GEORGE STURGES,
SOLE MANUFACTURER OF THE IMPROVED
SPIRAL SPRING MATTRESS
S. W. Cor. Baltimore and Frederick streets, Baltimore, and No. 92 Walnut st., Philadelphia.
FIVE SILVER MEDALS AWARDED, VIZ.—
1 AMERICAN INSTITUTE, New-York;
2 " INSTITUTE, Philadelphia;
3 MARYLAND INSTITUTE, Baltimore.
THE peculiar improvement in the construction of this Mattress is, that all the *springs and hung wooden frame-work* is entirely dispensed with, and its place supplied by a lighter and much more durable frame. The springs are all connected by harness leather hinges, securely rivetted, rendering it impossible for a single spring to fall down or get out of place, and making it the most elastic that any part may be raised or bent up, and is thus admirably fitted to the wants of the sick or asthmatic, who may require a sitting posture. It has all the luxurious softness of the best feather bed, with the lightness and facility of handling of the common hair mattress.
These improved Spring Beds are invariably made of the best materials, and will last many years without repairing.
Persons having Hair Mattresses can have them made up to Spring Beds.
These Beds are well adapted for Hotels, Steamboats, Steamboats and Hospitals.
ALSO, an extensive assortment of highly ornamental, (in venneer,) and plain finished CAST IRON BEDSTEADS, consisting in part of Bedsteads, Hat and Coat Racks, Canes and Umbrella Stands, Centre, Pier and Side Tables with marble tops, Garden Chairs, Settees, etc., etc. Also, Iron Toys in Animals, such as Lions, Lambs, Dogs, in Iron, as well as the models in Wood, furnished at short notice.

The Baltimore Clipper Bark INVA,
900 TONS BURTHEN,
Having made two successful voyages from China, each in the very short period of 101 days, has thoroughly established her reputation for fast sailing, and will be dispatched for parcel ports, Field Corporal, Master, from BELMIDDAY, AUSTRALIA, about the 25th of August. The Ships of this Pioneer Line have made remarkably quick and healthy voyages, losing only one passenger, among 950 that sailed in the first five ships. It appears from the report of the Sanitary Commissioners, that the mortality on board English ships to Australia has equalled 4.90 per cent. This very gratifying result shows that no care and expense have been spared in selecting ventilating and providing the ships for the Pioneer Line.
The INVA will only carry a limited number of passengers and owners.
