MEETING OF COUNCILS.

The City Councils met last evening in their chamber, in the City Hall:

Common Council—Mr. Marshall, the President, in the Chair. The minutes of the preceding meeting were read and approved.

A petition was presented from the Seventh Ward, praying for the opening of Rose street, from Hawkins to Overhill streets. Referred to the Committee on Streets. In Select Council, action concurred in, with the addition of Finance Committee as reference.

A petition from citizens of the Eighth Ward, asking for the opening of Forbes street, from Pride to Van Braam streets, was referred to the same committee. Action concurred in in Select Council.

A petition from citizens of the Ninth Ward, in relation to a brick sewer in the Ninth Ward, was also referred to the Committee on Streets. In Select Council action concurred in.

A notification from the Treasurer of the Gas Company, was received, stating that the term of John S. Kennedy, as Trustee of the Gas Works, had expired. On an election Mr. Kennedy was re-elected for another term.

A communication from Mayor Riddle, in regard to the enforcement of the log ordinance, was presented, and referred to the Ordinance Committee, with power to act.

Action concurred in by Select Council.

A bill was presented from Emanuel McGowan, City Surveyor, for $600, for two hundred maps, and $657.75 for service rendered, was presented, and the Mayor ordered to draw a warrant for the amount.

In Select Council the bill of services laid over for third reading.

A resolution providing for the laying of water pipes on Logan street, from Wylie street to Pasture alley, was presented, and referred to Water Committee, with power to act. In Select Council referred to Finance and Water Committee.

An ordinance granting the privilege to the Seamen's Friend's Society, of creating a Floating Bethel Church, at the Monongahela wharf, was presented from the Ordinance Committee, and passed. Action concurred in by Select Council.

A resolution was adopted ordering the creation of a gas post, on the corner of Wylie and Congress streets, was passed. Action agreed to by Select Council.

Petitions were presented for opening a sewer, on the corner of Pride and Marion streets; from citizens of the Ninth Ward, for laying water pipes on Penn street to Clymer street; from the firm of Simpson & Co. in regard to a wooden building, in the Ninth Ward; all of which were appropriately referred in both Councils.

The report of the Committee on Appeals from City Assessments, in regard to the petition of George S. Selden, praying for the return of taxes paid by him in 1850. The action of Select Council, discharging the Committee from the further consideration of the subject, was concurred in.

Gen. Moorhead, from the Special Committee on Police, reported an ordinance, and asked for the continuance of the Committee, as they had under consideration other matters relative to the Police. The first section of the ordinance provides that the Mayor of the city, on the first regular meeting of the Police Committee in each year, and on its first meeting after the passage of the ordinance, shall nominate one person for Captain of the Watch, four persons for Lieutenants, and twenty-eight persons for Watchmen, subject to confirmation by the Police Committee; and in place of each man rejected, the Mayor shall name another person, other than the one so rejected. Section two provides that the Mayor shall have no voice or vote while the Committee have under consideration his nominations. Section three provides that the police shall be under the exclusive control of the Mayor; and that they shall be subject to removal by him, at all times.

A motion was made that the ordinance be referred back to the Committee. Lost.

A debate on the ordinance ensued, which was partly related in by Messrs. Moorhead, Marshall, (Kennedy in the Chair,) McAuley, Little and Mercer.

Mr. Marshall contended that the entire police system required revision; and that the ordinance reported by the Committee was a poor piece of patch work. Mr. M. moved that the ordinance be referred back to the Committee, for their revision and action.

Mr. M'Auley was not in favor of its reference, but offered amendments providing that the Mayor might re-nominate a person for watchman, thirty days after his rejection by the Police Committee; and that in case the Mayor neglected or refused to nominate persons as watchmen, the Committee have power to appoint them.

Gen. Moorhead followed, in reply to Mr. Marshall, and advocated the passage of the ordinance reported by the committee.

Mr. Marshall contended that the ordinance placed the Mayor entirely at the control of the Police Committee.

The yeas and nays were called, on the motion to refer back the ordinance. The vote is as follows:

YEAS—Messrs. Darragh, Day, Harrison, Kennedy, Kirkpatrick, Little, Mercer, Miller, Singerley, Splane, Woods, and President.—12.

NAYS—Messrs. Donohoe, Patterman, Makin, M'Auley, Moorhead, Verner and Young.—7.

An ordinance was presented from the Ordinance Committee, prescribing regulations for switches, turnouts, &c., from any railroads, in the city of Pitbburgh. The ordinance granted the Mayor and Police Committee power to give permission for the erection of such switches, turnouts, &c., and defined the manner of their construction. In Select Council the ordinance was adopted. In Common Council read twice and laid over.

A resolution providing for the appointment of a Special Committee of five, to inquire into the best means of liquidating the city debt, was passed. In Select Council, Messrs. Murdoch and Howard were appointed, and in Common Council, McAuley, Moorhead and Day.

On motion, Council adjourned.

Select Council.—Mr. Shipton in the chair.

The term of Mr. Murray as Gas Trustee having expired, that gentleman was elected for another term.

A number of petitions were presented for the extension of water pipe, gas pipe, &c. For action of Select Council, see proceedings of Common Council.

The ordinance from the Select Committee, to whom was referred the reorganization of the Police, was referred back, without discussion.

INCENDIARISM—FIRE.—On Sunday morning, about half past twelve o'clock, a fire broke out in the carpenter shop of Jas. Graham, in an alley leading from Federal street, near the Emmet Hotel. The carpenter shop was destroyed, and several adjoining "shanties" on Federal street, were also burned down. The flames communicated to the Emmet Hotel, kept by Mrs. Winifred Sweeny, on the corner of Federal and Isabella streets. The rear portion of the building was much injured by the fire; a portion of the roof was destroyed, and many of the rooms damaged by water before the flames could be extinguished. A number of the boarders in the Emmet Hotel, lost part of their baggage; and the furniture belonging to Mrs. Sweeny was much damaged by removal—it was carried across the street and placed in the garden of Gen. Wm. Robinson, where it remained until yesterday morning, before it could be again removed.

Mrs. Sweeny's loss will reach, in all probability, about a thousand dollars. It is covered by insurance. The loss of Mr. Graham, the proprietor of the carpenter shop, in which the fire was first discovered, will reach three hundred, chiefly caused by the destruction of his tools. The other frame buildings destroyed were of no great value.

The fire was no doubt the work of an incendiary. It originated in the carpenter shop, in which there had been no fire kindled for some time. The frame buildings destroyed were owned by Mr. William McBrier, of Allegheny city.

ATTEMPTED INCENDIARISM.—An attempt was made on Sunday morning while the fire in the Emmet Hotel was raging, to fire the three story frame building, on Lemock street, occupied by J. W. McCready. Some burning substance was thrown through a broken pane, into the shop, and a hole burned through the floor; fortunately the shavings had all been removed on Saturday night, and the floor wet.

DEATH OF A PRINTER.—Many Pittsburghers will hear with regret, that Thomas McElroy, a printer, well known here, died in New Orleans, on the 10th, of yellow fever. At the time of his death, deceased was employed in the Daily Delta. He had the reputation of being one of the fastest type setters in the Union. Mr. McElroy leaves a widow, who is now, we understand, a resident of this city.

INFANT TO SELL.—Bridget Haley made an information yesterday, before Alderman Major, in which she stated that on Friday a woman named De Arme entered her house, in the Eighth Ward, and assaulted her son, a lad about 7 or years of age, by throwing him on the floor, thereby inflicting serious injuries on him. A warrant was issued, but the assailant has not been arrested as yet.

ASSAULT AND BATTERY.—Wm. G. Kane made an information before Ald. Major, yesterday, charging Eliza Brown with assault and battery of the peace. Eliza was arrested and held to bail.

RAILROAD TRAVEL.—During the two weeks ending November 27, 15,003 persons traveled on the Ohio and Pennsylvania Railroad.

ALDERMAN MAJOR yesterday held Wm. G. Reno to bail, for an assault on battery on Eliza Brown.

To Merchants and Others

GERMAN ADVERTISING.—The publishers of the daily and weekly "*Freiheits Freund*" would respectfully invite the attention of merchants and others to the advantages offered by their papers as a medium of advertising among their German fellow-citizens both in the city and country.

The Daily paper is published on the evening, and has more the circulation of any GERMAN PAPER PUBLISHED in Pittsburgh, while their Weekly paper, which is published already for some days, circulates largely in adjoining counties and Western Pennsylvania, as well as throughout the State of Ohio.

Merchants of Pittsburgh and others will find it to their advantage to make use of our columns as a medium of reaching the German business. Terms as low as any other paper in the city.
