POLL EVERY VOTE!

We learn that the Democrats are working like beavers throughout the county, quietly, but persistently, hoping to catch the Republicans napping. They build largely on a full Democratic and a light Republican vote. We hope the Republicans of the county will checkmate this pretty little game, by at once the County Boards, in 1855, there was a arranging to poll EVERY VOTE. Good citizens should feel bound, at least, to give the countenance of their presence to those who labor for the success of the principles of the party. Let such be the first at the polls next Tue: ..., and the last to leave.

THE LAST APPEAL.

We to-day make our final appeal to the Republicans of the county. We hope the work of organization in the townships has been completed ere this. If not, we beg our friends to do so at once. Two days remain, (Saturday and Monday,) in which much good may yet | be done. In the County, the Democracy are badly demoralized by the mischievous policy of an obnoxious "ring." From all parts of the county we have intelligence that many of the best Democrats will vote for portions of the Republican ticket. Let there be a full Republican vote.
