From the Pittsburgh Daily Dispatch, Feb. 24, 1853.

AN EXCELLENT ARTICLE.—Persons who have acquired a stooping position, by following a sedentary occupation, will experience great relief by the use of the "Washington Suspender Brace," made and sold by DR. KEYSER, corner of Wood street and Virgin alley. It answers for a brace and suspenders; the weight of the pantaloons is so placed as to continually tend to bring the shoulders to their natural position, and expand the chest. We purchased one some time ago, and have been so pleased with it, that we subscribed give it a "puff" gratis.

Women, hunchbacks of whom are annually injured by the weight of enormous "skirts," should also procure these braces. Be particular in procuring the kind mentioned, as many of the braces sold are humbugs.

Sold wholesale and retail at the Drug Store of DR. C. H. KEYSER, 120, cor. Wood st. and Virgin alley.

Braddock and Jumonville's Grave; Dunlap's Creek, which may be explored for miles under the mountain; the celebrated Ohio Pile Falls, on the Youghiogheny river; and the Cumberland Channel, descending from a shelving rock thirty feet perpendicularly, &c.

I HAVE introduced an elegant article of CLOTH and HAIR BRUSHES, superior to anything of the kind ever before manufactured in this city. They will compare with any Eastern Brushes ever brought to this market, not only in material, but also in finish. The best of workmen are employed to ornament them, and thus make them in every respect equal to any manufactured in any of the Eastern cities.

Also, a large assortment of Paint, Varnish, Sash, Shoe, Horse, Dusting, Scrubbing, Swaging and Window Brushes.

Also, a large assortment of Nailed and Tied Whitewash Brushes.

Also, a fine variety of Tooth, Nail and Brushes, flat, Varnish, Hair and Shaving.

All of which I will sell as low as they can be purchased in any Eastern market. All who doubt the above statement are most respectfully invited to call and judge for themselves.

N. B.—As I have concluded to combine my attention entirely to the manufacture of Brushes, I feel that I can offer as great inducements to any manufacturer in the Union.
