[illegible]

'To sing [illegible]
The christian mourner's heart felt sighs,
[illegible] and body wrath?
How sweet, when silent night is near,
And nature folds her arms to rest,
To feel a conscience, calm and clear,
[illegible] heavenly peace within the breast!
[illegible] when anchorets are hastened on,
[illegible] they bore no message where
[illegible] of the sleep are gone,
And only seem the dismal air—
[illegible] then the future looks some ill,
[illegible] heavy hearts will meet it yet,
[illegible] when once its touch is felt,
[illegible] Despair is on its signet set.

The evening shadows, silently
Invite the soul to praise and prayer;
And as they in the distance die
The morning brightens sweetly there—
While hope's rich visions calmly rise
Beyond the realms of nature's tomb,
Where shadows never dim the skies,
The christian's unclouded home.

MOFFAT'S LIFE MEDICINE—REGENERATION—When the most important functions of life are suspended, and those who are invalids by inheritance, or imprudence are reduced to a deplorable state of nervous debility, they should not even then despair, for it is not in despair that relief can be found. No. Let them first look around, and, laying aside all prejudices, ask themselves this question—"If my physician cannot help me, is his reputed skill my only resort?"

Perhaps it that moment the heading of this advertisement, "Moffat's Life Medicines," would catch their eye; and, were they in truth divested of foolish prejudices, they might, perhaps, be induced to inquire whether Mr. Moffat's theory and treatment of diseases, differed from that of their own physicians. They would then learn that it did differ, and very widely, and with most unhappy results, too.

If they pursued their inquiries still further, they would find that all practising physicians of the present day prescribe MERCURY, in some form, for almost every disease, and they would learn, too, that mercurial medicines, though they give present relief, undermine the constitution, and always leave the patient in a precarious state of health.

A GOOD VEGETABLE MEDICINE is just the reverse of all this. For hundreds of years, before that scourge of mankind, "Mercury," was employed in the healing art, Physicians used nothing but simple herbs. Even the bible recommends as the skillful physician he who prepareth his medicines from herbs. Witness Ecclesiasticus, chapter xxiii.

V. 3: *The skillful physician shall lift up his head, and in sight of the great men he shall be in admiration.*

V. 4. *For he hath prepared his medicines out of the HERBS of the earth, and he that is wise will not abhor them.*

MOFFAT'S VEGETABLE LIFE MEDICINES possess qualities of the most mild and beneficial nature. They are composed of articles the most anti putrescent, combined with ingredients known as the only certain antidote for fevers of every description. When the disease is produced either from cold, obstruction, bad air, swampy and camp situations, or putrid miasma, whether malignant or epidemic, or by other causes, these medicines are certain in their operation, or effects. They are possessed of peculiar qualities, which not only expel all disease, but at the same time restore and invigorate the system. When first taken into the stomach, they immediately diffuse themselves like vapor, through every pore, producing effects at once delightful, salutary and permanent. When the spark of life begins to grow dim, the circulation languid, and the faculties paralyzed, these medicines are found to give alone to the nerves, exhilarate the animal spirits, invigorate the nobody, and re-animate the whole man.

THE LIFE MEDICINES have also been used with the most happy success in Nervous and Dyspeptic diseases, Consumption, Asthma, Liver Complaint, Rheumatism, Chronic and inflamatory, Dropsies, &c. &c.

For full particulars, the reader is invited to call at Mr. Moffat's office, 367 Broadway, and receive a copy of the Good Samaritan, published gratuitously.

The following letters are lately selected from a very large number which Mr. Moffat has lately received from different parts of the United States:

Mr. Moffat.—Dear Sir:—It is with sincere pleasure that I venture to address you, to thank you for the benefit I [illegible] icines. M[illegible] which I have tried all the and [illegible] tised in the newspapers. I, however, [illegible] from any of them. S[illegible] Good Samaritan, which induced me to try your medicine. When I applied to you, my legs and arms were so bad that they looked like raw beef, and were covered with sores; but after taking a 25 cent box of your pills, the dead skin began to scale off, and so continued until I was entirely cured. It is now four months since I was [illegible] I have had no return of the [illegible] your medicine to several persons, and should advise all afflicted with the salt rheum to try it. Respectfully, your obedient servant, M. CLEOFER,

13th, st. between 5th and Jackson Avenues
Lawrence, N. Y., May 23.

Mr. Moffat—Dear Sir: I was troubled with the piles for several years. I applied [illegible] nent Physicians without [illegible] Mr. Clarke, who had received great [illegible] them, recommended me to use your Life Pills. Though I was suffering very severely with them at the time, I experienced relief in 48 hours, and in a few weeks was not troubled with them at all and I have been free from distress ever since and have great pleasure in recommending them to those afflicted in a similar manner.

Respectfully, JOSEPH E. SPEARNS.
Summit Hill, Jan. 18th, 1838.

Dr. Moffat—Dear Sir: I have great pleasure in addressing you, having been troubled for some time back with the rheumatism, and could find nothing to give me any relief, until I had commenced taking your Vegetable Life Pills and Phœnix Bitters. In taking the first bottle and one box of pills I found the most excruciating pain that I had long been troubled with, entirely disappeared. Such being the case, it is with gratitude I offer these sentiments, feeling confident that I am indebted to you more than words can express, for your valuable medicine and the speedy cure received from its effects.

Yours, &c., GEORGE BROFTS.
New York, April 1838.

Dr. Moffat—Sir: Since your Life Medicines have been introduced in this neighborhood, they have done wonders. I will merely state a few cases. The wife of my neighbor, Mr Cornelius S. Roe, who was supposed to be in a decline for the last two years, after taking two bottles of the Phœnix Bitters one box of the Life Pills, says she had her health entirely restored.

Mr. Milo B. Roe, my next door neighbor, who was laid up with inflamatory rheumatism, by taking two bottles of the Bitters and one 25 cent box of the Pills, told me he was as well as he ever was, and told a gentleman in my store who was afflicted, that as soon as he would take the Pills and Bitters just so soon he would be a well man.

Also, Mrs. Hordu, wife of John Hordu, was two years since taken sick, and often had fits, and lost the use of one of her arms. In six weeks after taking your Pills and Bitters, so far recovered that she has been on a visit to one of her neighbors.

As for myself, I have been in bad health for 27 years, and though I am not now in perfect health, still I am in better than I have been for ten years past, which I believe to be the consequence of taking your Pills and Bitters. The above is a true statement of a few of the many cases which have come under my observation. You have liberty to publish this letter, and reference can be had to me as Postmaster at Cleverrock, Columbia Co., N. Y.

With respect, J. A. VAN VLAKENBURG, P. M.
New York, April 1, 1838.

Mr. W. Moffat—Sir: I have been afflicted with the fever and ague about three months, and used a good deal of quinine, which did me no good, but I still grew weaker and weaker, until I was recommended to try your Life Pills and Phœnix Bitters, and after taking two boxes and two bottles of bitters, I am very thankful to inform you and the public at large, I consider myself completely cured.

Yours truly, JOHN TENNENT, N. Y.
New York Mills, March 29, 1838.

Mr. Moffat—Dear Sir: I have used your medicine in my family for some months, and have received great benefit from it, especially my wife and eldest daughter. My daughter had been in a decline for 3 years. Since she commenced using your medicine she has entirely recovered, and is now well and hearty. If this will be of any service to you, you are at liberty to publish it. Resp'ly yours, &c.

N. BUTLER.
March chunk, Jan. 7, 1838.

Mr. Moffat—Sir: I am most happy to send you through your agent Mr. White, a few lines relative to your excellent Life Medicine. For a length of time I have been complaining of an infection of the liver, and tried much medicine, but found no relief until I commenced with yours; I have now taken nearly two bottles of your Phœnix Bitters, and I am pleased to state that I find myself fast recovering from a long and lingering complaint.

Resp'ly Yours &c. GEORGE KISNER.
Lockport, Nov. 27th, 1837.

Mr. W. B. Moffat—Dear Sir: As a remarkable instance of the virtue and efficacy of your Life Pills and Phœnix Bitters, in restoring lost health to the afflicted, has occurred in my family, I deem it a duty to owe both to yourself and the public, to make the fact known, that others suffering under similar circumstances might perchance see this, and obtain a remedy in season to preserve them from a premature grave.

My wife has been afflicted with the liver complaint and dyspepsia for upwards of three years; and for the last three months she has not been able to walk across the room. After trying various medicines prescribed by different physicians, which gave her no relief, she was given up as incurable. In this situation she was gradually failing, when I happened to call upon your agent in this village, and he gave me a copy of the Good Samaritan; the perusing of which induced me to try your medicine, although had but little hope of her receiving any benefit from it. The effect was surprising. Before she had taken one bottle of bitters and one box of pills, she was so far recovered as to be able to accomplish most of her house work without assistance. Yours, respectfully,

WARREN PATTERSON.

Patent Safety Fuse,

FOR IGNITING THE CHARGE IN

BLASTING,

Both in dry places and under water.

MANUFACTURED SOLELY IN THE UNITED STATES, BY BACON, BICKFORD, EALES & CO.
SIMSBURY, HARTFORD, CONN.

Numerous recommendatory certificates might be given, but the following, which briefly explains the properties of the Fuse, is deemed sufficient.

The Fuse supersedes the Priming needle, Priming, and Match.

HAVING seen the Patent Safety Fuse of Blasting, tested to our satisfaction, we cheerfully certify that we are convinced it saves much time and labor—adds to the force of the blast—ensures certainty, and renders blasting perfectly safe.—Besides, it is, we think, cheaper than the common straw fuse. For dry blasting it is a great improvement; but for blasting in wet ground, it is invaluable.—Messrs. F. Hitchins & Co., contractors on the Erie canal, certify that they have been engaged in the Cornish mines, England, where the Fuse is exclusively used, and that it has never, to their knowledge, caused a miscarriage. They confirm our above expressed opinion of its value. We make no doubt that it will soon be in universal use.

DAVID HAMILTON,
Superintendent repairs, Erie Canal.
W. J. McALPINE,
Assistant Engineer, Erie Canal enlargement.
J. HOUGHTON,
Engineer, Cohoes Company.
Cohoes, N. Y. Dec. 1837.

The Fuse is sold at the very low price of ONE CENT PER FOOT.

N. B. The common Fuse answers for wet blasting, but for blasting under water, or where a miscarriage would be of serious consequence, "WATER FUSE" should be used, made specially for such places. Price, two cents per foot, corresponding with the increased cost of making.

For Sale by B. BANNAN,
Sole Agent for Schuylkill County.

AN UNDENIALE FACT.—Health is the source of Happiness.—Disease is the effect of some irregularity in the natural or healthy functions. Man produces great ends by multiplied and extraordinary measures; but nature accomplished her works by few and simple means. In the cure of all human maladies, the relief of irritation is the great object of medicine, the office of the physician, is to deliver his patient from all that is noxious and debilitating, so that the constitution or nature will be enabled to perfect the work of restoration. Here we would commend the administration of a remedy calculated to fulfil the preceding indication, which I believe we may justly say of Dr. Wm. Evans' celebrated Camomile Tonic and Family Aperient Pills. See the many undeniable tests of their astonishing efficacy in aiding nature to subvert disease.

The office for the sale of Dr. Wm. Evans' Vegetable Preperations, well known and celebrated for the many unprecedented and astonish cures they have effected in Dyspepsia, Nervous, Bilious and Consumptive diseases, is at No. 19th, north 8th street, opposite Filbert street, Philadelphia.
