HUMAN HAIR.

CLEANLINESS OF THE HEAD AND HAIR

Strange it is that persons who attend strictly to personal cleanliness, baths, &c. should neglect the Head—the Hair the most essential—the most exposed—and the most beautiful when properly cared for, of all the gifts of the Creator. Perfectly free may it be kept of dandruff or scurf with a certainty that the hair cannot fall out, by the use of the Balm of Columbia. Ladies, will you make your toilet without this article? I answer fearlessly, No, if you have once tried and experienced its purifying effects—its sweet perfume.

hundred articles have been put forth on the credit of this—the only first—the only really valuable artic'e. m ass of testimony from all classes to these facts.

From the Boston Chronicle, June 10.

WE see by an advertisement in another column that Messrs. Comstock & Co., the Agents for Oldridge's Balm of Columbia, have deputies to sell that article in Boston and elsewhere.—We know a lady of this city whose hair was so nearly gone as to expose entirely her phrenological developements, which, considering that they betokened a most amiable disposition, was not in reality very unfortunate. Nevertheless she mourned the oss of locks that she had worn, and, after a year's ruitless resort to miscalled restoratives, purchased, some months ago, a bottle or two of Oldridge's Balm, and she has now ringlets in rich profusion, glossy, and of raven blackness. We are not puffing—none of the commodity has been sent to us, and, indeed, we do not want any, for though we were obliged to wear a wig a year ago, we have now, through its virtue, hair enough, and of a passable quality, o our own.

DARING FRAUD.

The Balm of Columbia has been imitated by a notorious counterfeiter. Let it never be purchased or used unless it have the signature of COMSTOCK & CO. on a splendid wrapper. This is the only external test that will secure the public from deception.

Tetter! Itch!

DR. LEIDY'S CELEBRATED TETTER AND ITCH OINTMENT is daily becoming more popular. Daily do numerous individuals stop and inform the proprietor of its great success in removing and curing the Tetter and Itch.

Numerous testimonials might be published of its efficacy, but for the delicacy felt by individuals having their names published in connection with so loathsome and disagreeable affections.

It may be used with perfect safety by young and old, even upon infants, containing no mercury, or other mineral substances. Dr. N. B. Leidy prepares it himself, and knowing its composition, most confidently recommends it as superior to any other remedy for the Tetter and Itch. Prepared and sold at Dr. Leidy's Health Emporium, (sign of the Golden Eagle and Serpents,) No. 191 NORTH SECOND Street, below Vine.

Croup in Children.

OF all the remedies yet discovered for this complaint, it is universally acknowledged none has ever been as successful as the "BALSAM OF WILD CHERRY." It is a safe and simple medicine, no injury can attend its use, will soon arrest its progress, and give immediate relief. This is the season when this disease makes such destructive ravages amongst young children and carries off hundreds to the grave. Every mother who loves her child, and all who have the care of children, should keep this remedy always in the house during the winter and give it as soon as the child begins to cough If this is done, the little sufferer will get relief in a few hours and be at once restored to perfect safety. DR. LEIDY'S SARSAPARILLA or BLOOD PILLS sold the past year.

☞ "KILL OR CURE." ☜

This doctrine is startling—it nevertheless is the doctrine entertained and practiced by the numerous Quacks who manufacture preparations of various kinds which have mercury for their base.

BEWARE THEN

How you trust to such preperations. 'Tis true, they 'kill or cure," and you all then hear of the *cures*, but never hear of *the killed or wounded*, or those *whose constitutions are completely destroyed and broken down.*

To all those who have been using Quack medicines I would recommend the use of remedies that will counteract their bad effects *before it is to late.*

BE ADVISED,

Therefore, to guard against the evil effects of Quack medicines, and employ *such medicines only as you know, and have proof of being prepared by a regular experienced Apothecary and Physician.* Such is

DR. LEIDY'S

SARSAPARIL'A or BLOOD PILLS,

Which may be used at all times, ages, and seasons, where either a *mild or active purgative* may be required or *as a purifier of the blood and animal fluids*, and in all diseases requiring purgation, cleansing and purifying the system, &c. &c.

They may be used without restraint from diet or occupation, from moderate or temperate living, being *free from mercury and all the minerals*, and an antidote against their bad effects.

Numerous certificates from various parts of the United States have been, from time to time published, it is only necessary *to inform the public where they may be had genuine.*

Numerous certificates and recommendations from Physicians and others accompany the directions.

To satisfy the world that they are no quack preparation, I would simply observe, that they are the preparations of a regular Druggist and Physician, attested also by

Mysterious.

A gentleman belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1818 up to recently, been bent nearly double, and for several years confined to his bed, has been restored to good health—has regained his natural erect position—and has quitted his carriage, and now walks with ease!! We believe this is the gentleman's own description as near as possible, and there is exaggeration in it. We will give inquirers his address, and doubt not his humane feelings will excuse the liberty; that any one *doubting*, may *know* these facts—though he requests his name may not appear in print. Among other similar instances, Mr. James G. Reynolds, 144 Christie street, has been restored, and will give personal assurances of the facts of his case Both were rheumatism, and contracted cords and sinews. How has this been done?

Answer.—By the *Indian Vegetab'e Elixer* internally and *Hewes' Nerve and Bone Liniment* externally.—*N. Y. Herald, Jan.* 26 1841.

SWAIM'S PANACEA.

For the cure of Scrofula, or King's evil. Syphilis, and the host of painful, disagreeable, and hitherto incurable affections resulting therefrom. Rheumatism, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin General Debility, &c. and all Diseases arising from Impurity of Blood.

THIS Medicine is particularly recommended at this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are unconscious of until they have experienced its effects.

It is also recommended in Diseases where the lungs and breast are supposed to be affected, and also where the constitution is broken down by the use of Mercury or Quinine;

THIS MEDICINE has the singular fortune a just tribute to its great merit, of being recommended by the most celebrated Practitioners of Medicine in the United States and Europe; whereas not one of the spurious mixtures, made in imitation of it, has the least support from the Medical Faculty. This fact offers an argument so plain and conclusive, that it needs only to be mentioned to enforce conviction. Swaim's Panacea is recommended to all those invalids for whom Physicians prescribe Sarsaparilla Syrups, Extracts, &c.

BECHTER'S PULMONARY PRESERVATIVE!

FOR Coughs, Colds, Influenzas, Asthma, Catarrhs Diseases of the Breast and Lungs, and arrest of approaching Consumption.

The above medicine has proved itself one of the most effications ever employed in the above affections. It is well known by thousands, but, in order to make it more generally known, the proprietor thinks it necessary to publish the following proofs which constitute but a small portion of the testimony that might be adduced in proof of its efficacy.

Throughout Germany it is used and employed more than any other preparation for Colds, &c., and there so well known for its efficacy, that they call it the "LIFE PRESERVER."

Price 50 cents a bottle, (half pint.)

Extract from a letter from Nathaniel Atwood, Esq. of Easton, Pennsylvania.

Dear Sir:—I should consider it ungrateful, if I did not inform you (and with my consent allow you to publish this,) that after having tried by the recommendation of my friends, almost every kind of medicine for coughs, colds, &c., I never found relief until lately having used Dr. Bechter's Pulmonary Preservative, recommended to me by your agent in this place, and which cured me of a violent cough, spitting of blood, pain in my breast, and shortness of breath, with all of which I have been afflited for two years past. I am now however enjoying as good health as ever, and owe my recovery to the above valuable medicine.

Translation from a communication in German.

PITTSBURG, June 26th, 1840.

DR. LEIDY, at Philadelphia.

Respected Sir:—I was much pleased after my arrival in this country, to find that Dr. Bechter's valuable preparation, so long successfully used in many parts of Germany, is now prepared by you. I have seen many wonderful cures made by it in the old country. Many persons, whose lungs were supposed to be almost entirely destroyed, and pronounced incurable, have been restored to good health by it. I know where one case was beyond the hopes of ever recovering, and was for years helpless, and confined to bed without being able to sit up, but was raised by the wonderful effects of Dr. Bechter's Pulmonary Preservative, and so far cured as to be able to ride and walk about A great many instances have been cured in the various Pulmonary affections and I myself have received great benefit from it, both here and in my own native country. I hope it may be as successful in this country as it has been in Germany. When properly known no family will be withoutit.

Yours, Signed,

SIGMUND SCHARRE.

P. S. I get it in this place of your Agent.

Trenton, N. J., October 12th, 1839.

FRIEND LEIDY:—Thee will be much surprised at my communication, when I inform thee of my perfect recovery, after having used six bottles of thy medicine. Thee knows how miserable and distressed I was. Pale, and sickly, without appetite, full of pain, with much cough, and oppression in my chest, rattling in my throat &c. I am now enjoying good health, and though 60 years of age, feel young in spirits, and must attribute my good health to the good effects of thy Pulmonary Perservative. Thy friend and well wisher.

Signed, REBECCA EMLEN.

Extract of a letter from the Rev. Israel Hopkins of Baltimore.

On your recommendation, I made use of *Dr. Bechter's Pulmonary Preservative*," and although I tried all other remedies for my cough, I never found relief except from the above medicine. I have been much benefited by it, and have recommended it to many others, who have suffered with pains in their breasts, coughing, spitting of blood, difficulty of breathing colds, influenzas, &c., an all have been speedily cured thereby.

Numerous other certificates and recommendations, accompany directions.

[CERTIFIGATE OF JUDGE PATTERSON]

I HEREBY CERTIFY that my daughter been afflicted with sick headache for the space of about 20 years,—the attacks occurring once in about two weeks, frequently lasting 24 hours during which time the paroxysms have been so severe, as apparently soon to deprive her of life. And after having tried almost all other remedies in vain I have been induced as a resort to try Spohn's Headache Remedy as sold by you; and to the great disappointment and joy of herself and her friends I found very material relief from the first dose of the medicine; he has followed up the directions with the article, and in every case when an attack was threatened has found immediate relief, until she is near permanently cured. The attacks are now very seldom, and disappear immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant,
