RAGGS OF THE STARVED BRIGADE.

BUT BY TENNYSON.

Half starved, half starved,
Half starved, onward
All in the valley of soup
Rushed full six hundred.

Into the valley of soup
Rushed full six hundred,
For out came a notice which
Each one had pondered,
"Forward the starved brigade!
Take your pails," Murphy said:
Into the valley of soup
Rushed full six hundred.

"Forward the starved brigade!"
No one a bit afraid—
No one although he knew
The notice was blundered;
Theirs not a word to say.
Theirs not a disobey,
Theirs but a hungry day—
Into the valley of soup
Rushed full six hundred.

Hunger to right of them,
Hunger to left of them,
Hunger in front of them,
All shame had sundered;
Stormy with hunger hell,
Onward they rushed pell mell,
Into the tool house there,
Into which, hungry as
Rushed full six hundred.

Flashed all their kettles bare,
Flashed all at once in air,
Startling the waiters there,
Charging an army, while
The police wondered.
Plunged in the savory smoke,
Each giving each a poke,
Till they the crockery broke;
Then they fell back, did
All the six hundred.

Policemen to right of them,
Policemen to left of them,
Policemen behind them
Grumbled and thundered;
Growled at for rushing so,
Women men pushing so;
After they strove so well,
And, from the tool house there,
Came, no more starved ar—,
All that was left of them,
Fully six hundred.

When will the soup be gone?
O the wild charge that man
At which folks wondered.
Good was the soup they made,
Cheering the starved brigade,
All of six hundred.

Iron City Commercial College,
LAFAYETTE BUILDINGS, WOOD STREET.
PROF. MILLER & BRO. respectfully announce that their Institution is now one of the largest, most convenient and superb of the kind in the Western country.
At the Iron City College young men are qualified for the counting room in a superior and expeditious manner. M. & Bro.'s great experience as Penmen and Teachers of Plain and Ornamental Writing, renders this department unequalled in this city.
Fleming's new and improved system of Book-keeping is taught by Prof. Bakay, who also long practiced knowledge of that science makes him one of the most skillful and successful teachers in this or any other country. As a Mathematician and Book-keeper Mr. John Barry is unsurpassed.
Young men who design receiving instruction in Book-keeping, and who have neglected or wish to review the Arithmetic, can receive a course of training in this important branch without charge. Arithmetic is the key to Book-keeping, and he who has not a knowledge of it can never become a Book-keeper. Lectures delivered daily on all important business subjects.

GREAT BARGAINS IN DRY GOODS AT A. M'TIGHE'S NEW STORE,
CORNER OF GRANT AND FIFTH STREETS.
HAVING THIS DAY OPENED MY NEW STORE, I take this method to call the attention of large Steam Saw-Mills and Boat Yards on the Allegheny river, together with many other mills and manufactories, running steam saw mills. He flatters himself that he can furnish any bills of lumber and timber of any kind, great or small, long or short, and deliver them at any point on the Allegheny, Monongahela, Ohio, or Mississippi rivers; contract to build large Barges, Store Boats, Coal Flats, Boat Gunwales, Bridge Timber, Railroad Timber, and Freight Iron, on the shortest notice, and will attend to the Sale and Rent of Real Estate. From his not only without hazard of expense, but with a happy effect on the general organization of the system. Bear in mind all maladies, wherever they begin, finish with the nervous system, and that the paralyzation of the nerves of motion and sensation is physical death. Bear in mind that for every kind of nervous disease the Elixir Cordial is the specific and unfailing remedy known.
CURE OF NERVOUS DISEASES.
No language can convey an adequate idea of the immediate and almost miraculous change which the Elixir Cordial effects in diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the mustrung and relaxed organization is at once braced, revivified and built up. The mental and physical symptoms of nervous disease vanish together, as if by magic influence. Nor is the effect temporary; on the contrary the relief is permanent—for the Cordial propagates of the medicine reach the constitution itself, and restores it to its normal condition.
LOSS OF MEMORY.
Confusion, giddiness, rush of blood to the head, melancholy, nervousness, hypochondria, wretchedness, thoughts of self-destruction—fear of insanity, dyspepsia, epilepsy, fits, nervous irritability, weakness, imbecility, loss of sight, generative debility, leucorrhœa, decay of the propagating functions, hysteria, moose cough, spasms, tremors, palpitation of the heart, impotency, constipation, etc., from whatever cause arising, it is if there is any reliance to be placed on human testimony, absolutely unfailing.
A GREAT MEDICINE FOR FEMALES.
The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of strongest hearts have been rendered thousand of invigorate constitutions, and purpose to be specified in the various diseases and derangements to which the delicate formation of woman renders her liable.
EVERY WOMAN OF HEALTH,
who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, should give the invigorating Cordial a trial.
MARRIED PERSONS,
Or others, will find this Cordial after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Experience in this country has been restored by using it, and not in a single instance has it failed to benefit them.
PERSONS OF PALE COMPLEXION,
or consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yal, low, sickly color, to a beautiful florid complexion.
TO THE MISGUIDED.
These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, etc.
Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, etc., are some of the evils produced. All these affected
BEFORE CONTEMPLATING MARRIAGE
should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness; indeed, without these, the journey through life becomes a toilsome pilgrimage—the prospect hourly darkens the view; the mind becomes shadowed with despondency, and filled with the melancholy reflection that the happiness of another become blighted with your own.

DR. SWAYNE'S COMPOUND CHERRY PECTORAL:
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.
WE invite the attention of the public to the testimonials appended below, and beseech, for them that candid consideration which their honest frankness deserves.
Mr. Mac, visited Philadelphia as many the voluntarily bear witness to the efficacy and value of Dr. Swayne's Pectoral, do not wantonly trifle with, or jeopardize their lives, nor overstate their convictions. Judge then, whether this is not the medicine for your child, you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the every-varying maladies that lurk and steals with fatal frequency upon almost every hearth, and carries off a lamb from the many a household.
