, between Wood and Smithfield.*

ON Tuesday afternoon, July 22, 1848, the undersigned were called upon by Messrs. Lapponcet & Barr, to witness an honest and fair test of their Fire Proof Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was drawn, and continued full half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.
