The vein is deep enough to allow horses to be used in hauling out the coal—the quality of which, for iron work or for gas, or for any ordinary uses, is not surpassed by any in the country.

In my absence, my agent, James Blakely, Esq., will give all necessary information, and be authorized to give warranty deeds for any property sold. ——— JAMES MAY,

IMPORTANT TO HOUSEKEEPERS!

Something Better and more Economical than Soda, Cream Tartar, or any other Preparations, offered for Baking.

PIRATES CHEMICAL YEAST OR BAKING POWDER—For raising Bread, Biscuit, Griddle and Johnny Cakes, Pastry, &c. Pie-Plant, Corn Bread, Sweet Cakes, Apple Dumplings, Pastry, &c. This article is one that every ——— FAMILY, HOTEL, BOARDING-HOUSE,

Eating Saloon, Ship, Steamboat, Vessel, Canal Boat, &c., will find, upon a careful trial, to be the *very thing needed every single day of their existence.*

Its many important advantages over the old system, are—

1. It saves the expense of milk, eggs, shortening, spoiled bread, and the trouble and expense of procuring good yeast, whenever it may be necessary.

2. No time is required for the dough to rise before baking—consequently, bread may be made in a few minutes.

3. A cook can always depend upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not.

4. Bread made by this process is much more nutritious, easier of digestion, better suited for a weak stomach, sweeter, whiter and lighter, than when made with yeast.

5. The bread made by fermentation, does not afford the same amount of nourishment to the system, that is does when made with this compound; because the vegetable acid contained in fermented bread, prevents the proper action of the gastric juice upon it; and consequently, a part only goes to nourish the body, while the acids tend to produce pepsia and its attendant evils.

This article has been thoroughly tested, and is universally liked. When used according to the directions, it is warranted to suit.

☞ Be careful to ask for PURKEE'S BAKING POWDER, and take no other, and you will not be deceived. Principal office, 120 Water street, New York. Sold by the best grocers and druggists generally.
