Property for Sale.

THE subscriber offers for sale, on very reasonable terms, the following property, viz:

A Three Story Brick Dwelling House, No. 110 Penn street, between Hay street and Evans Alley; and Lot 20 feet front, and extending back 115 feet to an alley. The House is one of the best buildings, and in one of the most pleasant neighborhoods in the city.

Five Lots, embracing corners of Front and Ferry streets; one hundred and fifty feet front on Ferry and sixty feet on Front street, with a good three story Brick Building on the corner, a two story Frame on Front st., and two Brick Buildings, used as shops, on Ferry st.

A Lot, 21 feet front by 70 feet deep, on Penn, between Market and Ferry streets.

A Lot, with very convenient Frame Dwelling; Lot 20 feet by 60, fronting on Dodson and Elm sts.

A Lot, with Lot on Wylie street, near the new Court House, which is well arranged, and in good order, and is now occupied as a Hotel.

A Three Story Brick, on Smithfield street, near Seventh, adjoining an extensive business location.

A Cottage Frame and Lot, 28 by 150 feet, fronting on Anne Bidwell street, Allegheny City. This is a very desirable lot, and a pleasant location for a residence.

Nine Lots in the town of Birmingham, each 40 feet by 150. Several others in the Main street.

Eleven Acres in Limestone, on the Monongahela River, on Brick Church road, about two miles from the city. This is a excellent stone seat, and abundance of limestone, convenient to the landing; and two coal pits open.

Twenty Acres of Land, in Columbiana, 60 feet by 150 each, nearly all level, and well located. The tenant of each Lot has the privilege of doing whatever stone he may require for his use on the premises, free of charge. Columbia is a pleasant situation on the bank of the Monongahela river, a short distance below Lock No. 3, in the midst of a extensive stone quarry region, and would be a desirable point for manufacturing establishments.

Two Hundred Acres of Timber Land, on the Homestead Railroad, 8 m. This property has a front of 140 rods on the Monongahela river; an excellent landing; good grade and foundation for railroad; timber has been growing at one point for houses and gardens, or locations for manufactories. The rain is deep enough to allow horses to be used in hauling out the coal—the quality of which, for hauling steamers, or for any ordinary uses, is not surpassed by any in the country.

In any absence, my agent, James Blakely, Esq., will give all necessary information, and be authorized to give warranty deeds for any property sold. JAMES RAY,

IMPORTANT TO HOUSEKEEPERS!

Something Better and more Economical than Soda; Cream Tartar or any other Preparation is substituted for BAKING POWDER.—For raising Bread, Biscuit, Griddle and Johnny Cakes, Pudding, Pot-Pies, Corn Bread, Sweet Cakes, Apple Dumplings, Pastry, &c. This article is one that every housekeeper should use.

FAMILY, HOTEL, BOARDING HOUSE, AND RESTAURANT USE.

Eating Saloon, Ship, Steamboat, Vessel, Canal Boat, &c., will find, upon a careful trial, to be the *very thing needed every single day of their existence*.

It uses most important advantages over the old system, are—

1. It saves the expense of milk, eggs, churning, spoiled bread, and the trouble and expense of procuring good yeast, yeast only being necessary.

2. No time is required for the dough to rise before baking it immediately; bread may be made in a few minutes.

3. A cock can always depend upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not.

4. Bread made by this process is much more nutritious, easier of digestion, better fitted for a weak stomach, sweeter, whiter and lighter, than when made with yeast.

5. The bread made by fermentation, does not afford the same amount of nourishment to the system, that it does when made with this compound; because the vegetable acid contained in fermented bread, prevents the proper action of the gastric fluid upon it, and consequently, a part only goes to nourish the body, while the acids tend to produce dyspepsia and its attendant evils.

This article has been thoroughly tested, and is universally liked. When used according to the directions, it is *warranted* to suit.

☞ Be careful to ask for DURKEE'S BAKING POWDER, and take no other, and you will not be deceived. Principal office, 129 Water street, New York. Sold by the best grocers and druggists generally.
