This property has a front of 140 rods on the Monongahela River; an excellent landing; good grade and foundation for railroad—with enough level ground at one point for houses and gardens, or locations for manufacturing, and enough to allow horses to be used in hauling out the coal—the quality of which, for iron work, steam, gas, or for any ordinary uses, is not surpassed by any in the country.

In my absence, my agent, James Blakely, Esq., will give all necessary information, and be authorized to give a warranty deed for any property sold. JAMES MAY,

IMPORTANT TO HOUSEKEEPERS!

Butter or any other Preparation in existence for Baking.

DURKEE'S CHEMICAL YEAST OR BAKING POWDER.—For raising Bread, Biscuit, Griddle and Johnny Cakes, Puddings, Pot-Pies, Corn Bread, Sweet Cakes, Apple Dumplings, Pastry, &c. This article is one that every FAMILY, HOTEL, BOARDING HOUSE,

Eating Saloon, Ship, Steamboat, Vessel, Camp, Boat, &c., will find, upon a careful trial, to be the *very thing needed every single day of their existence.*

Its most important advantages over the old system, are—

1. It saves the expense of milk, eggs, shortening, spoiled bread, and the trouble and expense of procuring good yeast, water only being necessary.

2. No time is required for the dough to *rise* before baking consequently, bread may be made in a few minutes.

3. A cook can always depend upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not.

4. Bread made by this process is much more nutritious, easier of digestion, better fitted for a weak stomach, sweeter, whiter and lighter, than when made with yeast.

5. The bread made by fermentation, does not afford the same amount of nourishment to the system, that it does when made with this compound; because the vegetable matter contained in fermented bread, prevents the proper action of the gastric fluid upon it, and consequently, a part only goes to nourish the body, while the acids tend to produce indigestion and its attendant evils.

This article has been thoroughly tested, and is universally liked. When used according to the directions, it is warranted to suit.

☞ Be careful to ask for DURKEE'S BAKING POWDER, and take no other, and you will not be deceived. Principal office, 159 Water street, New York. Sold by the the best grocers and druggists generally.
