THE RELIEF FUND.

As the action of the Relief Board does not seem to be fully comprehended, frequent applications for relief being made in person or by letter to the undersigned, he deems it proper to state that payments will be temporarily renewed to those formerly on the list on presentation of certificate signed by not less than three known taxpayers, stating that the applicant has not received sufficient from her husband or other support, to enable her, together with her own industry, to make a living for herself and family, and giving reasons for such inability. This is intended for the benefit of all really in need, and for no others.

The orders issued under this regulation are continued only until the troops are again paid off.

Blank certificates can be procured from those who have heretofore distributed orders.

THE HEROISM OF OUR SOLDIERS & SAILORS.

One third the proceeds of all subscriptions sent direct to us will be given for the Relief of Disabled Soldiers, and all persons who wish a copy of the work, and also to benefit the soldiers, should send in their name and address, and name of any officer or private, or person in any section of the country, having knowledge of a heroic act or stirring incident, will oblige us by sending an account of it.

HIGHLY IMPORTANT

TO

FARMERS!

LONG stories and paper recommendations are of no account. I am at present engaged in building

PELTON'S PATENT HORSE POWERS,

two sizes, one for four and one for six horses. It is supposed to be better than any other kind made here or elsewhere. I have obtained from the patentee authority to make and sell in all of Pennsylvania west of the Susquehanna, and to prosecute all those who make, use, or vend to others to use, in the district described. Those interested will take notice of this. I expect soon to build a

NEW THRESHER,

which will thresh 40 bushels of wheat per hour, or 80 bushels of oats. Please call and examine for yourselves before you buy from others. I also continue the

THE MINSTREL.

FATHER ABRAHAM'S REPLY.

We published a few weeks ago a beautiful poem entitled "We are coming, Father Abraham, three hundred thousand more," to which the following reply has been addressed:

I welcome you, my gallant boys,

From Maine's resounding shores—

From New Hampshire's granite hills

I see your legions pour;

From Massachusetts' fertile vales,

From old Vermont they come;

Connecticut wheels into line

At rolling of the drum;

And little Rhode springs to arms

Like David in his might,

Upon rebellion's giant front:

To strike one blow for right:

One blow for right, my hero boys,

For right and Uncle Sam—

Strike, and receive the blessings

Of the God of Abraham.

I see from all her boundaries

The glorious Empire State

A countless host is sending forth

With freedom's hopes elate;

From Delaware there comes a gleam

Of white and crimson bars,

Where faithful hands are holding up

The banner of the stars;

New Jersey answers by the call,

As if along her shores,

Each grain of sand had said, we come,

Six hundred thousand more:

We come to strike for liberty,

For right, and Uncle Sam,

Who gives us all the blessings

Of the God of Abraham.

And Pennsylvania, keystone of

This glorious Union arch,

Is sounding through her thousand caves

The thrilling order, march!

I see her dusky sons come forth

From every darkened mine.

And, like the clouds along her hills

Swift forming into line:

Their eyes have such a fiery gleam

From glowing forges caught,

Their arms such strength as if they were

Of iron sinews wrought;

I think when on Secession's head

They strike for Uncle Sam,

Each blow will fall like vengeance

From the God of Abraham.

I see down our Western vales

Your legions pour, my boys,
