Scrofula, Kings Evil, &c.

SCROFULA in all its multiplied forms, whether in just the form of King's Evil, Enlargement of the Glands, or Bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, Diseases of the Skin or Spine, or of Pulmonary Consumption, emanates from one and the same cause, which is a poisonous principle, or virus inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected; but if the principle upon which the disease depends is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. Jayne's Alterative is almost always successful in removing these diseases, because it acts upon the virus, or poisonous principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibres, removing every particle of disease from the system.

Jayne's Alterative Expectorant, Carminative Balsam, Vermifuge and Sanative Pills.
