Watches, Jewelry, &c.

HAVING just returned from the Eastern cities, I have brought with me one of the most beautiful and fashionable fall and winter stocks of Watches and Fancy Goods, ever offered to the public. Persons wishing to purchase anything in my line, can rely on getting the worth of their money. I do not advertise to sell goods below cost, nor 50 per cent. cheaper than any house in the city. Give me a call, and I am sure you will be satisfied that I can sell a better article as cheap as any of the humbugs.

Another fact I wish to keep before the people. If you want your Watch, Clock, or anybodies else Jewelry, repaired in the best manner, this is the place to have it done. To this branch of my business I will devote my entire attention.
