CONSTITUTIONAL DISEASES.

Many diseases that afflict humanity are inherited as heir-looms from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis, and Fits, are among the most common of constitutional diseases. Now, we do not know how many generations the seeds of these diseases may have been established in the system, corrupting the blood. Radway's Renovating Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure, and healthy blood.

CHILDREN'S DISEASES.

Radway's Renovating Resolvent should be hailed as a blessing by every mother throughout the land, whose infants are afflicted with Sores, Humors, etc. These breakings out (this early) are evidences of diseases transmitted from the parent stock. PERUVIAN SYRUP,

A PROT. OF

PROTEOTED SOLUTION OF PROTOXIDE OF IRON

Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as an established medicine. Its efficacy in curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumption, Scrofula, Diseases of the Skin, Disordered State of the Blood, Boils, Scurvy, the Prostrating Effects of Lead or Mercury, General Debility, and all Diseases which require a Tonic and Alterative Medicine, is beyond question.

The proofs of its efficacy are so numerous, so well authenticated, and of such peculiar character, that intelligent persons cannot reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all; but its range of curative power is extensive, because many diseases, apparently unlike, are intimately related, and proceeding from one cause, may be cured by one remedy.

The class of diseases for which the Syrup provides a cure is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

Those persons who may wish for an opinion from disinterested persons respecting the character of the Syrup, cannot fail to be satisfied with the following, among numerous testimonials, from the hands of the Agents. The signatures are those of gentlemen well known in the community, and of the highest respectability.

CAUTION.

The undersigned, having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

From our own experience, as well as from the testimony of others, whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Disease of the Lungs and Throat, Chronic Diarrhœa, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, &c. Indeed, its effects would be incredible, but from the high character of those who have witnessed them, and have volunteered their testimony, as we do now, to its restorative power.

CERTIFICATE OF DR. HAYES.

It is well known that the moisture incident to a tropical climate in Iron is lost by even a very brief exposure to air, and that to maintain in a solution of Protoxide of Iron, without further oxidation, has been deemed impossible. In the Peruvian Syrup, this desirable point is attained by combination in a way before unknown, and this solution may replace all the proto carbonates, citrates, and tartrates of the Materia Medica.

THE LIVER INVIGORATOR

PREPARED BY DR. SANFORD,

COMPOUNDED FROM MEDICINAL GUMS.

One of the best Purgative and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver regulator, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry that matter, thus accomplishing two purposes effectually, without any of the painful sensations of the usual operations of most Cathartics. It strengthens the system at the same time that it purges it, and, when taken daily in moderate doses, will strengthen and build it up with mental rapidity.

The Liver is one of the principal regulators of the human body; and when it is out of order, the whole system suffers in consequence. The Liver—having ceased to assess that organ, one made it its study, for years, to find some remedy that would be reliable.

To prove that this remedy is at last found, any person troubled with Liver Complaint, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, and, purifying the health to the whole system, cause of the disease—effective.

BILIOUS ATTACKS are prevented by the use of the LIVER INVIGORATOR.
