THE CITY POST.

THURSDAY MORNING.....JUNE 30

COURT NEWS.

In the Court of Quarter Sessions, before Hon. William B. M'Clure, President Judge, William Boggs and Gabriel Adams, Associate Judges.

Commonwealth vs. Godfrey S. Hamer; indictment, passing counterfeit money. The defendant was charged by officer Bougher with passing a counterfeit ten dollar bill on the State Bank of Ohio. Found guilty, but recommended to mercy. The Court sentenced him to three months in the county jail.

Commonwealth vs. Michael M'Nancy; indictment, larceny. The prisoner was accused of the larceny of two trunks, belonging to C. Thomas. Found guilty; and sentenced to three months in jail.

Edward Reilly; indicted for keeping a tippling house, was acquitted—the county to pay the costs.

Capt. William Dean was placed in the dock. There were three indictments against the Captain—one laid by Henry Jackson; the other by Capt. Campbell, of the Pittsburgh. The prosecutors did not appear, and Dean, in compliance, pleaded guilty to the charge of false pretences, and was sentenced to pay a fine of ten dollars, and undergo an imprisonment of six months in the county jail.

Commonwealth vs. Jacob Hissly, alias Keeler; indictment, larceny. The defendant was accused of the larceny of a trunk, from Robert M'Clure. A verdict of not guilty was rendered.

Commonwealth vs. J. S. Wright; indictment, secreting property, for the purpose of defrauding creditors, on oath of Jonathan Davis. Wright borrowed $750 from Davis, and promised to return it next day. He did not, however, but left for the east. He was arrested at Harrisburg. The defence contended that the prisoner was indebted to the defendant, double the sum. On trial.

New Mansion-House Building.—Judging from the plans exhibited by the architects of this building, Messrs Barr & Mosser, it will be an ornament to our city.... It will by all odds, exceed the present building, in all that constitutes an architectural beauty. The height of the new building (though but two stories), will equal that of the middle of the opposite building, where the Council chambers are located. The building will be 170 feet in length by 70 feet deep; there will be 23 doors leading into the first story, and three entrances leading into the second. The first floor will contain 45 butcher stalls, ranged in groups of four—each stall fronting on an avenue seven feet wide. There will also be, on this story 54 vegetable stalls. The main avenue leading from Market street through the building, will be nine feet wide. The lower hall, on the second story will be 132 feet long, by 66 feet wide, and 31 feet high—a great deal higher than Masonic Hall. The principal entrance will be by two doors on the South side. Two pair of stairs seven feet wide lead into the vestibule or ante room; 17 feet deep by 23 feet wide. At each entrance there will be a dressing room, and adjoining the main room, an octagonal ticket office; on the North side, there will be a private entrance to the second story, leading into a room back of the stage, designed for speakers to retire to after having covered themselves with glory.

The room will be handsomely finished. The windows will be arched, and sunk in recesses, in the wall.

Allegheny County Agricultural Society.—The Board of Managers of the Allegheny County Agricultural Society met yesterday in the Court House. Present—Wm. Martin, H. Ingram, J. Young, Jr. H. Foster, and John Murdoch, Jr., Chairman.

Absent—Messrs. McQueen, Latimer, Kelly, Menzies, Payne, Speer, (Sty.) Way, McKinley, Snodgrass, Burns, and King.

On motion, it was resolved, that the Committee on Correspondence, consisting of Messrs. Martin, Murdoch, and Negley, be requested to wait on the Committee of Arrangements of the State Society, as soon as the latter arrives, and inquire carefully into the plan of their proceedings and the position occupied by the Board of Managers of the Allegheny County Agricultural Society, in relation thereto.

After the transaction of some further business of no general importance, the Board adjourned.

JOHN MURDOCH, Jr., Chairman.

JOS. SCHLOSSER, Secretary.

Potato or Jice.—From all parts of the country we have accounts of the preparations making to celebrate the ensuing Fourth of July—and in every town and city the municipal authorities join with the citizens in concerting measures for an appropriate observance of the day. Pittsburgh, however, is the exception to the general rule—we are to have no public demonstration, no recognition of the glorious day. True it is that many socialists sticking among us will celebrate the day—the Sunday Schools will "turn out," and there will be picnics without number; but we want like to see a demonstration by our city authorities. Why should not the Councils go in a body to Masonic Hall, hear an oration, delivered by some citizen, and then march somewhere, and discuss the merits of turtle soup, drink patriotic toasts, and talk of the propriety of the Maine Law, and its applicability to this city? There are many persons in our Councils who would look well behind a bowl of turtle soup, or through a glass—much better than they do in their seats, in Councils.

Street Sprinkler.—The dust on some of our principal streets was partially laid yesterday afternoon, by an ingenious street sprinkler. The sprinkler consisted in a tin spout, perforated with holes, which was connected with a hogshead of water, placed on a cart. The contrivance, though rather slow in its operations, is decidedly of benefit. A smart shower with which we were favored a few minutes after the "machine" neared our office, was productive of far greater benefit.

Cars Drawn—Our friend, the Captain, was yesterday put through, under the immediate auspices of Judge McClure, and District Attorney Flanagin. The Captain's suavity of manner, his prepossessing appearance, coupled with an unexceptionable manscript, got him off with but a light sentence. No man of Capt. Dean's ability should be cooped up in such a place as our county jail—there is but little chance for the display of his peculiar abilities.

The Late Fire.—Laborers are busily engaged in removing the rubbish from the scene of the late fire, at the Canal Basin. The standing walls have been torn down, and a number of workmen are now employed in repairing the damaged done Bingham's warehouse. The fire in the warehouse of Atkins & Jennie, is still burning. This is caused by the large quantity of rosin which was stored in the warehouse.

Runnin Row.—A "shindy" took place on Sunday, in section seven of the Allegheny Valley Railroad. A laborer named Griffin took possession of a house, and had to be ousted by main force. He was taken before the "proper shiner," and on condition that he would leave the section, was discharged. Section seven is five miles from the city.

Rule of Court.—A rule of Court, was yesterday promulgated, to the effect that as soon as the jury trials were concluded, the argument list should be taken up, and disposed of. All rules to show cause, and motions and rules of a discretionary character, not on the argument list, are dismissed, by general order of Court.

Ran Away.—A man named William Pennall, against whom a warrant had been issued for assault and battery by Ald. Reinhart, he made his escape, without answering the just demands of the law. Pennall assaulted a young lady named Ellen Brandt.

The German Turners are to celebrate "the Fourth" in grand style, on Voegly's hill, near Allegheny City. Staging and sheds are now in course of erection. Societies of German Turners, from Cincinnati, and other western cities, are expected to be present.

Selling Liquor on Sunday.—Mayor Riddle yesterday fined a German named Worley, four dollars and the costs, for selling liquor on Sunday. The complaint was made by Valentine Link, and the offender arrested by officer Dougherty.

State Fair.—Judge Watts, President of the State Agricultural Society, will be in the city in a few days, in connection with Simon Cameron, and R. C. Walker, Esq., for the purpose of selecting a site for holding the ensuing State Fair.

Disorderly Conduct.—Mayor Riddle yesterday committed two persons for disorderly conduct; Ald. Major, also committed two more for the same offence, and Mayor Park, of Allegheny City, two more.

Freight Business.—The Ohio and Pennsylvania Railroad Company is now doing a heavy business in the way of shipping freight. Yield depot on Federal street is crowded with merchandize waiting shipment to Cincinnati.

Held to Bail.—Patrick M'Name, accused of a participation in the riot in front of the American Hotel, was held to bail yesterday, for his appearance at Court, by Ald. Major.

Assault and Battery.—Mayor Park, of Allegheny, yesterday held Thomas Smith to bail, for assault and battery, on Martin Mohaffy.

Committed for Costs.—Jacob Seabuch, was committed by the Court yesterday, for costs.

☞ **More Home Testimony.**—Mr. Solomon: Sir—I think it no more than an act of justice to you, as well as to the American community, to state that the SPECTACLES I bought from you suit me well. I find my sight much improved. I can see small print with them for any length of time without fatigue to my eyes. Should my sight continue to improve by the use of them. I have no doubt but I shall be able to read without them in a short time. Yours, truly, T. MOUNDER.

Allegheny City, June 25, 1853.

☞ I have used Mr. Solomon's EYE GLASSES for a very brief period, with decided advantage, and have no hesitation in stating that a defective vision of long standing has been relieved, and the organs seem to be acquiring vigor and tone. I therefore cheerfully bear witness to their efficiency and accuracy, as also to Mr. Solomon's skill as a practical Optician, and the wonderful facility with which he adapts his Glasses to the various peculiarities of vision.
