ROBT. B GUTHRIE, Chairman.

THE DROUGHT.—MEETING ON THE SUBJECT.—Pursuant to a call made through several of the city papers, a number of the clergy and lay-members of the churches in Pittsburgh and Allegheny cities, convened at the Lecture Room of the Cumberland Presbyterian Church, on Friday afternoon, the 8th inst., when the Rev. Dr. Herron was called to the chair, and O. Cooke was appointed Secretary. Dr. Black read the First Chapter of Job, and prayer was offered by the Rev. Mr. Bryan.

The chair stated the object of the meeting, and the following resolutions were passed:

Resolved, That we recognize the hand of God in the alarming drought with which our land is now visited. "The field is wasted, the land mourneth—the corn is wasted." "How do the beasts groan! the herds of cattle are perplexed, because they have no pasture; yea, the flocks of sheep are made desolate." Our duty clearly is to humble ourselves before our Maker. His overruling and wise providence has brought this evil upon us for our sins.

Resolved, That it is, on very many accounts, our duty to "sanctify a fast, to call a solemn assembly, to gather the elders and all the inhabitants of the land of the house, or bible the Lord our God, and cry unto the Lord."

Resolved, That the Rev. Dr. Presly, Alexander Bradley, Esq., and Joseph Passmore, Esq., be a committee to wait on the Mayors of the two cities severally, and respectively request the official recommendation of Tuesday, the 21st *of this month*, as a day of fasting, humiliation and prayer, in view of the present afflictive dispensation of Providence, by which the rains have been withheld, and the crops cut off—we mourn a drought unprecedented in this part of the country.

Resolved, That the committee be, and are hereby instructed to correspond with the Executive of the State on the propriety of appointing a day to be observed as a day of humiliation and prayer throughout the State.

Resolved, That the clergy, where the drought prevails, are hereby requested, as far as practicable, to observe the day that may be designated by the chief officers of these cities, in connexion with their several congregations.

Resolved, That the two Wednesday evenings preceding the day mentioned in the third resolution, be set apart for special prayer for the withdrawal of the divine displeasure, and that meetings be held in all the churches for that purpose.

Resolved, That the proceedings of this meeting be published in such papers as concur in the sentiments of these measures to avert the evils that have come upon us.

On motion, the meeting adjourned, and was closed with prayer by Dr. Presly.

O. COOKE, Secretary. F. HERRON, Chairman.

ROBBERY.—Two lads, named M. Millard and A. Robinson, were arrested on Friday, and taken before Mayor Adams, on a charge of stealing fifty dollars from Andrew Graham, a butcher. The money was taken from the till of his stall, in the market house. For some reason the Mayor refused to receive bail for the lads, and they were both sent over to jail. On Saturday, application was made to the Supreme Court to have them brought out on a *Habeas Corpus* and discharged. The Court decided that they should be taken before a magistrate, and admitted to bail. The prisoners were accordingly examined by Alderman M'Masters, who held them to bail in the sum of $500, for their appearance before Mayor Adams, for a further hearing to-day, unless in the meantime they should be discharged by the Court.

ANOTHER DEATH FROM SUN STROKE.—An Irishman named John M'Keown, engaged as a laborer in the erection of a building in the Ninth Ward, died very suddenly on Friday evening, from the effects of sun stroke. After working all day in the excessive heat, he was about to ascend a ladder with a load of bricks, when he was attacked with a sudden illness; his companions advised him to take something to drink, and adjourned to a neighboring tavern for that purpose; but before reaching it, he fell over and died instantly. Coroner Lowry held an inquest on the body, and a verdict of "death from a sun stroke," was returned by the jury. The deceased was in the employ of Mr. Walker, of Allegheny, and resided in that city. We believe he has no relations in this country.

SUPREME COURT.—Present: Chief Justice Jeremiah S. Black, Justices Ellis Lewis, W. H. Lowrie, Geo W. Woodward and John C. Knox.

SATURDAY, September 9.

Hogg vs. Wilkins and Blocher No. 21, 1854; Fayette county. Argued by Messrs Fuller and Hepburn for plaintiffs, and Messrs. Kaine and Patterson for defendants.

Dugan et al vs. Blocher, No. 59, 1854; Fayette county. Argued by Messrs. Howell and Hepburn for plaintiffs, and Patterson for defendant.

Greenawalt's Executor vs. Austin; No. 31, 1854. Argued

PROCESSION.—The different Lodges of the Order of Protestant Americans intend having a grand procession to-day. They will form a line at 9 o'clock and march through the principal streets, and out to Denny's Grove, where addresses, by several distinguished speakers, will be delivered. We earnestly hope that no molestation of any kind will be thrown in the way of the procession, and that no provocation likely to afford excuse for a row, will be given.

CHOLERA.—Mrs. Thompson, a resident of Birmingham, died with Cholera on Friday afternoon. One of the sons of Mrs. T. was also taken sick on Friday, with the same disease. A man named Michael Ford, living on Centre Avenue, was taken ill about two o'clock on Saturday morning, and died in a few hours afterwards, with cholera. Numerous other cases are also reported; but these, we believe, are the only authentic ones.

DROWNED.—A lad named James Moore, while bathing in the Allegheny river, near the Aqueduct, on Saturday night, about six o'clock, was seized by cramp and drowned, before assistance could be rendered. His body was recovered shortly after, and taken to the residence of his parents on Liberty street, Allegheny.

PRISONER FROM GREENSBURG.—Francis M'Gill, a resident of Westmoreland county, was brought in from Greensburg on Saturday, and confined in the county jail, for assault and battery, perpetrated on Francis C. Hanna Esq. The prisoner was under charge of Deputy Sheriff Alexander W. Rook, Esq.

WOM'N PARADE.—In consequence of not being able to procure music, the Duquesne Greys will not appear on parade to-day. All the bands in town, we believe, are engaged by the Protestant Association.

BADLY INJURED.—A young man named Henry Miller, employed in Ryan's Buildings, had his hand badly lacerated, on Saturday, by allowing it to come in contact with a circular saw. He was taken to Dr. M'Cook's office, where the wounded hand was dressed.

GERMAN TURNER BUND.—A general gathering of nearly all the Turner Bund Societies in the country will take place in the city to-day. Delegations from other cities, we are informed, will be in attendance.

FALSE IMPRISONMENT.—Charles Davis yesterday brought suit, in the District Court, against John Barr, for false imprisonment. The damages are laid at $500.

☞ **Ague and Fever of Three Years Standing Cured.**—Mr. John Longden, now living at Beaver Dam, Hanover county, near Richmond, had Ague and Fever for three years, most of the time he had chills twice a day, and rarely less than once; he was parched with fevers as soon as the chill left him; and after trying physicians, quinine, most of the Tonics advertised, and everything recommended to him, was about to give up in despair, when Carter's Spanish Mixture was spoken of; he got two bottles, but before he had used more than a single one, he was perfectly cured, and has not had a chill or fever since.

Mr. Longden is only one out of thousands who have been benefited by this great tonic, alterative and blood purifier. ❊ See advertisement. aug12dawtf
