LIPPINCOTT & BARR,
MANUFACTURERS OF FIRE PROOF SAFES, No. 61 Second Street, between Wood and Smithfield—On Saturday afternoon, July 23d, 1853, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Fire proof Safes. The furnace being prepared, the Safe was placed inside therein with Books, papers and some money; when the door of the Safe was closed and the fire kindled, it gradually arose to 600 degrees, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee opened their satisfaction, and the time occasioned with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money saved. The heat was of such a degree as to make bronze mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof. WM. KAYE.

In selling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire proof. We! we constantly on hand and for sale a full assortment of the above safes. (mar31 BELL & TERRY.

The Ships of this Line are fitted with Emerson's Patent Ventilators, and carry Francis' Metallic Life-boats.

The Baltimore Clipper Bark INCA,
900 TONS BURTHEN,
Having made two successful voyages from China, each in the very short period of 101 days, has thoroughly established her reputation for fast sailing, and will be dispatched for MELBOURNE, AUSTRALIA,
About the 25th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among the 150 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 1 in 36 per cent. This very gratifying result shows that no care and expense have been spared in selecting, ventilating, and provisioning the ships of the Pioneer Line.

The INCA will only carry a limited number of passengers, at as moderate rates as are consistent with justice to her owners and crew.
