Wilson vs. Hull; No. 18, 1853. Argued by J. Mellon for plaintiff, and by Dunlop for defendant.

Bold Robbery—Attempted Murder.—On Saturday night last, about ten o'clock, four men knocked at the door of the residence of a farmer named Ferguson, about two miles from New Brighton, Beaver county, and asked for lodging. On Mr. F. coming out, he was collared by the men; he sprung clear of them, and caught hold of an axe, with which he aimed a blow at one of the men. The robber eluded the blow, and Mr. Ferguson was knocked down, and badly hurt; so much so that it is feared he will not recover. There were in the house at the time, the wife of Ferguson, and her four daughters. The robbers did not injure them; and after ransacking the house, and securing fifty dollars in money, and a silver watch, they left the premises.

A man named Sweeney was arrested at Rochester, two days afterwards, on suspicion of being concerned in the outrage. He was lodged in Beaver jail. On Monday, two men, named Welsh and Myers, were arrested by the officers at Wellsville, also on suspicion of being concerned in the robbery. They were handcuffed and taken charge of by the officers, for the purpose of conveying them to prison. On their way to Beaver, the party stopped at a town called Industry. While there, one of the robbers (Welsh) seized a propitious moment, and jumped on one of the horses—handcuffed as he was—belonging to the officers, and rode off. He was pursued, but not caught. The horse was recovered a short time afterwards, but no robber has been seen or heard of since. His associate (Myers) was locked up in Beaver jail. The officers are in pursuit of the two robbers yet at large.

Mr. Ferguson is an old man, and is now lying very low.

The Committee of Arrangements of the Pittsburgh Horticultural Society report that they paid—

Premiums, as awarded	$355,50
Expenses of Hall, Printing, &c	283,22
Total	$638,72
Received from Exhibition	$558,98
Balance against Society	79,75

Hereafter family tickets will be dispensed with, as many persons obtained access to the exhibition, who were not entitled to the privilege, which loss has made our expenditures more than our receipts.

The Journal did not refuse to publish our list of premiums, as we expressly prohibited the reporter who received the list, from furnishing proof, to that paper, because the local reporters, editors, &c., demanded family tickets, which were refused, as we had presented family tickets to the Editors of all the papers, and stated the local reporters would be admitted at the door.

The Editors of the Dispatch were not at home, which accounts for the list not appearing in that paper.

Mrs. Black obtained from the sale of refreshments $100 clear of expenses, which was for the benefit of Passavant's Infirmary.

New House.—We learn from the Hollidaysburg *Register* that the engineers of the Central Pennsylvania Railroad are now actively engaged in locating a road for the transportation of *freight*, from the eastern end of their great tunnel to Altoona. This line is to connect the tunnel (Summit of their steep grade) with Altoona by a much lighter grade than that of the main line. This connection will be made by two inclined planes. This arrangement will leave the main line, on the eastern slope of the mountain, entirely to the passenger travel, and expedite materially the transportation of freight. The new line will be let as soon as possible, which, we presume, will be in time to go on with the new work so soon as the grading on the present road is finished. There will be some heavy work on the new line, giving employment to a great number of laborers for two years to come.

False Pretences.—Mrs. Miller yesterday made an information before Mayor Park, of Allegheny city, in which she charged Nelson Rowland with obtaining bonding under false pretences. Rowland was arrested and held to bail.

While in the Mayor's office, officer Gallagher made an information in which he charged Rowland with having used the expression "Roll in, Dawson," during the fight which took place at the fire in Criswell's factory, in Allegheny city, and in which young Dawson was killed. Rowland was arrested, and held to bail, as being an accessory to the affray which resulted in the loss of life.

Accident.—We were informed, late last night, that an explosion of a locomotive attached to a freight train on the Ohio and Pennsylvania Railroad took place three miles east of Salem, by which the conductor was killed, and a fireman severely wounded. The name of the conductor is Colby, or Holby, and is from Allegheny City.

Forest Hill.—A meeting of ladies was held in Mr. Loomis' office yesterday, to take measures to decorate the Floral Hall, to be erected on the grounds of the State Fair. Various Committees were appointed, and the necessary arrangements made.

Burglary.—On Sunday night last, the house of a gentleman named Graham, in Freedom, Beaver county, was entered, and two rifles and a pair of pistols stolen. The burglars have not yet been apprehended.

Nominations.—The executive committee of the Native American party have nominated Thomas McConnell for the office of President Judge of the District Court.

Throwing Stones.—A little girl was badly injured yesterday, on the bend, by a stone thrown by some boys, while she was passing the Third Ward School House.

The Union Cricket Club left for Cleveland yesterday. The match between the Cleveland and Pittsburgh players takes place to-day.

Turpentine.—The last of imported Wood cloths and other dry goods will be sold, at McKenna's auction house, this morning, at 10 o'clock.

Turpentine.—The committeemen to the county jail yesterday, number only four—all for vagrancy.

Theatre.—The bill to-night is excellent. See it in another column.

Scrofula.—It is due to KIER'S *Petroleum* to say that it has been known to completely eradicate every vestige of this doubtful disease in less time than any other remedy, and at less cost or inconvenience to the patient.
The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittsburgh and its immediate vicinity, go to show clearly and beyond all doubt, that Kier's Petroleum is a medicine of no one, or two, but only as a local remedy in *Paralysis, Rheumatism, Deafness, loss of sight*, but as a valuable internal remedy, inviting the investigating physician, as well as the suffering patient, to become acquainted with its merits.
Those having a dread of mixtures are assured that this medicine is purely natural, and is bottled just flows from the bosom of the earth.
The following certificate is copied from a paper published at Syracuse, N. Y., entitled "Old Auld Lang Syne" and is also appended the certificate of the celebrated D. P. Fox, M. D., of Syracuse:
This man to truth certify, that I have been so badly afflicted with Scrofula for the last seven years that most of the time I have been unable to attend to any kind of business, and much of the time unable to walk and confined to my bed, and have been treated nearly all the time by the best Physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse until Dr. Foot recommended me to try the Petroleum, or Rock Oil, as everything else had failed. I did so without faith at first, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and by using seven bottles I have got a cure, which is pronounced by all of dollars.
MRS. NANCY M. BARKER.
This may certify that I have been acquainted with Kier's Petroleum or Rock Oil, for more than a year, and have repeatedly witnessed its beneficial effects in the cure of indolent ulcers and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can safely say that success has attended its use where other medicine had failed.
