JOSEPH LIPPINCOTT. WM. B. CARR.
LIPPINCOTT & BARR,
(LATE J. S. SCHOLES & CO.)
MANUFACTURERS OF PATENT FIRE PROOF SAFES, Second Street, between Wood and Smithfield—On Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Fire proof Safes. The furnace being prepared, the Safe was placed inside thereof with Books, Papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot. The furnace was then pulled 5 o'clock; being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

In calling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire proof. We have constantly on hand and for sale a full assortment of the above safes. janc31 BELL & TUBBY.

The Ships of this Line are fitted with Emerson's Patent Ventilators, and carry Francis' Metallic Life-boats.

The Baltimore Clipper Bark INCA,
900 TONS BURTHEN,

Having made two successful voyages from China, each in the very short time of 90 days, has thoroughly established her reputation for fast sailing, and will be dispatched for MELBOURNE, AUSTRALIA,

About the 22th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among 250 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 4.50 per cent. This very gratifying result shows that no care and expense have been spared in selecting, ventilating, and provisioning the ships of the Pioneer Line.

The INCA will only carry a limited number of passengers, at as moderate rates as are consistent with justice to passengers and owners.

EMPLOYING none but experienced workmen, (apprentices being positively excluded,) and using the best materials, the work cannot fail to give satisfaction to purchasers. Amongst the many advantages offered to purchasers, is the facility of furnishing a House, either in elegant or plain style, completely from one establishment; by which means all the articles in each room correspond in style and quality, and the immense stock always on hand, being so various in design, enables purchasers to please their taste in a selection, without the delay necessarily caused in ordering Furniture.

To give an idea of the finished Furniture on hand, I need only inform you that my Rooms are 175 feet long, by 27 feet wide, four floors in number; with Shops contiguous, sufficient to employ 200 hands, which is a guarantee that the work is all done under my own immediate inspection.

☞ The Packing is all done in the Store, and Furniture warranted to carry safely any distance. Visitors to Philadelphia are respectfully invited, as purchasers or otherwise, to call and examine the Goods. sn25-1y

THE peculiar improvement in the construction of this Mattress is that it will the *clumsy and heavy wooden frame-work* is entirely dispensed with, and its place supplied by a lighter and much more durable frame. The springs are all connected by harness leather hinges, securely rivetted, rendering it impossible for a single spring to fall down or get out of place, and making a bed so elastic that any part may be raised or beat up, and is thus admirably fitted to the wants of the sick or asthmatic, who may require a sitting posture. It has all the luxurious softness of the best feather bed, with the lightness and facility of handling of the common hair mattress.

These improved Spring Beds are invariably made of the best materials, and will last many years without repairs.
