THE LAW OF NEWSPAPERS.

If subscribers order the discontinuance of their newspapers, the publisher may continue to send them until all arrearages are paid.

If subscribers neglect or refuse to take their newspapers from the offices to which they are directed, they are held responsible until they have settled the bills and ordered them discontinued.

If subscribers move to other places without informing the publisher, and the newspapers are sent to the former direction, they are held responsible.

The courts have decided that refusing to take newspapers from the office, or removing, and leaving them unsalled for, is prima facia evidence of intentional fraud.

Office of the Celebrated BROAD TOP
White Ash Semi-Bituminous
AND
East Lehigh Coals,
No. 104 Walnut Street, Philadelphia.
The undersigned would respectfully call your attention to the Celebrated Broad Top Coal, mined out of his own property, prepared and delivered by his own supervision, and confining his operations exclusively to this region, (*having no other soft Coals for sale*), the purchaser can rely upon obtaining a pure article of Broad Top Coal without the risk of having a mixture of Coals from *various veins or from other regions substituted*, which in appearance might be similar, but in quality vastly inferior. From the extensive arrangements which have been effected with the principal Railroad and Canal Companies, purchasers can be supplied at the lowest price, upon the most reasonable terms, and at the shortest notice.
For Steam Generating, Marine and Locomotive Engines, Rolling Mills and Puddling Furnaces, Glass Manufacturers, Blacksmithing, Coking, Brick and Lime burning, this Coal cannot be excelled.
Its exemptness from Sulphur and Impurities highly injurious in the manufacturing of Iron and destructive to Machinery, Boilers and Grate Bars, gives it preeminence. Its easy combustion, combined with its beautiful white flame, renders it a desirable fuel for Parlor Grates.
East Lehigh Coal.
NOTICE.—The subscriber having been appointed Sole Agent for the sale of the Celebrated East Lehigh Coal, mined from the Lehigh Coal and Navigation Company's land, by Coyyngham & Richler, and shipped at Mauch Chunk, flatters himself that he can supply the trade with an article, in quality and preparation unsurpassed by any in the market.
Will be pleased to receive any further information, and will be most happy to receive your patronage.
I am, Respectfully,
ROBERT HARE POWEL.
☞ Caution.—Purchasers are respectfully requested to require all persons representing themselves as my agents to produce a written certificate to that effect.
