EXTRAORDINARY CASE.

QUEBEC, May 8, 1837.

DEAR SIR:—An article called Dr. Hewes "Nerve and Bone Liniment," came to my knowledge about two months since, through our friend Mr. Campbell; and I procured a bottle and had used it for about a week with out any material change, until one morning I found myself under the exercise of very uncommon feelings, imagining that could I be helped up I could stand and walk, I requested my family to aid me, but they were unwilling I should trust myself on my feet, not having for the last *fourteen and a half years* ever even made the attempt to stand: but my confidence was so great that they consented to assist me from my bed. I found I could use my legs with apparent ease, but could not bear my weight on my feet. With support, however, I could place one foot before the other with a facility that astonished me and all around me. They led me twice across the room; I sat down with feelings of happiness that I never before experienced; the idea was that I was once again to be restored to the world run through my frame like an electric shock: My family surrounded me in tears of joy, and the excitement so completely overcome me that I fainted. The same day I walked three time across the floor, again bearing a little weight at each time on my feet. I then used crutches for a few days, when my strength had become so far re-established, that I could cross the floor without the least aid. My advancement from this time has been almost incredible. I can walk two hundred yards and back with ease, and my children, (the bed-rid are often blessed, like me, with near a dozen,) have been so overjoyed that they could scarcely eat or sleep, and Mrs. Corning seems to feel half a score of years younger her-self. You will recollect how much bent together I was when you were last here. I have entirely overcome this. If I looked as odd as I felt when I began to walk, I would have been gazed at in astonishment. I have seen many of my old acquaintances, some of whom did not know me at all, and o hers would scarcely credit their senses, and would hardly have been more astonished, though one had "risen from the dead." I have now every confidence that I am a well man. I think this article is the most extraordinary of any I ever heard of, and if it is not extensively made known to the public, I think the proprietors are very culpable. If you know the persons in New York selling it, you had better show them this letter, and let them refer to you, or publish this if you think it would aid the distressed.

Remember me to your family,

Yours, very truly,

ETHAN C. CORNING.

See when you purchase that you get the true *medicine*, from 37 Bowery, New York, sold by specifications!

Remarkable Cure of Consumption.

I have been an invalid for three years, and have suffered every torture from confirmed consumption. But Dr. Taylor has wholly cured me. The large quantities of matters he used to raise has subsided, my cough has ceased, and I am fleshy again, my health being wholly restored by using three bottles of his celebrated Balsam. M. E. WINDLEY.

No 139 Maiden Lane, New York.

Shortness of Breath.

For this disease Dr Taylor's Balsam of Liverwort has no equal. Having the Asthma, a severe pain in my left side, and some cough; I was induced to try the above medicine, and great was my joy to find it cured me in about two weeks. It also cured my mother of a severe attack of the Liver complaint, with which she had suffered two years. J. C. STONE.

23 Hall Place, New York.

Surprising Cure of Consumption.

Mr. R. Gladdin of Delhi New York, of a natural consumptuous constitution, has been saved from an untimely end by the use of Dr. Taylor's Balsam of Liverwort. A severe cold brought on an attack of Pleurisy, and thus ended in general debility and consumption. A constant cough, hectic flush, restless nights, quick pulse, and continued loss of flesh, augured a speedy death; but as soon as he commenced the use of this Balsam, he grew better, and is now fully restored to health. AGENT.

DOCT. TAYLOR'S

BALSAM OF LIVERWORT.

The cures and benefits procured by the use of this medicine, in all cases of diseases of the Lungs, is almost increditable. It has been used by several persons in this neighborhood and there is scarcely an instance but its benefits have been fully realized. Persons afflicted with

Coughs, Colds, Asthma,

difficulty of breathing, pains in the side or breast, spitting of blood catarrhs, palpitation of the heart, oppression and soreness of the chest, whooping cough, pleurisy, hectic fever, night sweats, difficulty or profuse expectoration, and all other affections of the chest, lungs and liver, should not fail of procuring a bottle of this Medicine. J. WRIGHT.

Sandy Hill, Washington county, N. Y.

The composition of Dr. Taylor's Balsam of Liverwort is only known by the Proprietor, therefore it is dangerous using any but that from 375 Bowery.

TO THE PUBLIC.

WE hereby certify that our son 6 years of age, was suddenly taken with a fever, and after a severe sickness a violent cough ensued.

He was blotted; his skin was filled, and his physician said there was no favorite symptom about him, that he had a confirmed consumption. At that time, we procured a bottle of that valuable medicine, Taylor's Balsam of Liverwort. After taking one bottle we began to have hopes of his recovery. He continued until he had used five bottles. It is now a year from that time, and his health is better than it has been since an infant.

DAVID & HANNAH ROGERS,

Granville, Washington co., N. Y.

For proof of the above statement I refer to the subscriber above people of high respectability.

GEORGE TAYLOR.

VIOLENT COUGH AND COLD CURED.—The severe change of weather having given me a most violent cold, also expectoration and difficulty of breathing; I was much distressed until I took Dr. Taylor's Balsam of Liverwort. I found this medicine to suit my case and cured me at once which causes me to recommend it to others. J. J. FISHER, 17 Barrow st. N. Y.

PAIN IN THE SIDE AND BREAST.—These diseases have caused me much trouble, and often prevented my attending to business. Every medicine I heard of I tried, but found no relief. As a last resource I concluded to try Dr. Taylor's Balsam of Liverwort. As soon as I did, I grew better, and have been gaining ever since; am now in good health, and can truly recommend this Balsam as being far superior to any thing else. A. L. GREEN, 2 Pitt st. N. Y.

SPITTING OF BLOOD CURED.—For four months I have had a discharge of blood from the lungs, almost daily. Also a dry hard cough, some pain, great weakness. After trying the doctors in vain for 3 months. NOTICE

TO SHIPPERS OF COAL,

For Boston, New Haven, Falls River, &c.

A WHARF at Williamsburg, opposite the City of New York, has been provided by the *Delaware and Raritan Canal Company*, as a Depot for Coal passing the Canal.

By this route, Coal can be delivered at any of the Eastern Ports at a much cheaper rate than by any other. There are a number of Vessels engaged in the Transportation of Merchandize to New York, which are obliged constantly to sail with only half Freight—these vessels can take in part of a load of Merchandise and fill up with Coal, which can be carried in this way at very low rates. By this transfer of the Coal business, which has heretofore been done from the Wharves, on the Schuylkill River, it is apparent that the price of Freight will not only be reduced, but the delays and dangers of the navigation from New York up the Schuylkill River, will be avoided.

Persons will be allowed to land their Coal at this Depot, and keep it there the whole season, for the small sum of 12½ cents per ton.
