LIPPINCOTT & BARR,
(LATE J. & STRICKLER & CO.)
MANUFACTURERS OF HEAVY FIRE PROOF SAFES, Second Street, between Wood and Smithfield—On Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Fire Proof Safes. The furnace being prepared, the Safe was placed inside thereof with Books, Manuscripts, and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a few minutes the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time allotted to any safe to remain in the furnace was not then pulled down, Safe cooled, and door opened—the books, papers and money safe. Nothing was so great as to injure the Safe. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof. JAMES BLAKELY.
