Double Reed Melodeons;

Made by the original Inventor, Carhardt, New York.

H. KLEBER has just received one elegant 5 octave MELODEON, made by the original inventor, J. Carhardt, New York. This instrument has a double sett of reeds, and for beauty, delicacy and power of tone, as well as rapidity of touch, surpasses all other instruments of the kind. It is especially adapted to sacred music, and infinitely preferable to small Organs—costing but one fourth as much, and, at the same time, more durable and easier to keep in order. There is one in use at the Rev. Mr. Fulton's church, which gives unlimited satisfaction.

N. B.—The public is respectfully invited to call and examine the above.

Drugs and Medicines.

Dr. De Laney's Celebrated Curative Instrument,

The only Infallible Cure for that Dreadful Disease known as Spermatorrhea or Involuntary Nocturnal Emissions,

SO harassing and destructive, and productive of so much mischief to the nervous system, incapacitating the man for business, society, and matrimony.

This Instrument is simple, comprehensive, and *never failing*, and may be used without the slightest inconvenience or the knowledge of the most intimate friend—It is to be used externally, producing no pain or injury whatever, nor preventing any one from attending to his business; and while in use *not a single emission can take place, invigorating the organs, in a short time, to such an extent that they* REGAIN THEIR PRIMITIVE POWER OF RETENTION, the loss of which, caused by early abuse, is the disease in question, and the cause of the thousand concomitant complaints, viz: Nervousness, Prostration, Dyspepsia, Pain in the Head and Dimness of Vision, Weakness of the Back and Lower Extremities, Affections of the Eyes, Impotence, Pimples of the Face, Premature Decline of Virility, Weakness of Memory and Power for Mental Application, Dejection, Aversion to Society, Timidity, Self-Distrust, Love of Solitude, &c. *All these complaints invariably disappear as soon as the source is stopped from which they emanated.*

This Instrument has been examined and approved of by the highest authorities in Europe and America, is recommended by the most prominent Physicians of all countries, *as the only certain remedy existing for the complaint;* and has now completely superceded the use of drugs, the bougie, cauterization, &c. not to mention the thousand advertised nostrums of the day, as cordials, antidotes, &c. &c. It constitutes, at the same time, the *safest*, the *most pleasant*, and by far the *cheapest* treatment ever offered to the afflicted, a fair price being allowed for the Instrument, after the desired effect has been attained.

Be it also remembered, that those complaints are but little understood by the profession in general, and that all the medicines in the world never has, and never will, stop those losses, which, if allowed to continue unchecked, are sure to produce the most distressing consequences.

It has been a matter of surprise to some, that any one of respectability and of professional attainments should devote his attention to diseases which people of every description pretend to cure so easily. If, however, but the one thousandth part of the miseries these people bring upon society were known, a very different opinion would be formed. And it is not only the present misery and dejection, preying on the mind as well as the body, that is deplored, but some are of such a nature as to affect posterity, and even to destroy the reproductive faculty, altogether. It is a fact that, when not properly treated, they may remain so dormant in the constitution as to appear in no other way than in their effects upon posterity; yet, if properly understood, are most easily and speedily removed. The above, so ingeniously contrived instrument, will doubtless, in a great measure, contribute to check the evils of quackery, so prevalent in this class of diseases, throughout the Union.

The price of the complete instrument, carefully secured against all observation in a box, is only $10. It can be sent, by express, to any address in any part of the United States, Canada, &c., according to order, accompanied by full directions, and important advice to the married and single; the expenses, even to the remotest parts of the country, being very trifling.

The unexampled success this Instrument has obtained since its introduction in America, has induced some unprincipled persons in New York, Philadelphia, Albany, Boston, &c., to get up some ridiculous things, called "instruments," which, however, bear NOT THE SLIGHTEST RESEMBLANCE, *neither in form nor principle*, to my own invented, long tried, and universally approved Instruments, and which are as similar to them as night is to light. Every attempt to sell such "Instruments" for mine will be prosecuted to the fullest extent of the law, I being not willing to connect the well and honestly earned reputation of my inventions with quacks and their worthless productions. *No Instrument is genuine and none can be warranted but those ordered from myself.*

All applications and remittances must be directed (post paid) to the Doctor himself, he having no Agencies established but in London and Paris.

Address, post paid, Dr. B. de Laney, 51 Lispenard st., New York.

Office hours, daily, from 9 A. M. till 3 P. M.; and from 7 till 8 P. M., the Sabbath excepted.

☞ The undersigned certify, with great pleasure, that the above-mentioned Instrument is not only constructed on scientific principles, but that from its use the happiest results may always, with confidence, be anticipated, there being, for the cure of those diseases, NO OTHER CERTAIN REMEDY EXTANT.

Dr. Jayne's Family Medicines.

EXTRACT of a Letter from the Rev. E. L. Abbott, a well known and highly esteemed Missionary in the kingdom of Burmah. Jalee.

SANDOWAY ARRACAN, February, 1846.

Dr. D. Jayne, Philadelphia: My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable medicine in this country in bowel complaints, and has been used in all our Missions with the most gratifying success. I have known it in many cases to act like a charm. Your SANATIVE PILLS are my sheet anchor.—The best medicine for my liver complaint and pain in the side that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a tonic in intermittent fever, with the most complete success. I think it once was the means of saving my own son. During my travels among the churches the past season, I found a whole village suffering under a prevailing influenza, attended with coughs of a most violent character. I often regretted I had not had a dozen or two of your EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions.

Affectionately yours, E. L. ABBOTT.

MORSE'S Compound Syrup of Yellow Dock Root,

OCCUPIES the front rank among the proprietory medicines of this country for completely curing Canker, Salt Rheum, Erysipelas, and all other diseases arising from an impure state of the blood. Also, Liver Complaint, Catarrh, Dyspepsia, Headaches, Dizziness, Coughs, Soreness and Tightness about the Chest; Bronchitis, or Hoarseness, Dryness, and a tickling sensation about the Throat; and is used with unprecedented success in all cases of FEMALE WEAKNESS AND GENERAL DEBILITY.

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system.

If the testimony of thousands of living witnesses, from all parts of the country, can be relied upon, it is singularly efficacious in curing *all Humors*, and restoring debilitated and broken down constitutions. It is purely vegetable in its composition, and so accurately combined in its proportions that the chemical, botanical and medical properties of each ingredient harmoniously unite to PURIFY THE BLOOD.

It has removed many chronic diseases which has baffled the skill of the best physicians, and has also cured Canker, Salt Rheum, Erysipelas and Scrofula, which Sarsaparilla Syrups entirely failed to make the least impression upon.

It has been tested in many cases of CANCEROUS HUMORS. The most obstinate Cancers have been cured by this medicine. We say that it is a valuable medicine in all BILIOUS COMPLAINTS. It removes all obstruction in the circulation, rendering the Liver free, active and healthy. It removes Palpitation of the Heart, and relieves in all cases of Asthma, and may be used in all climates, and at all seasons of the year.

This Syrup is prepared only by C. MORSE & CO., at 180 Fountain street, Providence, R. I., and sold wholesale and retail, by S. N. WICKERSHAM, Only Agent for Western Pennsylvania, jel1y Warehouse, cor Wood and Sixth sts, Pittsb'h

THE BEST FEMALE MEDICINE KNOWN. THE SHAKER PREPARED "YELLOW DOCK" AND THE "RED HONDURAS SARSAPARILLA," are the invaluable remedial agents from which "Dr. Guyzott's Improved Extract of Yellow Dock and Sarsaparilla" is formed; and the laboratory of Dr. Guyzott has given us the virtues of these roots in their perfection. His preparation contains all the restorative properties of the roots, combined, and concentrated in their utmost strength and efficacy.

Experiments were made in the manufacture of this medicine, until it was found that it could not be further improved.

Accordingly, we find it resorted to, almost universally, in cases of Hepatic, Scorbutic and Cutaneous complaints or general prostration of all the vital powers, and all those tormenting diseases of the skin, so trying to the patience, and so injurious to health.

☞ *Scrofula, Syphilis, Mercurial Complaints, Cancer, Gangrene, Rheumatism, and a vast variety of other disagreeable and dangerous diseases are speedily and perfectly cured by the use of this medicine.*

SALINE, (Michigan), October 6, 1851.

Mr. John D. Park—Dear Sir: It is with unutterable feelings of gratitude that I am able, through the Divine Providence of God, and by the wonder-working agency of that excellent medicine, "Guysott's Yellow Dock and Sarsaparilla," to give you a few symptoms of my almost hopeless case.

In the winter of 1839, I was attacked with a severe pain, which was gradually extending through the whole right side and leg; at the same time a total prostration of my physical system; also, my leg had shrunk to about two-thirds of its common size. I procured the attendance of a skillful practitioner, who pronounced my disease one of the worst forms of liver complaint. He said my case was one not easily handled, but prescribed for me. I remained under his treatment, until I was satisfied he could not help me. I then procured of your agent at this place, W. A. Beers, two bottles of Guysott's Yellow Dock and Sarsaparilla, from which I received a vast amount of benefit. After having taken four bottles more, I was able to pursue my business without any inconvenience, and have been since that time as well, man, and one of my legs, which was crippled by my bed three-fourths of the time; and I cannot ascribe the recovery of my health to any other cause than by the agency of that truly valuable medicine, Guysott's Yellow Dock and Sarsaparilla. HASSEL VAURIPER.

SALINE, October 14, 1851.

Mr. J. D. Park—Dear Sir: I send you the foregoing certificate, and so far as I am acquainted with his case, it is all true. I procured it, thinking it might be a benefit to you and the afflicted. You have the privilege of using it as you think best. Yours, W. A. BEERS.

The following Letter is from a highly respectable Physician, who enjoys an extensive practice:

NAVARRE, (Stark Co., O.,) Jan. 1, 1852.

Dr. John D. Park—Dear Sir: Dr. Guysott's Extract of Sarsaparilla. This medicine has been prescribed, by me for the last three years, with good effect, in general debility, Liver Complaint, Jaundice, Dyspepsia, Chronic and Nervous diseases. In all Female Complaints it certainly is unequalled.

In the use of this medicine the patient constantly gains strength and vigor, a fact worthy of great consideration. It is pleasant to the taste and smell, and can be used by persons with the most delicate stomachs, with safety under any circumstances. I am speaking from experience, and to the afflicted I advise its use.
DR. J. B. LEEPER.

Extract of a Letter from an extensive Merchant in Neenah, Wisconsin.

NEENAH, (Wisconsin), Oct. 29, 1851.

Mr. John D. Park—Dear Sir: I am out of your "Wistar's Balsam of Wild Cherry," and "Dr. Guysott's Extract of Yellow Dock and Sarsaparilla." Please forward a supply immediately.

Your Balsam of Wild Cherry worked to a charm here,—not a bottle failed of affording immediate relief, and in every instance but one (an old gentleman of 71 years of age), it cured, and the Yellow Dock has done equally as well. I took three bottles myself, last fall, and enjoyed perfect health last winter, for the first winter or eleven years, being troubled with a severe eruption of the skin, when laid me up from two weeks to four months every winter and spring, until last winter.

Henry E. Jones, a brother merchant and a particular friend of mine, took two bottles of the Yellow Dock for a Scrofulous Eruption, which has worked an entire cure.

My store is at the corner of Wisconsin Avenue and Walnut street. Yours, respectfully,
CHARLES E. CASE.

☞ Price $1 per bottle—six bottles for $5.
