THE CITY POST.

FRIDAY MORNING.....JUNE 3.

NORTH WESTERN RAILROAD COMPANY.—The Stockholders of the North Western Railroad Company met at Butler, on Tuesday the 31st ult., and elected the following officers, viz:

President—Charles C. Sullivan, Esq., of Butler.

Directors—Samuel M. Lane, Samuel A. Purviance, A. N. Meylert, John Graham, John M. Sullivan and John N. Purviance, of Butler; Alexander L. Crawford, David Sankey, Jr. D. Clarke, and R. W. Cunningham, of New Castle; Dr. John McFarland, of Saltsburg; and John L. Leech, of Leechburg.

The Board organized on Wednesday, 1st inst., and appointed James Gilmore Campbell, of Butler, Treasurer, and Amos N. Meylert, of Butler, Secretary.

Edward Warner, Esq., Engineer of the Cleveland and Mahoning road, was appointed Chief Engineer.

BALLOON ASCENSION.—Mr. John M. Kinney, is at present in our city, making arrangements for a Balloon Ascension, on the 4th of July, he having engaged the well known and experienced aeronaut John Wise. Mr. Kinney has issued circulars to our merchants and others, offering a rare chance for advertising their business by giving him their cards to be placed on his programmes, which he intends circulating in the neighboring country. We are indebted to Mr. Kinney for a work on Æronautics, by John Wise.

THE POPULAR EDUCATOR.—Weaver & Co., No. 82 Smithfield street, have received No. 3 of this valuable periodical. The Popular Educator was needed. So great has been the demand for the first number, that the publisher has been obliged to go to press with a third edition. It aims to supply the place in America that the famous and justly celebrated Penny Magazine once did in England. It is just the work needed to fill up the place in periodical literature. Price, twelve and a half cents per number.

VIRULOUS DOG.—A young Irish lad named Michael Crowlan made information before Alderman Steel, yesterday, against Daniel Coleman, owner of a vicious dog which had bitten him. The lad was walking up Penn street, when the dog jumped at him and caught him by the right arm, tearing a large piece of flesh from it. This is the second dog that has been complained of this week before the magistrates, and we have no doubt many more will be, if they are not tied up or muzzled.

IMPORTANT ARREST.—Officer Hagan on Wednesday arrested a man named D. C. Sullivan, in Wellsburg, twenty seven miles from Erie city, charged with obtaining from Crawford & Co., hardware merchants of Wood street, $1100 worth of goods, by falsely representing that he was a property holder in Erie county, when such was not the case. He gave bail in Erie for his appearance at the next term of the Court in this county.

COMMITTED ON A CAPIAS.—John Gallagher was yesterday arrested by Deputy Sheriff Frank Kerr, on a capias from the District Court, on a charge of killing a horse, by overexerting him. He had hired the horse for the purpose of taking a ride, and when he had returned from his jaunt, the horse died from fatigue. He was arrested in Tarrentum, ville, and committed to prison.

HENRY STORMS, the young man so severely stabbed in the abdomen on Saturday night last, by Jonas Cornelius, is still in a critical condition. The Stophill family appear to be unfortunate, as Eli, a brother of Henry, lost three fingers by getting them entangled in the machinery of Warner's saw-mill, on Wednesday last.

ROWDYISM.—A young man, named Joseph Blakely, of the Fifth Ward, was arrested yesterday, by a watchman, and taken before the Mayor, to answer a charge of rowdyism on Penn street, on Tuesday night last. His Honor fined him twenty-five dollars and costs, for the payment of which he gave security.

DISCHARGED.—George Hall, a young lad convicted at the last term of Court, of the larceny of some silver spoons from the dwelling of Mr. John Parker, on Penn street, and sentenced to the county prison for one month, was yesterday released from durance vile, his time having expired.

SUIT FOR CURE.—Mrs. Mary A. Colswill has brought suit against the Mayor, Aldermen, and citizens for the recovery of some thirty dollars, which she claims for attending the unfortunate Jacob Shaw, who was murdered by Mary Delaney in April last.

THE RIOTERS.—Charles McCoy, Washington Freeze, and Thos. Kilmeister, had another commitment for riot lodged against them yesterday, by Alderman McCune. They were charged with the offence, on the oath of Andrew Kilyon.

DISORDERLY CONDUCT.—Alderman McCune yesterday committed two women, named Margaret Gulland and Sarah Orr, charged by William Diamond with disorderly conduct. The same justice also sent up three common cases of vagrancy.

VAGRANCY.—The amount of money paid the police for the arrest of vagrants during the month of May, was $111. Hall was a work house, twice that amount might be the revenue to the county.

THEATRE.—The much talked of new play, "The Betrothal" is announced for this evening, together with a new piece entitled "the Adopted Child." With such a bill the Theatre will be crowded.

THE FARM OF EVE's entertainments are largely attended at Mozart Hall. Messrs. Lehr, banjoist, and Brown, dancer, are two good cards, and in connection with the Fairies give an excellent performance.

"SHALLOW FAT LIKE.—The attention of our readers is invited to the advertisement of Mr. John Thomson, European Agent. The lines for which he acts, are well known to be excellent.

A LOT of bedding, furniture, dining and breakfast ware, kitchen utensils, &c., will be sold at McKenna's auction house, this day, at 2 o'clock.

PIANO FORTES.

J. P. WARNER & CO.

411 Broadway, New York,

HAVE now on hand, at their spacious and elegant PIANO FORTE WAREROOMS, at the above number, an extensive assortment of PIANO FORTES, of the best manufacture, and of very superior tone. For chasteness of design, elegance of finish, and excellence of workmanship, they cannot be surpassed, any more than in fullness, beauty and richness of tone. These instruments are in large sized cases, of very uncommon strength, and have an improved tubular bass—one of the most valuable improvements of modern times. The Piano Fortes of W. & Co., from their peculiarity and completeness of construction, possess a remarkable quality of keeping in tune for a great length of time, which is an important desideratum. The prices of these superior instruments will be found unusually reasonable, considering their quality, they have been universally admired by the abler Pianists in this city, and wherever they have been introduced, they have in every instance given very marked satisfaction.

☞ A full and unequivocal Warranty is given in all cases.

MEDICAL.

From the Pittsburgh Daily Dispatch, Feb. 21, 1853.

AN EXCELLENT ARTICLE.—Persons who have acquired a stooping position, by following a sedentary occupation, will experience great relief by the use of the "Washington Suspender Brace," made and sold by DR. KEYSER, corner of Wood street and Virgin alley. It answers for a brace and suspenders; the weight of the pantaloons is so placed as to continually tend to bring the shoulders to their natural position, and expand the chest. We purchased one some time ago, and have been so pleased with it, that we unsolicited give it a "puff" gratis.

Women, hundreds of whom are annually injured by the weight of enormous "skirts," should also procure these braces. In particular in procuring the kind mentioned, as many of the braces sold are humbugs.

Sold wholesale and retail at the Drug Store of DR. G. H. KEYSER, 140, cor. Wood st. and Virgin alley. my22
