Total amount of property at risk	$14,639,616 00

Amount of Cash Premiums	$125,023 16

The Directors in presenting to the Second Annual Report, take leave to congratulate the members upon the market success of the State Mutual Fire Insurance Company in operation only two years. It has taken a position beside the older institutions of the kind, and proves by its very great success that the system of prices, as adopted by them, is beyond a question the best and only safe mode of insurance.

The heavy losses of the past year, which have annihilated many stock companies, leave the Safe Mutual with a cash surplus of upwards of thirty-one thousand dollars, besides a reserve capital of nearly two hundred thousand dollars, which is secure against contingencies.

The Directors submit that the State Mutual Fire Insurance Company offers to owners of safe property, inducements seldom equalled, and never surpassed.
