THE CITY POST.

WEDNESDAY MORNING:::::::::NOVEMBER 1.

HOUSE OF REFUGE MEETING.—Agreeable to the announcement made in the morning papers, the friends of the Western Pennsylvania House of Refuge, convened at the Second Presbyterian Church last night.

The meeting was somewhat better attended than the previous one on the same subject, at Masonic Hall, although the church was not so well filled as we would liked to have seen, when a subject of so much importance to our citizens was to be discussed.

The meeting was organized by Hon. Wm. F. Johnston taking the Chair, and Hon. Thomas M. Howe acting as Secretary.

After prayer by the Rev. Dr. Howard, Governor Johnston, in a few remarks, stated the object of the meeting, and closed by introducing Mr. Rutherford, the Superintendent of the House of Refuge; who, in an admirable speech of about an hour's length, portrayed the necessity of an institution of this kind, and recommended it upon the ground of true economy to the community, as well as the general good, when brought to bear upon the rising generation. The subject was handled in a manner that showed the speaker understood, and had witnessed the benefits derived from similar institutions in other places. We understand that the gentleman's remarks are to be published in pamphlet form shortly, when the whole community will have an opportunity of seeing them.

At the conclusion of Mr. Rutherford's speech, the Rev. Mr. Collier was called upon to address the meeting, and spoke a few words upon the general utility of such establishments.

Rev. Mr. Passavant then came forward to the stand, and followed in one of his usual eloquent and impressive addresses, urging in the most earnest manner the necessity of such an institution, as a House of Refuge. This gentleman was listened to with the greatest attention, and we should like very much to give a synopsis of his interesting address, did our time permit.

Immediately subsequent to Rev. Passavant's remarks, Gen. J. K. Moorhead read a report of the financial condition of the institution at the present time, showing how much money had been subscribed, and what amount had been expended in its construction so far. This report we will furnish to-morrow.

A resolution was then offered by Rev. Dr. Riddle, and adopted, that the Councils of the cities of Pittsburgh and Allegheny be called upon to make subscriptions, in their corporate capacity, to the House of Refuge.

After prayer by the Rev. gentleman above named, the meeting adjourned.

RESOLUTIONS ON THE DEATH OF FREDERICK LORENZ, ESQ.—At a meeting of the Select Council, on Monday night, the following resolutions, in relation to the demise of Frederick Lorenz, were passed by that body, and concurred in by the Common Council:

WHEREAS, It has pleased Almighty God, in his wise Providence, to take from our midst, our well beloved fellow member, Frederick Lorenz, Esq., one with whom we have long been associated, both in public and private affairs, and who, by his high christian character, strict integrity, and business capacity, and uniform amenity of manner, had endeared him to us all. Therefore be it

Resolved, By the Select and Common Councils, that we deeply deplore the decease of our late colleague, Frederick Lorenz, Esq., one whose firm devotion to the interests of the city, has been long and so faithfully exercised, and whose loss to our Councils will not be easily replaced.

Resolved, That not only as a member of Council, but as a citizen at large, his death deeply to be regretted; for in developing our resources, and in adding to the wealth of our community, his enterprise, his liberality, and enlarged business capacity, placed him eminently in the front ranks of our manufacturers and business men.

Resolved, That his Christian character and stern sense of rectitude, caused him to regard all matters of a public nature intrusted to his charge, with the same scrupulous care for the interests of the public, as he did those of his own private affairs; and we can truly say that the city never possessed a more conscientious or upright counsellor.

Resolved, That we sincerely sympathize with his bereaved family in the irreparable loss with which it has been afflicted, and can only offer, for consolation, that the future will reward those who have well and truly performed their duty here.

Resolved, That the President's desk, and the desk of the deceased in the Select Council Chamber, be draped in mourning, for the space of thirty days, and that the members will wear the usual badge of mourning for the same space of time.

Resolved, That the foregoing resolutions be spread at large upon the minutes of the Select Council, and a copy of the same be furnished to the family of the deceased.

REWARD.—The Councils, at their meeting on Monday night, authorized the Mayor to offer a reward of $200 for the arrest of John Kramer, the murderer of Terence Clark; but from a very questionable motive, prevent the Mayor's police from participating in the benefit of the reward, in case the arrest should be made by them. If the intention is to secure the person of the murderer, we confess we cannot see the propriety of debarring the regular day police from the same incentive that is calculated to urge others upon the search. The murderer is not in the city, and it is not to be expected that they should spend their money, traveling over the country for the capture of any one, unless they receive some suitable remuneration. No provision is made by the city or county, for their expenses, while on such trips; and of course their regular salary is not sufficient for such purposes. Why, then, should not they be allowed the same reward, as any other citizen?

SUPREME COURT.—Hon. J. S. Black, Chief Justice; Hon. G. W. Woodward, Hon. E. Lewis, Hon. W. Lowrie, and Hon. J. C. Knox, Associate Justices.

TUESDAY, October 31.

Bell vs. Ohio and Pennsylvania Railroad Company. Argued.

City of Allegheny vs. Reed & Rogers. Argued.

Wightman vs. Pennsylvania Railroad Company. By consent of counsel, Thursday next was fixed for the hearing of the application in this case.

Appeal by Carson & McKnight; Nos. 80, 87, and 88, 1853. Decree affirmed.

DISTRICT COURT.—Before Hon. M. Hampton. In the case of Sarah Hamilton vs. Leonard Soltz et al. Action of ejectment for a lot of ground in the Eighth Ward; a verdict of costs and six cents damages, was found for plaintiff, subject to the opinion of the Court on the point reserved. A bill of exceptions filed.

Grace Lenegan vs. James Fonlon, No. 230, July term, 1853. Ejectment for thirty lots, in the Sixth Ward, Pittsburgh. On trial.

TRIAL OF THE THREE WATCHMEN FOR LARCENY.—Yesterday, in the Court of Quarter Sessions, the case of the three watchmen, Link, Carvel and M'Donald, indicted for stealing $276 from W. J. M'Minn, on the 6th of September last, was taken up. The case, as made out by the prosecutor, bears very hard on the defendants, especially Link; and unless rebutting evidence of the strongest kind is brought, by the defence, we do not see how a verdict of guilty can be avoided. The time of the Court was occupied until adjournment in the evening, hearing the prosecution.

BODY OF AN INFANT FOUND.—The body of an infant, apparently still born, was found about 8 o'clock yesterday morning, in a sewer on the corner of Third street and Redoubt alley, wrapped up in a copy of the "Daily Dispatch." The body must have been thrown where it was found, some time during the night previous. As may be supposed, no information was elicited as to where it came from.

LECTURE BEFORE THE Y. M. CHRISTIAN ASSOCIATION.—Mansoni Hall's last lecture before this Association. It was an excellent discourse, and gave general satisfaction—if one may judge from the pleased countenances at all present.

ADMITTED.—On motion of Thomas Williams, Esq., John M. Kirkpatrick was yesterday admitted to practice as an attorney and counsellor in the Supreme Court.

FIRE.—The alarm of fire, yesterday morning, was caused by the burning of some combustible material in a brewery, in the Fifth Ward. No great damage was done.

CAPIAS.—John Cuthbert was committed to jail, yesterday morning, upon a *capias* from the District Court, to answer to a charge of defamatory words, preferred by James Cuthbert.

Land for Sale.

1800 ACRES OF LAND IN FOREST COUNTY, near the Clarion river. This land is heavily timbered, has an excellent soil, and is well watered. It is within one mile of a bituminous coal. The Venango railroad, which will undoubtedly be built, will run very near to it, if not directly across it. The Millers Run stream runs through it.

ALSO, 500 acres in Elk county, well timbered and watered, and lying near the Sunbury and Erie railroad.

No better investment could be made than in these lands. The completion of the Sunbury and Erie, the Allegheny Valley, and the Venango railroads through that region will render the coal, lumber, iron ore and soil of great value. Enquire of C. H. M. SMITH,

The Western Pork Trade.

The Louisville *Journal* says the crop of hogs will be larger in Kentucky than was some time since supposed, and adds:

Porkers, under present circumstances, with a tight money market and large stocks and great depression in prices of last year's product, are loth to sell at the rates now offered, $4 net, but this is, we think a little too low. We are confident, however, that no sales could at present be effected at over $4 50 net.

The Alton *Telegraph* says:

We have it rumored that five thousand hogs have been contracted for at Springfield, Ill., at $4,25. The represented seller is a packer of that place.

The St. Louis *Intelligencer* says:

Here packers talk of $4, and so far as we have heard an expression of opinion, none calculate that less than this will be paid at any time during the season. There was in the city on Saturday morning, offering to contract 1,000 or 1,500 head at $5, but found no buyer.

At Cincinnati $4 net is offered.

SALES OF BARLEY.—The barley market at Albany has been in an excited condition. The prospect of contracts made for delivery during the continuance of canal navigation, on Monday afternoon and Tuesday morning, amounted to 100,000 bushels, at $1,33 to $1,37½.
