THE CITY POST.

SATURDAY MORNING.....AUGUST 19.

PICKPOCKETS.—These gentry appear to abound in the city at the present time, but pursue their operations on such a small scale that the more "aristocratic" portion of the fraternity should be ashamed of them. They practise extensively in the market house, robbing poor women of the "little all" they have saved up during the week, from their hard earnings, to supply their families with food, and scarcely ever commit a theft which remunerates them for their trouble. Sometimes, when they extend their proceedings into other places, they are better rewarded, as for instance a robbery which occurred on Wednesday, at the Cricket Match, Mr. Henry Myers, a resident of Pennsylvania Avenue, was present at Oakland, that day, as a spectator, and on his return home in the evening, discovered that his pocket had been picked of a porte-monnaie, containing thirty dollars and some papers. He immediately returned to the ground, when he was accosted by two man named John Watt and David Hill, who asked him if he had not lost his pocket book, and offering at the same time to take him where he could find it in the adjoining wood. Mr. Myers refused accompany the parties, and instead, came to town and made information of the circumstance to the Mayor, who sent officer Moon, along with deponent, to the spot indicated, when the pocket book was discovered, as described, minus the money. A warrant was then issued for the two men above named, who were arrested, and examined before Mayor Volz, on Saturday, but the evidence being insufficient to commit them for trial, they were remanded for a further examination on Monday.

DISORDERLY CONDUCT.—A young man named R. Bruce Young, was arrested and held to bail, on Saturday, by Mayor Volz, for behaving in a disorderly manner the evening previous, at "Our House," Diamond alley. He entered the restaurant while in an intoxicated condition, and demanded to be furnished with more liquor; the barkeeper, thinking he had enough already, very properly refused to give any more, which so enraged Young that he picked up a heavy piece of zinc, and attempted to knock him down. Young was arrested and held to bail a few days ago, for creating a disturbance at the same house.

MONUMENTAL BENEFIT TO BRELSFORD.—The Committee to whom the matter of drawing public attention to the Monumental Benefit to Brelsford, was referred, have so well accomplished their duty, that it seems superfluous on our part to do more than mention that it comes off tonight. The death of poor Brelsford is too recent, and his many virtuous and estimable qualities too vivid yet, in the minds of all his friends, to render it necessary, to urge upon them to attend and contribute to the intended testimonial to his memory—we know, *all* who once enjoyed his acquaintance, will gladly avail themselves of the opportunity to do so, without being pressed.

DIFFICULTY AMONG ROLLING MILL MEN.—A difficulty originated several years ago, at the time of the strike, amongst the employees of the several rolling mills in this vicinity, which is not yet healed up, and occasionally breaks forth by one party assailing the other. On Saturday, Jeremiah Cooper, who is employed at a mill in Temperanceville, was arrested and held to bail by Alderman Parkinson, in the sum of $800, for knocking down and threatening to kill Michael Kelly, and calling John Brown a "black sheep." This last phrase appears to be a very offensive one among iron men, and always creates a difficulty when used.

RIOTING.—John Armstrong was committed to jail on Saturday, by Alderman Major, for creating a riot and disturbance on Wylie street, in front of the Wesleyan Church, on Friday evening. The information was made by John Barry, who also secured him of assault and battery.

WE WOULD direct the attention of Manufacturers, Druggists, and others, to the sale of one hundred kegs of Emery, assorted sizes, at Davis' Auction Rooms, this afternoon at three o'clock.

ASSAULT AND BATTERY.—A woman named Barbary Koons was held to bail on Saturday, by Alderman Parkinson, for knocking down and beating Therese Snoffer. Both parties reside in the Fifth Ward.

GODEY'S LADIES BOOK AND PETERSON'S MAGAZINE, for September, has been received by Gilmirshney & Co., 76 Fourth street, and Miner & Co., 32 Smithfield st.

NEWS FOR RIVER MEN.

For Cincinnati To-Day.—The fine new steamer *Ella*, Captain Adam Poe, makes her maiden trip to Cincinnati to-day. The Cattle Garden, Advance and *Delegate* are loading for St. Louis, and the *Bridge City* for Memphis.—*Cincinnati Chronicle, 19th.*

The River is at a stand here, with twenty-seven or twenty-eight inches water, by the mark, in the river, three feet on the Portland bar, and the little *Monitor*, that arrived from Cairo yesterday, reports thirty-two or thirty-three inches on the shoalest bars along the lower Ohio. The weather yesterday was clear and pleasant.

The diving bell boat *Nimgarce* has left White river, having wrecked the steamer *Clermont*, which sunk some years since near Augusta, about 300 miles up, and also the *Yeboganey*, 100 miles farther down, taking from both the machinery, in good order, by the working days which we believe is considered quick time, when the work has been performed in deep water. The boat is now en route to wreck the *General Brea*, which sunk in January last, with a large cargo, 70 miles below Memphis.—*Leu. Courier, 17th.*
