INDUCEMENTS TO HOUSEKEEPERS!

Something Better and more Economical than Soda, Cream Tartar, or any other Preparation in existence for Raising Biscuits, Cakes, Puddings, Pie-Crust, Sweet Cakes, Apple Dumplings, Pastry, &c. This article is one that every FAMILY, HOTEL, BOARDING-HOUSE, Baking Establishment, Ship, Steamboat, Canal Boat, &c., will find, upon a careful trial, to be the *very thing needed every single day of their existence.*

Having important advantages over the old system, viz:

1. It saves the expense of milk, eggs, shortening, spoiled bread, and the trouble and expense of procuring good yeast, water only being necessary.

2. No time is required for the dough to rise before baking, as most commonly, bread may be made in a few minutes.

3. A cook can always depend upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not.

4. Bread made by this process is much more nutritious, easier of digestion, better fitted for a weak stomach, sweeter, whiter and lighter, than that made with yeast.

5. The bread made by fermentation, does not afford the same amount of nourishment to the system, that it does when made with this compound; because the saccharine contained in fermented bread, prevents the proper action of the pearly fluid (gastric juice,) and consequently, it only goes to nourish the body, while the acids tend to produce dyspepsia and its attendant evils.

This article has been thoroughly tested, and is universally liked. When used according to the directions, it is *warranted* to suit.

☞ Be careful to ask for DURKEE'S BAKING POWDER, and take no other, and you will not be deceived. Principal office, 122 Water street, New York. Sold by the best grocers and druggists generally.

And it is ordered and directed by the Chancellor, that a copy of this order shall be inserted in the *Delaware Gazette*, a newspaper published in the city of Wilmington, in this State; and in the *Pittsburgh Post*, a newspaper published in the city of Pittsburgh, in the State of Pennsylvania; and shall be continued in said newspapers for the space of three months next after its publication; and also, that a copy of said order shall, for the same space of time, be posted up in the Office of the Register of this Court, and at the Court House door of this County.

State of Delaware,
KENT COUNTY, SS.

I, JOHN K. JARVIS, Register in Chancery, in Kent County, aforesaid, do hereby certify, that the foregoing order is a true copy of the order in the above cause, now of record in said Court. In testimony whereof, I have hereunto set my hand and affixed the seal of said Court, at Dover, this seventh day of April, in the year of our Lord one thousand eight hundred and fifty-three. JOHN K. JARVIS,
Register in Chancery.

Dover, April 7, 1853. apr16:3m

I HAVE introduced an elegant article of CLOTH and HAIR BRUSHES, superior to anything of the kind ever before manufactured in this city. They will compare with any Eastern Brushes ever brought to this market, not only in material, but also in finish. The best of workmen are employed to ornament them, and I can make them in every respect equal to any manufactured in any of the Eastern cities.

Also, a large assortment of Paint, Varnish, Sash, Shoe, Horse, Hat and Scrubbing, Sweeping and Window Brushes.

Also, a large assortment of Nailed and Tied Whitewash Brushes.

Also, a fine variety of Tooth Nail and Brushes, flat Vanish, Blenders, &c. &c.

All of which I will sell as low as they can be purchased in any Eastern market. All who doubt the above statement are most respectfully invited to call and judge for themselves.

N. B.—As I have concluded to confine my attention entirely to the manufacture of Brushes, I feel that I can offer as great inducements to any manufacturer in the Eastern states now in use, with some ten years experience in the business, they pledge themselves to turn out as good pictures as any other establishment in the country, and for more reasonable terms than has heretofore been furnished to the citizens of Pittsburgh, either single or in groups.

Citizens and strangers are respectfully invited to call, whether they wish pictures or not.

Our motto is good pictures, fair prices, and perfect satisfaction to our customers. HOUGH & ANTHONY,
☞ Daguerreotype Manufacturers in the Country.
N. B.—We furnish all articles in our business to other operators as low as any.
