DAILY MORNING POST.

WEDNESDAY MORNING ... MAY 3.

Sam Slick a Philosopher.—"I ask again, what is happiness?" "It ain't being idle, that's a fact—no idle man or woman was happy since the world began. Eve was idle, and that's the way she got tempted, poor critter; employment gives both appetite and digestion. Duty makes pleasure doubly sweet by contrast. When the harness is off, if the work ain't too hard, a critter likes to kick up his heels. When pleasure is the business of life, it ceases to be pleasure; and when it's all labor and no play, worked like an unstuffed saddle, cuts into the very bone. Neither labor or idleness has a road that leads to happiness—one has no room for the heart and the other corrupts it. Hard work is the best of the two; for that has, at all events, sound sleep—the other has restless pillows, and unrefreshing sleep; one is a misfortune and the other a curse, and money ain't a happiness, that's clear as mud."

☞ The French emperor's body guard is to consist of 150 men and 26 officers. The men are non-commissioned officers in the army, must be five feet six at the least, and receive 1200 francs a year. Their duties are, never to quit the emperor for a single instant; to watch at his door when he sleeps, and generally to keep up a system of inspection, which, to a private person, would be an annoyance. The body will be known as *Les Cent Gardes.*

DE GUINON'S
Improved Non-Explosive Camphene Lamps.

Having purchased the right for the above LAMP in the counties of ALLEGHENY, BEAVER, WASHINGTON, FAYETTE, and GREENE, we are prepared to furnish Lamps, or sell Rights for a reasonable price.—These Lamps are so constructed as to render explosion impossible, and the public may rest satisfied that they may be used with entire safety. They also give more brilliant light, and the materials used being cheaper than the "Long Tallow," or oils of any kind, they must come into general use. We also have LANTERNS and CANS on the non-explosive principle.
RECOMMENDATIONS:
This certifies that we have seen, examined and tried, De Guinon's Improved Non-Exploding Camphene Lamp, patented January 6th, 1852, and are fully satisfied that it is a very valuable improvement, and will be found far preferable to any other Lamp in use. We believe for safety it is perfectly reliable, and therefore deem it richly deserving the attention of all such as have occasion to use Lamps of any kind.

MEDICAL.

Invalids of Pittsburgh and Vicinity,
Your attention is urgently invited to a careful and candid perusal of something that has just been introduced into the time-honored Keystone State:
PULVERMACHER'S
HYDRO-ELECTRIC
VOLTAIC CHAINS!
A new and novel mode of applying a powerful remedial agent, so constructed as to be worn under the garments next to the skin, producing a constant, UNINTERRUPTED current of ELECTRO-MAGNETISM, effecting
Immediate Relief
From the most acute pain, and also a permanent cure of all
NERVOUS DISEASES.
It seldom has failed to furnish almost certain relief, and a FINAL, PERMANENT CURE, by being used according to directions, to the following diseases:

Rheumatism,	Uterine Pains,
Gout, Sciatica,	Palpitation of the Heart,
Paralysis,	Periodical Headache,
Painful and Swelled Joints,	St. Vitus' Dance,
Neuralgia of the Face,	General Debility,
Diseases of the Spine,	Pains of the Chest,
Deafness and Blindness,	Hysterics, Dyspepsia,

ALL DISEASES
That are caused by a deficient amount of NERVOUS FLUID, are greatly relieved, if not permanently cured by simply wearing the chains for a few hours each day.
Be it Understood,
That it is not claimed that it cures all diseases, but only those for which it is recommended; and moreover, we boldly claim and DEFY, that no medicinal agent of ANY KIND has performed SO MANY CURES during the last year, of those diseases just named, as
PULVERMACHER'S ELECTRIC CHAINS.
And to prove this assertion, we defy any person to produce so many WELL AUTHENTICATED CERTIFICATES of Scientific Physicians, and intelligent patients as may be found in a pamphlet of thirty-six pages, to be had (gratis) of the agent in this town.
The electric Chains were first introduced in France in 1850 and after being subjected to the most
Thorough and Rigid Trial,
By the first medical men in Paris, they were found to possess strange and marvellous power in relieving pain, wherever applied, and by their influence were introduced into the hospitals of that city, and also secured by letters patent by the French Government.
They are now introduced in almost every Hospital in England, Germany, Austria, Belgium, and patented in those countries, where they have become the
MOST POPULAR CURATIVE AGENT IN THE WORLD.
They were first introduced into the United States about one year since, and went through the same trial as in Europe, and were at once introduced into every Hospital in New York, where they are now in daily use, effecting even MORE WONDERFUL CURES than had ever before been awarded them.
They are highly recommended by Profs. Valentine Mott, Van Buren, Post and others, who have published their views of their power and value in several of the medical journals in that city, and are also in the daily practice of recommending their use to patients. A full account of their opinion may also be found in every pamphlet, and sent to the address of any person in the State by applying (post paid) to Dr. GEO. H. KEYSER, who is agent for Pittsburgh, Pa. The chains can be sent by mail, with full descriptions for use.
Price of Chains, $3 and $5.
Physicians are politely invited to call and examine their construction, and pronounce upon their merits.
One Word More to Invalids.
No person need fear that they will not accomplish just what it is claimed they can do, and all persons who have become disgusted with a constant pouring down of patent nostrums (bottled swill) are kindly and politely invited to give them a trial.
N. B.—One Chain will last for years and lose none of its electric power by use, and can be applied to either adult or child.
GEO. H. KEYSER, No. 140 corner of Wood street and Virgin alley, Pittsburgh, wholesale and retail agent. Also, by J. P. FLEMING, Allegheny City. [dec16:daw6m

DEAFNESS,
PARTIAL OR TOTAL,
ENTIRELY REMOVED.
Dr. Alsopherr begs to call the attention of those suffering from a total or partial loss of the hearing, to the following facts. He treats diseases of the middle or internal Ear with
MEDICATED DOUCHES.
Such as is practiced in the Infirmaries of Berlin, Leipsic, Brussels, Hamburg, and St. Petersburg, and lately by the most celebrated London Aurists, with the most wonderful success; indeed, it is the only method that has been uniformly successful. The best proof of the efficacy of the treatment will be a reference to nearly
NINE HUNDRED NAMES.
Residents of the United States, Canada, New Brunswick, and Nova Scotia, who have been cured in Berlin, London and elsewhere, not a single solitary case, to our knowledge, having failed to effect either a partial or total restoration of the Hearing, when our various and explicit instructions are faithfully and punctually adhered to. Many who until then could not hear the report of a pistol at arm's length, can now hear a watch beat at the distance of four feet. [illegible]

The expense is but a trifle, when compared with the incalculable good they effect.
Feeling satisfied that our Bitters possess merit sufficient to recommend them, we will not multiply words in their praise, but ask all to give them a trial; but be careful to ask for HOSTETTER'S STOMACH BITTERS, as there are other Bitters represented to be the same, which comparatively are worthless. Our Bitters are without a rival, either as to their medicinal qualities, or as a beverage. They are put in quart bottles, each bottle containing a full quart, with directions on, and *Dr. J. Montreal, Canada, March 18, 1850.
Messrs. B. A. Fahnestock & Co.—Gentlemen: My little girl, eight years of age, was for a considerable time suffering from worms. I purchased one bottle of your Vermifuge, which I gave according to directions, and to my great astonishment she passed one hundred and twenty-one worms, varying from eight to sixteen inches in length, besides Pinworms. Having experienced the good effects of this medicine, I administered it again to my boy, five years old, with the same happy effect, passing forty-eight worms, of various sizes. I feel it a duty to recommend this Vermifuge, and to make the cases of my children known to the public.

Carter's Spanish Mixture,
THE GREAT PURIFIER OF THE BLOOD,
NOT A PARTICLE OF MERCURY IN IT.
An invaluable remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all Diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.
This valuable Medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.
P. BOYDEN, Esq., of the Exchange Hotel, Richmond, known everywhere, says he has seen the medicine called Carter's Spanish Mixture administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.
AGUE AND FEVER—GREAT CURE.—I hereby certify that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither chills or fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case.
JOHN LONGDEN.
Beaver Dam, near Richmond, Va.
C. B. LUCK, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of fifty bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail, when taken according to directions.
Dr. MINGE, a practising Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of Carter's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.
SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint of eight years standing, by the use of two bottles of Carter's Spanish Mixture.
GREAT CURE OF SCROFULA.—The Editors of the Richmond Republican had a servant employed in their press room cured of violent Scrofula, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a public notice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood."
STILL ANOTHER CURE OF SCROFULA.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine.
JAMES M. TAYLOR,
Conductor on the R. F. and P. R. R. Co., Richmond, Va.
SALTRHEUM of TWENTY YEARS STANDING CURED.—Mr. JOHN THOMPSON, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly twenty years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.
WM. A. MATTHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.
RICHARD E. WEST, of Richmond, was cured of Scrofula, and what physicians call confirmed Consumption, by three bottles of Carter's Spanish Mixture.
EDWARD BURTON, commissioner of the revenue, says he has seen the good effects of Carter's Spanish Mixture in a number of Syphilitic cases, and says it is a perfect cure for that horrible disease.
WM. G. HARWOOD, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk without a crutch; in a short time permanently cured.

This certifies that I have, for a number of years been acquainted with the composition and mode of manufacture of MORSE'S COMPOUND SYRUP OF YELLOW DOCK ROOT. I have also been acquainted with its *modus operandi* in disease, and can say that in all respects it is admirably calculated to remedy that class of Disease for which it was designed. It is especially valuable in INDIGESTION and all its attendant symptoms, it excites to healthy action the LIVER, removes Torpor, and inactivity of this ORGAN, and stimulates healthy action in all the system. As a DEPURATOR, or purifier of the Blood, it has no superior.

For the cure of Deafness, Pains, and the Discharges of Matter from the Ears—also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, &c., which are symptoms of approaching Deafness, and also generally with the disease. Many persons who have been deaf for ten, fifteen, and twenty years, and were obliged to use ear-trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well. Physicians and Surgeons highly recommend its use.
[From the Tribune.]
Parents Don't Neglect Your Children.—Thousands of children annually become deaf, in consequence of discharges of matter from their ears, induced by Scarlet Fever, Colds, &c. Now, if mothers would do their duty, and children would be cured—but if neglected, the discharge continues very troublesome, the hearing gradually gets worse, and finally partial or total deafness ensues.
IMPORTANT NOTICE:
Call and see Mrs. Baxter, and she will impart to you information that will convince and astonish you.
Astounding Fact—Philadelphia, January 4.—I hereby certify, that when I was about twelve years old, I gradually became deaf in both ears, so that in a few months I found it almost impossible to hear, unless in the very loudest tone of voice. I remained in that situation until last summer, a period of eighteen years, when I heard of SCARPA'S COMPOUND ACOUSTIC OIL. I immediately obtained a bottle, which I have used, and am happy to say it has acted like magic, and quite cured me. Any one wishing further information of my case, which I think a remarkable one, will find me by calling at my residence, Concord street, first door above Second street. REBECCA BAXTER.
