C. A. M'ANULTY & CO., Canal Basin, 408 and 410 Penn st., Pittsburgh.

HAVING increased our facilities and otherwise improved our arrangements for Transportation, we are now prepared to receive a large amount of Produce and Merchandise, to ship (on the opening of the Canals,) with promptness and dispatch.

The Section Boat system of transportation over our State improvements has been in use about ten years, and the great success and favor it has met with, is a sufficient guarantee that it is no longer considered a doubtful or uncertain experiment; but is acknowledged by all as vastly superior to any mode of transportation used on Canals, (when intersected by Railroads.)

Goods loaded into our Boats at Pittsburgh, remain undisturbed until unloaded at our Warehouse in Market street, Philadelphia, thereby entirely avoiding the delay consequent on three different transhipments, and securing the delivery of Goods in entire lots, the packages clean, and in as good order as when shipped.

Produce, &c., consigned to our House at Pittsburgh, will be received and forwarded always at the lowest current canal rates, strictly according to instructions, without any extra charge for commission, storage, or advancing charges.

B. A. Fahnestock's Vermifuge.

READ the following testimony of its efficacy:

TIONESTA, Venango Co., Pa., May 29, 1851.

This is to certify that I have been using B. A. Fahnestock's Vermifuge in my family for the last ten years, and have always observed its good effects in expelling worms; unlike other kinds of Vermifuge which I have used, it does not leave a fever on the child, but expels the worms without any injurious effects following. About six months ago, I gave one teaspoonful of it to my little girl, seven years old; after taking it she passed two hundred worms. I only mention this as one among many instances in which I have observed the good effects of the Vermifuge. JAMES G. DAWSON.

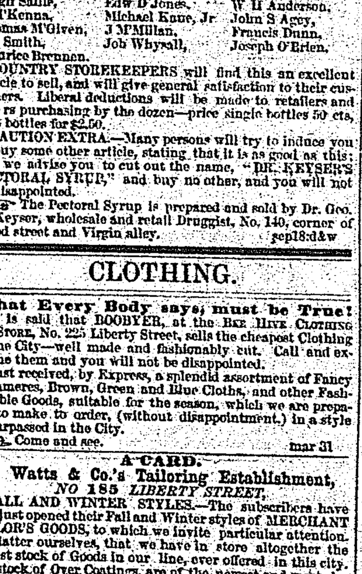
DR. KEYSER'S PECTORAL SYRUP! FOR THE VARIOUS DISEASES OF THE



SUCH as COLDS, INFLUENZA, WHOOPING COUGH, CROUP, HOARSENESS, COUGHS, BRONCHITIS, QUINZY, ASTHMA, INCIPIENT CONSUMPTION, and the various diseases having their origin in an inflamed, congested or torpid condition of the organs of respiration.

This Medicine, now offered to the public, under the above name, is a remedy of immense value in the diseases for which it is recommended, and has been used to considerable extent throughout this city, as well as in other localities, with a success that has rarely attended any medicine, not heralded throughout the whole country by the press.

Dr. Keyser's Pectoral Syrup,

Is the prescription of a regular physician, who used it for several years in his practice, with a success unequalled by any other medicine in use, and it was only upon the great and daily increasing demand for it, that he was induced to put it up in bottles, for a more general and extensive sale.

We claim for the Pectoral Syrup that it is an ENTIRELY NEW PREPARATION, differing in every respect from the various remedies now in use, for the diseases of the Pulmonary organs. IT DOES NOT SICKEN THE STOMACH, by containing nauseating doses of squills, antimony, and Ipecachuana. It has in it no opiates to constipate the bowels, and dry up the secreting organs; but it is altogether different, from the action of any of the above named drugs. IT IS AN EXPECTORANT, that clears out the tubes and air cells of the Lungs and Bronchia, in a manner that is not equalled by any other remedy. It dissolves, in a great measure, the greatly increased secretion of mucous, attending the various diseases of the air cells and bronchial tubes. It allays all irritation, almost as soon as it is taken, and it has been known to cure coughs of several weeks' duration, in THREE DOSES!

We have several remarkable cases noted down, where it succeeded in curing cases having every appearance of PULMONARY CONSUMPTION.

CASE 1.—A young man, aged 19; of slender make; had cough; expectoration of dark matter from the Lungs and Bronchia, for three weeks; pulse up to 120; hectic fever and night sweats; great emaciation; pain in the breast; sometimes expectoration of matter streaked with blood; had taken various remedies from physicians, with little or no relief; commenced taking the *Pectoral Syrup* in half the usual doses; the expectoration diminished; the cough abated; the hectic fever left; and in four days all the bad symptoms had entirely disappeared, and the man is now entirely well.

CASE 2.—A lady, aged 45; troubled with a slight cough during all of the greater part of last summer, which, towards fall, greatly increased, and continued night and day; threatening to involve the lungs and pulmonary organs to a serious extent; there was pain in the breast, palpitation of the heart, and headache, as almost constant attendants; stuffed condition of the vessels; occasionally a feeling of fulness of the head, nose and throat, and a discharge of acrid secretion from the nostrils; various remedies had been used; several physicians consulted, without relief. She commenced taking the Pectoral Syrup, in the evening; that night she coughed but once; took another dose of Pectoral, and slept well all night; continued the syrup next day, and by night was entirely free from the cough, and all the bad symptoms. She is now well. Other cases equally remarkable, could be given, if space would permit.

We furnish below a certificate, signed by a number of our own citizens, in proof of its efficacy:

Read! Read!! Read!!!

We, the undersigned, having used Dr. Keyser's Pectoral Cough Syrup upon ourselves and in our families, do respectfully recommend it to others as a safe and efficient medicine for the purposes recommended:

COUNTRY STOREKEEPERS will find this an excellent article to sell, and will give general satisfaction to their customers. Liberal deductions will be made to retailers and others purchasing by the dozen—price single bottles 50 cts, or 6 bottles for $2.50.

CAUTION EXTRA.—Many persons will try to induce you to buy some other article, stating that it is as good as this; but we advise you to cut out the name, "DR. KEYSER'S PECTORAL SYRUP," and buy no other, and you will not be disappointed.

SO harrassing and destructive, and productive of so much mischief to the nervous system, incapacitating man for business, society and matrimony.

This Instrument is simple, comprehensive, and NEVER-FAILING, and may be used without the slightest inconvenience, or the knowledge of the most intimate friend. It is to be used externally, producing no pain or injury whatever, nor preventing any one from attending to his business; and while in use, *not a single emission can take place, invigorating the organs in a short time to such an extent that they regain their primitive power of retention*, the loss of which, caused by early abuse, is the disease in question, and the cause of the thousand concomitant complaints, viz: Nervousness, Prostration, Dyspepsia, Pain in the Head and Dimness of Vision, Weakness of the Back and Lower Extremities, Affections of the Eyes, Impotence, Pimples on the Face, Premature Decline of Virility, Weakness of Memory and Power for Mental Application, Dejection, Aversion to Society, Timidity and Self-Distrust, Love of Solitude, &c. All these complaints invariably disappear as soon as the source is stopped from which they emanated.

This Instrument has been examined and approved of by the highest authorities in Europe and America, is recommended by the most prominent physicians of all countries, as the only Certain Remedy existing for those complaints, and has now completely superseded the use of drugs, the bougie, cauterization, etc., not to mention the thousand advertised nostrums of the day, as cordials, antidotes, etc., etc. It constitutes at the same time the safest and most pleasant, and by far the cheapest treatment ever offered to the afflicted—a fair price being allowed for the instrument, after the desired effect has been attained.

Be it also remembered, that those complaints are but little understood by the profession in general, and that all the medicine in the world never has, and never will, stop these losses, which, if allowed to continue unchecked, are sure to produce the most distressing consequences.

It has been a matter of surprise to some, that any one of respectability and of professional attainments should devote his attention to diseases which people of every description pretend to cure so easily. If, however, but the one-thousandth part of the miseries these people bring upon society were known, a very different opinion would be formed. It is not only the present misery and dejection preying upon the mind as well as the body, that is deplored, but some are of such a nature as to affect posterity, and even to destroy the reproductive faculty altogether. It is a fact that, when not properly treated, they may remain so dormant in the constitution as to appear in no other way than in their effects upon posterity; yet, if properly understood, are most easily and speedily removed. The above, so ingeniously contrived instrument, will doubtless, in a great measure, contribute to check the evils of quackery, so prevalent in this class of diseases throughout the Union.

The price of the complete Instrument, carefully secured against all observation in a box, is only $10.—It can be sent by express, to any address in any part of the United States, Canada, &c., according to order, accompanied by full directions, and important advice to the married and single—the expenses even to the remotest parts of the country being but trifling.

The unexampled success this Instrument has obtained, since its introduction in America, has induced some unprincipled persons in New York, Philadelphia, Albany, Boston, &c., to get up some ridiculous things called "Instruments," which, however, bear not the slightest resemblance, neither in form nor principle, to my own invented, long tried, and universally approved Instruments, and which are as similar to them as light is to night. Every attempt to sell such Instruments for mine, will be prosecuted to the fullest extent of the law, I being not willing to connect the well and honestly earned reputation of my invention with quacks and their worthless productions. No Instrument is Genuine and none can be Warranted but those ordered from myself.

All applications and remittances must be directed (post-paid) to the Doctor himself, he having no Agencies established but in London and Paris.

The undersigned certify, with great pleasure, that the above mentioned Instrument is not only constructed on scientific principles, but from its use the happiest results may always with confidence be anticipated, there being for the cure of those diseases no other certain remedy extant.

DR. HALSEY'S FOREST WINE!

The discovery of the FOREST WINE is the greatest blessing of the age. Put up in Quart Bottles, a single bottle of which does more good, and goes farther in the cure of Diseases, than ten bottles of any Sarsaparilla in use, and warranted to cure without any unpleasant or weakening effect.

THE method by which all Sarsaparillas, and other similar medicines are prepared, is by boiling the Roots or Plants to obtain the extracts. The medical virtues are thus principally evaporated and destroyed.

It is not to be wondered at, then, that even ten and twenty bottles of these Sarsaparillas are sometimes taken without any perceptible benefit. Not so with the Forest Wine! By the invention of a wonderful chemical apparatus, a perfect wine is produced without heating; retaining at the same time, all the primitive healing properties of the rare medicinal plants of which it is composed, thus rendering the Forest Wine the most efficient medicine the world ever produced; at the same time the most agreeable.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, are usually brought on by troubles and afflictions, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated *Philadelphia, September 7th, 1842.*

DR. G. W. HALSEY:

Dear Sir: Your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been afflicted for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awaking quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine, and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever. J. C. PAULDING.

GENERAL DEBILITY, EMACIATION, WASTING OF THE BODY, &c.

Many persons are afflicted with some of the above complaints, without being able to trace it to any particular cause, and therefore delay the use of the proper remedy until the disease becomes constitutional. These disorders are often characterized by a sense of sinking, or entire exhaustion after exercise. Some experience sluggishness, lassitude, and at times, paleness or flushing of the countenance, or palpitation of the heart, or like symptoms.

The excellent effects which have ever attended the use of the Forest Wine and Pills, in every species of debility, is conclusive evidence of its happy results in this class of disorders. Many have resorted to these medicines as an *ultimatum*, and been speedily cured. For Nervous disorders and debility the Wine and Pills are taken according to the directions on the label.

AGUE AND FEVER, OR CHILLS,

Are caused by the miasmatic effluvia arising from marshes, decayed vegetation, and low damp situations. In Fever and Ague the Forest Wine and Pills are a sovereign remedy. When they have been taken agreeably to the directions, we have never known them to fail in effecting a complete cure. In the first place take a large dose of the Forest Pills in time that their operations may subside before the return chill—The stomach being now well cleansed, take three or four large doses of the Wine, at intervals of half an hour, commencing about two hours before the period for the chill to return. This breaks the ague, after which the Wine should be continued in small doses to restore strength. See full directions around the bottle.

DR. HALSEY'S GUM-COATED FOREST PILLS.

Are an important adjunct to the Forest Wine. They are coated with pure gum arabic, an invention for which Dr. Halsey has received the only patent ever granted on Pills, by the Government of the United States.

The Forest Wine and gum coated Forest Pills unite in accomplishing the same great end, the Purification of the Blood, and restoration of the Stomach and Bowels.

The Forest Wine and Pills are recommended as an efficient and certain cure in the following complaints: *Dyspepsia, Incipient Consumption, Decline of General Health, and Female Weakness*, for which it is a *Sovereign Remedy*; *Languidness*, etc. and want of *Nervous Energy, Ague and Fever*, which it never fails to cure, *Scrofula, Erysipelas, Jaundice, Unhealthy Color of the Skin, Weakly and Impaired State of the Constitution.*

TO THE LADIES.

Nothing in the world is more absurd than the custom of using paints, chalks, &c., to improve the countenance. True beauty and loveliness accompany the highest perfection of health, which again invariably follows the *Purest state of the Blood.* What artificial expendage equal that vivid expression of countenance, which emanates from blooming health? What paints compare with the crimson-colored blood casting its brilliant roseate hue through the transparent texture of the skin? What charms are more captivating than those of nature, in her highest perfection of health? Let Dr. Halsey's Forest Wine supply the place of all cosmetics. The use of this excellent Wine for a short time creates pure, rich blood, which, coursing through the veins, penetrates the minutest fibres that verge toward the surface of the skin, causing all unhealthy pimples and blotches to disappear, imparting a vivid, rosy color to the skin, and brilliant expression to the eyes.

THIS IS NATURAL BEAUTY.

In corroboration of these facts, Dr. Halsey has many testimonials from ladies of the most respectable standing in society.

CHERRY PECTORAL FOR THE CURE OF COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA and CONSUMPTION.

MANY years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still, there is abundant proof that the CHERRY PECTORAL does not only as a general thing, but almost invariably cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant, to the palaces of European Kings. Throughout this entire country, in every State, city, and indeed, almost every hamlet it contains, CHERRY PECTORAL is known as the best remedy extant for diseases of the Throat and Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, CHERRY PECTORAL is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending physicians can employ for the more dangerous affections of the lungs. Also in milder cases, and for children, it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive, have been from parents who have found it efficacious in cases particularly incidental to childhood.

The CHERRY PECTORAL is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength, to afford physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

Wistar's Balsam of Wild Cherry!

THE BEST REMEDY EVER KNOWN TO MAN *For Coughs, Colds, Asthma, Croup, Bronchitis, Influenza, Bleeding of the Lungs, Difficult Breathing, Liver Affections, pain or Weakness of the Breast or Side, First Stages of Consumption, &c. &c.*

IN short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced by our ever varying climate.

Wild Cherry has long been known to possess important medicinal properties. This fact is familiar to every matron in our land, and Physicians often prescribe it in different forms for a variety of complaints. Tar, also, has been equally noted for its virtues; and some physicians, whose name is familiar to the whole country, have gone so far as to declare that even *consumption* could be cured by that alone.—In other hands, again, it was nearly valueless, owing, no doubt, to their ignorance in preparing and administering it—a difficulty now entirely obviated by patient experience and long experiment.

The extraordinary medicinal powers of these two substances are now, for the first time combined and embodied in DR. WISTAR'S BALSAM OF WILD CHERRY. By a nice chemical process, every thing deleterious or useless is rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of pulmonary and liver diseases ever known to man. To convince all unbelievers that our theory is really true, we refer to a few cases of cures performed by this wonderful medicine:

Two lives Saved by the use of only Three Bottles of "Wistar's Balsam of Wild Cherry."

MT. EDEN, KY., July 24, 1852.

Messrs. Harcourt, Howard & Co.—Gents:—The Dr. Wistar's Balsam of Wild Cherry that I bought of you has been of such signal benefit in my family, that I wish to make its virtues known for the benefit of the public.

My wife took cold at the time of her confinement, which settled on her Lungs. The physicians pronounced her disease consumption. She had often profuse night sweats, and had coughs; she was given up, for we despaired of her recovery, and her child partook of her complaint. She then commenced taking "Wistar's Balsam of Wild Cherry," and three bottles effected an entire cure with her and the child both.

I have no doubt that they would have now been in their graves if they had not have used Wistar's Balsam of Wild Cherry. SETH R. SEARCY.

Seth R. Searcy, whose certificate is above, is a man of as much veracity as any in this country, and a man of good judgment, and we place entire reliance on his statement.
HARCOURT, HOWARD & CO.

CONSUMPTION CURABLE.

Robert Sanderson, Justice of the Peace, in Rush Creek township, Fairfield county, Ohio, and brother of "Maj. Gen. Sanderson," an officer in the war of 1812, cured of Consumption by the use of "Wistar's Balsam of Wild Cherry."

RUSH CREEK TP., Fairfield Co., Feb. 25, 1851.

Dear Sir:—As I consider that my life has been greatly prolonged by my being cured of Consumption by the use of "Dr. Wistar's Balsam of Wild Cherry," I will state the symptoms of my case, that others similarly afflicted may be induced to try this invaluable remedy. I experienced great difficulty in breathing; had the hectic fever with violent flushes of heat and frequent cold chills, with severe pain in my side and breast, accompanied by a very bad cough; was very restless at nights, and had great night sweats, perspiring, I should say, at least two gallons a night, wetting the bed completely through. I had not been able to work for years. But I was much emaciated, and almost helpless when I commenced using *Wistar's Balsam of Wild Cherry*. I have used in all 13 bottles, and I am now free from all those complaints, for my health is good.

I am now 55 years old, and have not taken any of the Balsam since 1849, because my health is so good as not to require any medicine. But if I should have any return of my former symptoms, I should use Wistar's Balsam of Wild Cherry. I procured the medicine of Messrs. Fall & McCracken, your agents in Lancaster, O. ROBERT SANDERSON.

The genuine Wistar's Balsam of Wild Cherry has a fac simile of the signature of Henry Wistar, M D, Philadelphia, and "Sanford & Park," on a finely executed steel engraved wrapper. No other can be genuine.
