IMPORTANT TO HOUSEKEEPERS!

Something Better and more Economical than Soda, Cream Tartar, or any other Preparation in existence for Baking.

DURKEE'S CHEMICAL YEAST, OR BAKING POWDER—For raising Bread, Biscuit, Griddle and Johnny Cakes, Puddings, Pot-Pies, Corn Bread, Sweet Cakes, Apple Dumplings, Pastry, &c. This article is one that every FAMILY, HOTEL, BOARDING HOUSE, Eating Saloon, Ship, Steamboat, Vessel, Canal Boat, &c., will find, upon a careful trial, to be the very thing needed every single day of their existence.

Its most important advantages over the old system, are—

1. It saves the expense of milk, eggs, shortening, spoiled bread, and the trouble and expense of procuring good yeast, so generally lacking necessary.

2. No time is required for the dough to rise before baking—consequently, bread may be made in a few minutes.

3. A cook can always depend upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not.

4. Bread made by this process is much more nutritious, easier of digestion, better fitted for a weak stomach, sweeter, whiter and lighter, than when made with yeast.

5. The bread made by fermentation, does not afford the same amount of nourishment to the system, that it does when made with this compound; because the vegetable acid contained in fermented bread, prevents the proper action of the gastric fluid upon it, and consequently, a part only goes to nourish the body, while the acids tend to produce dyspepsia and its attendant evils.

This article has been thoroughly tested, and is universally liked. When used according to the directions, it is warranted to suit.

Be careful to ask for DURKEE'S BAKING POWDER, and take no other, and you will not be deceived. Principal office, 139 Water street, New York. Sold by the best grocers and druggists generally.

AN EXCELLENT ARTICLE.—Persons who have acquired a stooping position, by following a sedentary occupation, will experience great relief by the use of the Washington Suspender Brace, made and sold by Dr. KEYSER, corner of Wood street and Virgin alley. It connects the braces and suspenders; the weight of the pantaloons is applied as to continually tend to bring the shoulders to their natural position, and expand the chest. We purchased one some time ago, and have been so pleased with it, that we unsolicited give it a "puff" gratis.

Women, hundreds of whom are annually injured by the weight of enormous "skirts," should also procure these braces. Be particular in procuring the kind mentioned, as many of the braces sold are humbugs.

Sold wholesale and retail at the Drug Store of DR. G. H. KEYSER, 140, cor. Wood st. and Virgin alley. my27

Testimony from Tennessee.
IN FAVOR OF
B. A. FAHNESTOCK'S VERMIFUGE.

THE subscriber, John Herriford, a well known citizen of this State, speaks highly of the value of B. A. Fahnestock's Vermifuge, in another column. This Vermifuge, when pure, is an infallible specific for Worms—those torments of children. Messrs. B. A. Fahnestock & Co.:

Gentlemen—For the benefit of others, I take pleasure in testifying to the valuable qualities of your Vermifuge. About ten years ago my attention was first called to it by a friend, an officer in one of the Banks in Nashville, in whose family it was then a standard article, having used it in his family with very satisfactory results. By his advice, I took a half-gross for one of my children, who had until then been very feeble, and subject to frequent sickness. The Vermifuge expelled a great number of Worms, and the child afterwards gradually recovered good health. I have continued it regularly in my own family for most of the ailments of children, and generally with good effect.

One remarkable case, in the family of a near relation, I will mention in particular. The child was about four years of age; had always been puny; often attacked with severe pains, and at the age mentioned, nearly lost the use of the lower extremities. I recommended the use of your Vermifuge in the case, and left the half of a vial, which I was taking home, with directions for its use. I learned afterwards that the child passed an enormous bulk of large Worms—the number not remembered—and in a short time, by the use of the Vermifuge, the fits ceased, and its health began to improve. When I next saw the child she was walking, and enjoying perfect health. This recovery from the very jaws of death, the friends attribute to the use of your Vermifuge. JOHN HERRIFORD.

DR. DE LANEY'S
CELEBRATED
CURATIVE INSTRUMENT,

The only Infallible Cure for this Dreadful Disease known as

SPERMATORRHEA OR INVOLUNTARY NOCTURNAL EMISSIONS, so harrassing and destructive, and productive of so much mischief to the nervous system, incapacitating the subject for business, society and matrimony.

This Instrument is simple, comprehensive and never failing, and may be used without the slightest inconvenience or the knowledge of the most intimate friend. It is to be used externally, producing no pain or injury whatever, nor preventing any one from attending to his business; and while in use not a single emission can take place, strengthening the organs, in a short time, to such an extent that they REGAIN THEIR PRIMITIVE POWER OF RETENTION, the loss of which, caused by early abuse, is the disease in question; and the cause of the thousand concomitant complaints —viz: Nervousness, Prostration, Dyspepsia, Pain in the Head and Dimness of Vision, Weakness of the Back and Lower Extremities, Affections of the Eyes, Impotency, Pimples on the Face, Premature Decline of Virility, Weakness of Memory and Power for Mental Application, Dejection, Aversion to Society, Timidity, Self-Distrust, Love of Solitude, &c. All these complaints invariably disappear, as soon as the disease is stopped from which they emanated.

Be it also remembered, that these complaints are but little understood by the profession in general, and that all the medicine in the world never has, and never will, stop these losses, which, if allowed to continue unchecked, are sure to produce the most distressing consequences.

The price of the complete instrument, carefully secured against all observation in a box, is only $10. It can be sent by express to any address, in any part of the United States, Canada, &c., according to order, accompanied by full directions, and instructions, advice to the married and single, the cure of the remotest parts of the country, being very trifling.

All applications and remittances must be directed (post-paid) to the Doctor himself, he having no Agents established but in London and Paris.

Address, (post-paid) Dr. B. De Laney, 51 Lispenard street, New York.

Office hours, daily, from 9 A. M. till 5 P. M., and from 7 to 9 P. M.; the Sabbath excepted.

The undersigned certify, with great pleasure, that the above mentioned Instrument is not only constructed on scientific principles, but that from its use the happiest results may always with confidence, be anticipated, there being, for the cure of those diseases, no other certain remedy extant.

AYER'S
CHERRY PECTORAL

FOR THE CURE OF
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA AND CONSUMPTION.

And by the river, upon the bank thereof, shall grow all trees for meat, whose leaf shall not fade, and the fruit there of shall be for meat and the leaf thereof for medicine.

HERE was hope for the sick recorded long ago, and every year adds new proof to the assurance that these promises shall not fail.

As medical Science discovers and designates the remedies nature has given, one by one, the diseases that afflict our race yield to the control of art. Of all the maladies we suffer from, none has carried more victims to an untimely grave than Consumption of the Lungs. Subjoined we give some evidence that this too may be cured, and that Pulmonary Complaints, in all their forms, may be removed by Cherry Pectoral.

Space will not permit us to publish here any proportion of the cures it has effected, but the Agent below named will furnish our Circular free, whereon are full particulars and indisputable proof of these facts.

Sufferers! read and judge for yourselves.

FOR INFLUENZA AND WHOOPING COUGH.

NASHVILLE, June 26, 1851.

Sir: I have repeatedly used your Cherry Pectoral for Whooping Cough and Influenza, and have no hesitation in pronouncing it a complete remedy. Four of my children have been afflicted with these diseases, and the free use of the Pectoral has always afforded almost instant relief. JAMES GLOVER.

We attest the truth of the above statement.

J. M. ZIMMERMAN, Druggist.

FOR A CONSUMPTIVE COUGH.

PITTSBURGH, PA., Feb. 25, 1851.

Dear Sir:—For three years I have been afflicted with a Cough, so distressing that I frequently despaired of recovery; much of the time I was obliged to sit up all night in my chair, as my cough would suffocate me when I lay down. Having used many remedies without much relief, I at last tried the Cherry Pectoral, which, under Providence, has altogether cured me. I am, with gratitude, yours, JAMES M'CANDLESS.

This is one of the Numerous Cures of Asthma which have been accredited to Cherry Pectoral.

ALBANY, N. Y., April 17, 1848.

DR. AYER, Lowell. Dear Sir: I have for years been afflicted with Asthma in the worst form, so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many remedies, to no purpose, until my physician prescribed, as an experiment, your Cherry Pectoral.

At first it seemed to make me worse, but in less than a week I began to experience the most gratifying relief from its use; and now, in four weeks, the disease is entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I had never expected to enjoy. GEORGE S. FARANT, Commission and Forwarding Merchant.

From the President of Amherst College,
EDWARD HITCHCOCK, M. D., LL. D., &c.

J. C. AYER,—Sir—I have used your Cherry Pectoral in my own case of deep-seated bronchitis, and am satisfied from its chemical constitution, that it is an admirable compound for the relief of laryngial and bronchial difficulties. If my opinion, as to its superior character, can be of any service, you are at liberty to use it as you think proper. EDWARD HITCHCOCK. Amherst, Sept. 12, 1847.

Among the other distinguished authorities who have lent their names to recommend this preparation as the best known to them for affections of the lungs, are:
