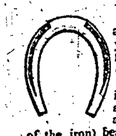
HORSE SHOES.



THE subscriber takes pleasure in announcing to the public, that after years of study and labor he has perfected his machine for the manufacture of HORSE SHOES, which he now offers at the price of Horse Shoe iron in bar of equal quality. Thus saving the expense of making, (which amounts in all cases to the first cost of the iron) besides the shoes are more easily fitted to the hoof, and in no danger of pricking, the holes all being punched of the proper distances from the edge. The quality of the iron is also warranted superior to any heretofore used for that purpose. All persons desirous of testing the great value and superiority of these over hand made shoes, by sending $5 by mail or otherwise, one hundred pounds assorted shoes will immediately be forwarded—warranted to suit the section of the country for which they are ordered, by applying to Lewis Benedict &co., John Townsend, Albany; Pierson & Co., New York; Charles Smith, Boston, E. Pratt & Brother, Baltimore, or to A. M. & B. W. JONES, No. 17 South wharves, Philadelphia, where further information may be had on the subject.

In pursuance of an act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An act relating to the elections of this Commonwealth," passed the 2d day of July, A. D., 1839, Notice is hereby given.

"That every person, excepting justices of the peace, who shall hold any office or appointment of profit or trust under the government of the United States, or of this State, or of any city or incorporated district, and also that every member of Congress, and of the state legislature, and of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising, at the same time, the office or appointment of judge, inspector or clerk of any election of this commonwealth, and that no inspector, judge or other officer of such election, shall be eligible to any office to be then voted for."

And the said Act of Assembly, entitled "An Act relating to the elections of this Commonwealth," passed July 2d, 1839, further provides as follows, to wit:

"That the inspectors and judges, chosen as aforesaid, shall meet at the respective places appointed for holding the election in the districts to which they respectively belong, before nine o' clock in the morning of the second Tuesday in October, in each and every year, and each of said inspectors shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of election, then the person who shall have received the second highest number of votes for judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place; and in case the person elected judge shall not attend, then the inspector who received the highest number of votes shall appoint a judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for opening the election, the qualified voters of the township, ward or district, for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

"It shall be the duty of said assessors respectively to attend at the place of holding every general, special or township election during the whole time said election is kept open, for the purpose of giving information to the inspectors and judges when called on in relation to the right of any person assessed by them to vote at such election, or such other matters in relation to the assessments of voters as the said inspectors or judge, or either of them, shall from time to time require.

"That no person shall be permitted to vote at any election, as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided within the state at least one year, and in the election district where he offers to vote at least ten days immediately preceding the election, and within two years paid a state or county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States, who had previously been a qualified voter of this state, and removed therefrom and returned, and who shall have resided in the election district, and paid taxes as aforesaid, shall be entitled to vote after residing in this state six months: Provided, that the white freemen citizens of the United States, between the ages of twenty-one and twenty-two years, and having resided in this state one year, and in the election district ten days as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants furnished by the commissioners as aforesaid, unless, First: He produces a receipt for the payment within two years, or a state or county tax assessed agreeably to the constitution, and give satisfactory evidence either on his own oath or affirmation of another, that he has paid such a tax or on failure to produce a receipt, shall make oath to the payment thereof, or Second: If he claims a right to vote by being an elector between the ages of twenty-one and twenty two years, he shall depose an oath or affirmation, that he has resided in the state at least one year next before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe from the accounts given him that he is of the age aforesaid, and give such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspectors and a note made opposite thereto by writing the word "tax" if he shall b admitted to vote by reason of having paid a tax, or the word "age," if he shall be admittud to vote on account of his age, and in either case the reason of such vote shall be called out to the clerks; who shall make the like notes in the list of voters kept by them.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners and assessors, or his right to vote whether found thereon or not is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the state for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also himself swear that his bona fide residence, in pursuance of his lawful calling, is within the district, and that he did not remove in the said district for the purpose of voting therein.

"Every person qualified as aforesaid, and who shall make due proof, if required, of his residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

If any person shall prevent or attempt to prevent any officers of an election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace at such election, or shall use or practice any intimidation, threats, force, or violence, with design to influence unduly or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding five hundred dollars and be imprisoned for any time not less than one nor more than twelve months. And if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district, or township where the said offence was committed, and not entitled to vote therein, then, on conviction, he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

If any persons shall make any bet or wager upon result of any election within this commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or any written or printed advertisement, challenge or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

The Judges are to make their returns for the county of Schuylkill, at the Court House in Orwigsburg, on Friday the 13th day of October, A. D. 1843.

Given under my hand and seal at the Sheriff's Office at Orwigsburg, and dated Sept. 2, in the year of our Lord one thousand eight hundred and forty-three, and sixty-seventh year of the Independence of the United States of America.

A CLOUD OF WITNESSES testify to the astonishing effects produced by JANE'S HAIR TONIC. Among the names attached to the numerous certificates of its regenerative influence on the hair, we notice those of some of the most respectable citizens of Boston, to whom the incredulous are referred for personal evidence of its efficacy. In cases where the hair has fallen off in consequence of sickness, it speedily invests the bald scalp with a thick and glossy growth of that great accessory of beauty. All diseases of the hair, such as dandruff, scurf, &c., are eradicated by its application. The silky appearance which it imparts to the flowing tresses of beauty, renders it an indispensible article of the Female toilet, and gentlemen to whom nature has been niggardly in the distribution of *whiskerarial* honors, may soon make the sparse crop a luxuriant one, by stimulating its growth, with JANE'S HAIR TONIC.

DEAFNESS CURED.

Scarpa's Compound Kreosote Acoustic Oil,

FOR the cure of DEAFNESS, pains, and the discharge of matter from the ears; also all those disagreeable noises, like the buzzing of insects, falling of water, buzzing of steam, &c. &c. which are symptoms of approaching deafness, and also attendant with the disease.

CERTIFICATES.

The following Editorials and certificates will be read with interest as they speak facts which are "stubborn things."

MOST EXTRAORDINARY CURE!—If any have doubts they may now dismiss them, and the most incredulous may consider Deafness as curable. Numerous cases of cures, and many of them very remarkable—by the use of "Scarpa's Oil," have been published, but this "caps the climax." Young or old may yet recover hearing. A lady in Smithfield, Pennsylvania and now about 80 years of age, had been gradually getting deaf for more than 40 years, so that it was next to impossible to make her hear conversation in the loudest tones of voice; Last winter she was induced to try "Scarpa's Oil for Deafness." It is only necessary to add that she has used two bottles, and that her hearing is perfectly restored—she is cured.

DEAFNESS CURED.—The following extract from a letter written by Mr. Johnson of Boston, to a friend in this city, is important.

"The bottle of Scrapa's Oil for Deafness, that you sent me, with the wish that my daughter would try it, has been used, and its effects, have astonished all; you know how very deaf she has been since she was three years old—she now hears quite well, but as the medicine has all been used, I wish you to send me another bottle, which I have every reason to believe will cure her entirely.'—[Times.
