MISCELLANEOUS.

FOR THE CURE OF DEAFNESS, PAINS, and the Discharges of Matter from the Ears—also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, &c., which are symptoms of approaching Deafness, and also generally with the disease. Many persons who have been deaf for ten, fifteen, and twenty years, and were obliged to use ear-trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well. Physicians and Surgeons highly recommend the use.

[From the Tribune.]

PARENTS DON'T NEGLECT YOUR CHILDREN.—Thousands of children annually become deaf, in consequence of discharges of matter from their ears, induced by Scarlet Fever, Colds, &c. Now, if mothers would do their duty and procure Scarpa's Oil for Deafness, and use it as directed, their children would be cured; but if neglected, the discharge continues very troublesome, the hearing gradually gets worse, and finally partial or total deafness ensues.

IMPORTANT NOTICE:

Call and see Mrs. Hacker, and she will impart to you information that will convince and astonish you.

ASTONISHING FACT!—Philadelphia, January 1.—I hereby certify, that when I was about twelve years old, I gradually became deaf in both ears, so that in a few months I found it almost impossible to hear, unless in the very loudest tone of voice. I remained in that situation until last summer, a period of eighteen years, when I heard of SCARPA'S COMPOUND ACOUSTIC OIL. I immediately obtained a bottle, which I have used, and am happy to say it has acted like magic, and quite cured me. Any one wishing further information of my case, which I think a remarkable one, will find me by calling at my residence, Concord-street, first door above Second street.
