The Ships of this Line sail on the 1st of every month.
The Baltimore Clipper Bark INCA,
TONS BURTHEN
Having made two successful voyages from China, each in the very short period of 120 days, has increased the fleet and the reputation for fast sailing, and will be dispatched for MELBOURNE, AUSTRALIA,
About the 25th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among 250 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 4.00 per cent. This very gratifying result shows that no expense and care have been spared in selecting, ventilating, and provisioning the ships of the Pioneer Line.
The INCA will only carry a limited number of passengers, at as moderate rates as are consistent with justice to passengers and owners.
For freight or passage, apply on board, at Pier 12, R. R., or to R. W. CAMERON, 116 Wall st.

FIVE SILVER MEDALS AWARDED, VIZ:—
By { AMERICAN INSTITUTE, New-York;

THE peculiar improvement in the construction of this Mattress is, that all the *clumsy and heavy wooden framework* is entirely dispensed with, and its place supplied by a lighter and much more durable frame. The springs are all connected by harness leather hinges, securely stretched, rendering it impossible for a single spring to fall down or get out of place, and making a bed so elastic that any part may be raised or bent up, and is thus admirably fitted to the wants of the sick or asthmatic, who may require a sitting posture. It has all the luxurious softness of the best feather bed, with the lightness and facility of handling of the common hair mattress.
These improved Spring Beds are invariably made of the best materials, and will last many years without repairs.
Persons having Hair Mattresses can have them altered in to Spring Beds.
These Beds are well adapted for Hotels, Boths of Ships, Steamboats and Hospitals.
