LYON'S PURE CATAWBA OHIO BRANDY.—As this article is manufactured from the PURE JUICE of the Catawba Grape, cultivated in the vineyards of the Great West, it has a special claim to our notice. The proprietor guarantees this Brandy to be STRICTLY PURE and FREE FROM ALL ADULTERATION, which is corroborated by the analyses of Dr. COX, State Inspector for Ohio; also, the celebrated Analytical Chemist, Dr. CHILTON, of New York, to which we invite attention:

ANALYSIS OF LYON'S PURE CATAWBA BRANDY.

OFFICE CHEMICAL INSPECTOR, CINCINNATI, May, 1856.

I hereby certify that I have this day inspected a large lot of fine Catawba Brandy for Mr. I. Jacob, No. 142 Third street, and after a careful examination I find it pure, of high chemical standard, and free from all foreign or poisonous substances, and have so marked it as the law directs.

(Signed) HIRAM COX, M. D.

NEW YORK, July 28, 1857.

I have analyzed a bottle of Lyon's Pure Catawba Brandy, furnished by Mr. A. Ralston, Jr., of Lockport, N. Y., for analysation, and find it to contain only the ingredients which exist in pure Brandy. The proportion of alcohol obtained from it is 47 per cent. I believe this sample to be pure Brandy, without adulteration. The flavor it is delicate and peculiar.

(Signed) JAS. R. CHILTON, M. D., Chemist.

For Medicinal purposes Lyon's Catawba Brandy has no rival, and has long been needed to supersede the poisonous compounds sold under the name of Brandy. As a beverage, the pure article is altogether superior, and a sovereign, sure remedy for Dyspepsia, Flatulency, Low Spirits, Indigestion, General Debility, &c., &c.

Also, ERHERDY'S STILL AND SPARKLING CHAMPAGNE.—These Wines are made in the neighborhood of Cincinnati, and are guaranteed to be the Pure Juice of the Grape, and are eminently calculated for invalids and persons who require a gentle stimulant, and for Sacramental purposes.

Retail price $1.50 per bottle. A liberal discount made to the trade. Dealers will please send their orders to the "Sole Agents" for the State of Pennsylvania,

THE SOVEREIGN REMEDY.—WILLIAMS' ANTI-DYSPEPTIC ELIXIR, the only Medicine now prepared that will cure Dyspepsia, Liver Complaint, &c.

DR. JAMES WILLIAMS: Dear Sir: In justice to your most valuable Medicine I wish to say that in the spring of last year, having contracted a severe attack of Dyspepsia, I was induced to try your Elixir. I took one bottle, and by the time it was entirely exhausted, I was perfectly free from those wretched feelings of exhaustion, faintness, &c., and became again hearty and robust. Truly yours, EDGAR A. HAINES.

FREDERICK BROWN,
CHEMIST AND DRUGGIST,
N. E. CORNER FIFTH AND CHESTNUT STREETS,
PHILADELPHIA,

Sole manufacturer of BROWN'S ESSENCE OF JAMAICA GINGER, which is recognised and prescribed by the Medical Faculty, and has become the standard Family Medicine of the United States.

This is a remedy suited to the extremes of heat and cold, and at all times beneficial when gentle tonic and stimulating influences are required. Its stimulating property being independent of alcoholic power, its effect as a frequent remedy need never be dreaded. While it strengthens and refreshes the debilitated in the summer season, it is not less potent during the inclemency of winter, by warming with its healthy tonic principle, and enabling the system to resist the influences of impalpable disease which lurk in a changing climate. No family should be without it, and by travellers on long journeys, or by sea, it will be found invaluable.

CAUTION.—Persons desiring an article that can be relied upon, prepared solely from pure Jamaica Ginger, should be particular to ask for BROWN'S ESSENCE OF JAMAICA GINGER, which is warranted to be what it is represented, and is prepared solely by FREDERICK BROWN, and for sale at his Drug and Chemical Store, N. E. corner of FIFTH and CHESTNUT streets, Philadelphia.

GREEN SAND MARL OF NEW JERSEY.—THE NEW JERSEY FERTILIZER COMPANY is now prepared to receive orders for this important manure. For all lands upon which ashes are beneficial, the Marl is more than a substitute.

Professor Cook, in his annual report to the Legislature of New Jersey, says: "The value of these Marls is best seen in the rich and highly cultivated district which has been improved, almost made, by their use; but it may be interesting to examine the causes of their great value in Agriculture, and to compare them with other fertilizers. For example: The potash, which may be taken at an average of five per cent. of the whole weight of Marl, a bushel when dry weighing eighty pounds, and in the proportion of about twenty-four to four pounds of potash; this is nearly as much as there is a bushel of unleached wood ashes." And again—"The fertilizing value of the Marl is to be found in the fact that it makes up the cost of our common manure necessary."

Price, delivered on board vessel at the wharves of the company at Portland Heights, on Raritan Bay, New Jersey, seven cents per bushel. For further particulars, see circular, sent free of postage. Orders for other fertilizers will receive prompt attention. Address either of the undersigned:

JONES HOUSE, CORNER OF MARKET STREET AND MARKET SQUARE, *HARRISBURG, PA.*

WELLS COVERLY, Proprietor.

This new and elegant Hotel, known as the Jones, Strokers of the late firm of Messrs. Jones, in Harrisburg, Pa., having been leased for a term of years by the undersigned, he takes this method of calling the attention of his former patrons, friends, and the travelling community, thereto.

Having a front of 142 feet on the principal street of the city, and 62 feet front on Market Square, it cannot fail to prove attractive as well as inviting to strangers.

The chambers are of fine size, well ventilated, and lighted with gas; a number with connecting doors, making them very desirable for families.

The halls are warmed throughout by heaters, and every modern improvement, in fact, has been added, that may conduce to the safety, comfort, and happiness of the guests.

Visitors may, therefore, rest assured that the JONES HOUSE has been made perfect in all its appointments; that each department has been placed in charge of experienced and competent persons; that in every particular the system which has been adopted by the proprietor will afford to those who may make it their home as great a degree of comfort as may be obtained at any similar establishment in the State.

To secure this desirable result, he has furnished the public and private parlors, chambers, dining room, &c., with entirely new furniture, and also arranged within the building a fine barber's saloon, oyster saloon, dressing room, hot and cold baths, &c.

The culinary department and dining room will receive the especial attention of the proprietor, which, he trusts, will be a sufficient guarantee that all tastes will be suited.

After returning his heartfelt thanks to his old friends and patrons for the generous patronage so long extended to him at the "Coverly House," and also to his friends and patrons at the "Columbia House," Cape Island, during the season of 1855, he respectfully solicits a continuance of it at the "JONES HOUSE."
